How to Become the Man That Women  
Want to Love and Obey...in Every Way In

order to attract and more importantly, KEEP a good woman in your life, you must become the kind of man that she simply can't live without. This is your only job as a man when it comes to dating and relating with women. You don't need a bunch of seduction techniques, mind games, or pick-up tactics to make a woman want you. Because quite frankly, no seduction technique in the world will turn a woman

on and make her want you if she does not RESPECT you as a man. If a woman cannot respect you as a man, she won't be able to trust you. If she isn't able to place her trust in you, she simply cannot fall in love or STAY in love with you. Discover the Secrets of What Women Want in a Man Most guys simply don't know what women want in a man. Because of this, they try all kinds of "seduction tactics" to attract

women, and only end up with low-quality women and terrible relationships. If you ask the average guy what women want, he may say things like confidence, money, or ridiculous good looks, but all of these things are just the tip of the iceberg. Here's what women really want from men... Security. How to Get the Respect, Desire, and Unwavering Loyalty of a Woman If you can communicate to a woman that you're a man that can offer her security in the world, she will give you her heart and more. (Hint: This is the key to understanding how women think) Ten ways in which you can **IMMEDIATELY** begin

working on yourself to become an overpowering magnet for the woman of your dreams. How to be decisive and become a master at dealing with conflict while staying perfectly calm and poised. The unforgivable sin that can ruin your chances of getting (and keeping) a girlfriend. This is the thing that **FORCES** her to either want to **DUMP YOU** or **CHEAT ON YOU** without her understanding why. How to take control of your emotions in any situation and be the rock that she needs you to be. How to make a woman happy by being **THE MAN** in your relationship; you know - the one that "wears the pants." The reasons why the woman you want may put you in the friend zone, and how to avoid falling into this horrifying category. Discover the Feminine Quality That Makes Him Crave Your Attention Chances are, you've read just about everything you can on how to keep a man interested in you. Women's magazines often give advice like "be your best self", "focus on you", or "put on that mini-skirt he loves." While these things do work to keep a man interested, they're surface level tactics that only work temporarily. Women who know how to keep a man happy understand what men secretly want in a woman. These women are irresistible not because of their looks, but because they possess one feminine quality that make men crave their attention. High-quality men, the ones that desire true commitment from a woman, desperately yearn for the company of a

woman who understand how to keep him captivated by her. So what is the secret to getting a man to crave your attention? What do men secretly want in a woman? It's simple... Graceful communication. How to Talk to a Man and Keep Him Helplessly Attracted to You If you've ever had a man shut you out or shut down on you during a disagreement it's because you failed to communicate respectfully. If you want to be able to communicate your needs and wants to a man without him losing his temper or ignoring you completely, you must learn how to talk to a man gracefully. If a man doesn't feel respected when you communicate with him it's impossible to connect with him on an intimate level. And without that intimate connection, there's nothing you can do to keep him captivated by you. To achieve lasting intimacy with a woman, a man needs to feel emotionally secure with her. But if a woman fails to communicate respectfully, he won't feel confident sharing his whole heart with her. Become the Only Woman He Opens Up and Listens to Men give their undivided attention to those who respect them. If a man doesn't feel respected communicating with you, he'll find the

respect he needs elsewhere. The woman who knows how to communicate with men can influence the man she wants without resorting to "that mini-skirt he loves." A man craves the attention of a graceful woman who knows exactly what to say to him, when to say it, and most importantly, how to say it to get what SHE wants. Men love being gracefully influenced by the woman they adore. If you're interested in learning how to talk to a man so that he opens up to you, listens to you, and willingly gives you what you want without a fuss, this book will help you to communicate with men more effectively. Here's what you're going to learn inside: Discover how to tell him exactly what's on your mind without turning him off. Learn how to communicate what you want and need from him, and make him HAPPY to give it to you. Find out the four most powerful words good men desperately need to hear from the woman they love. Discover how to have difficult conversations with him without making him resent or resist you. Learn how to be a good wife or girlfriend by being more assertive (attractive) with your man without being aggressive (unattractive).

Discover How to Get the Guy You Want and Avoid Dead-End Relationships If a man doesn't take you seriously he may feel compelled to have a good time with you. Unfortunately, this good time will last until you finally realize you're being taken for a ride or until Mr. Time-Waster moves on to the woman he REALLY wants. In cases like this, what a woman really requires are two

things: a healthy amount of self-respect and a set of "player-proof" dating rules that will allow her to make wise dating decisions as she navigates the treacherous territory of finding Mr. Right. How to Keep a Man Interested Without Playing Games or Becoming His Doormat Many dating advice books for women tout the idea that a high level of confidence is key when dealing with men. However, while this is partially true, being confident, at least in regards to making a man pursue you, is pointless without understanding how to apply that confidence in various dating situations when dealing with men. A woman's confidence is communicated to a man by what she stands for and what she doesn't. Being able to confidently socialize with men, having confident body language, and illustrating confidence in your femininity will only go so far if you still allow men to have their way with your emotions, time, affections, body, and anything else for that matter. Self-confidence makes a woman more attractive, but unless it effects how she enforces her personal boundaries it won't do anything to keep a man interested in her for the long-term. How to

Date a Man to Keep Him Calling and Falling For You Women with strong personal boundaries are principle-centered, not men-centered or romance-centered. To them, their personal values, such as giving and receiving unconditional love, are more important to them than needing to be with any one particular guy. When a woman has strong personal boundaries she doesn't make excuses because of a man's handsomeness, status, wealth, race, background, promises, sexual chemistry, etc. She sticks to her guns and refuses to settle for dating situations that might cause her distress or jeopardize her future happiness. This book was designed to show women how men appraise female behavior in order to determine a woman's level of self-respect and therefore, her value as a romantic partner. In it, you'll discover the timeless seduction secrets and dating rules for women that will help you avoid those dating mistakes that make could make a woman appear desperate, needy, commonplace, or even "unqualified" for a serious commitment to a great guy. Here's what you're going to learn inside: The most powerful form of male seduction

that can KEEP a woman helplessly "addicted" to chasing a man. How to keep a man interested by doing the one thing MOST women are terrified of doing when they find a great guy. An irritating habit that causes high-quality men to stop pursuing a woman almost INSTANTLY. How to "rebuff" undesirable male behavior and get the guy you want to either take you seriously or take a HIKE! A simple "Ego-Popping" phrase that burns into a man's memory, keeps you STUCK on his mind, and makes him DESPERATE to see you again. How to seduce a man and MELT his heart by overwhelming him with the ONE THING only the RIGHT woman can give him. A dangerous and common dating mistake that FORCES a man to disappear or "log out" of a relationship...for GOOD. Foolproof dating rules for women (the "Nice Girls") who feel that men CONSTANTLY take advantage of their love and kindness. And much, much more... Would You Like to Know More? Learn Secrets about Men And The Dishonest Games they Play That Most

Women Will Never Know Most women are very surprised when a man becomes distant, when they find out he wasn't as interested as he seemed, or worse, when everything he said turns out to be a blatant lie. It's time to use the secrets of the men who "play" games with women and find out - What the Red Flags are that will give him away sooner - How to find out if he sees a future with you - Why men play games with you (what are their motives?) - Two reasons why men won't commit - The types of men who play games with you - Strategies to get him - How to force him to show his cards, how to find out the truth sooner than later - When and how to let him go, if needed. - How to test him and see if he's willing to go the extra mile - My quick strategy to make a man commit. There are different types of men who play games with women. Not all of them are the obvious 'player', that's the only type of player you can see from a mile away. No no, there are other types of men who use under the radar manipulation techniques to keep women interested, even though they see no future with her. It's hard to date a man or be in a relationship (let alone a marriage) with a

man who's not really honest about his real feelings for you. In this book, you'll learn what types of men play games, why they play those games, red flags to watch out for, and how to filter the true bad boys out of your life. You'll learn how you can protect your heart from men who don't even deserve your attention, let alone your love and devotion. I want you to understand what types of men play these games because this will help you identify them a lot sooner. Then I'll teach you some strategies to quickly test him and turn things around. If he doesn't respond well to those tests, at least you can be sure that he's playing with you and it's time to move on. I've been coaching women for many years now, and it frustrates me when I see how many men simply don't respect women. They play with their hearts, their feelings, and their future. Since I'm a man myself, I know why men do what they do. I'm here to help great women like you who keep walking into the traps of the same disrespectful men. Men who play games do it with every woman they meet. If you've ever encountered one, it wasn't personal; it's just the way they are built. They don't

know any better. In my series of books, I try to uncover the truth about the man behind the game, so you'll know what's really going on in his mind. In this book, we'll focus on the type of men who play games with women. These men know how to touch a woman's hot buttons, how to make her happy, how to attract her into his trap. The problem is, because they're not genuine, your gut feeling will start to notice the discrepancies, the little white lies, when his words don't align with his actions. That's when the emotional rollercoaster ride starts. Men who play games, and as you'll see it's not only the player type who does this, know how to hang a carrot on a stick in front of a woman. You might think this only happens to not-so-intelligent women. It doesn't. Some of my clients have very high positions in international companies, household names, lawyers, surgeons, and so on. Yet they too fall for his games and step into his traps. Some of these men are smart. They are master conmen, master manipulators. Not all of them have bad intentions, as you'll learn; some simply don't know any better. They don't have the emotional intelligence that's needed to

reveal their true selves. You'll learn how to spot those men as well. Good luck!

want a woman who exudes high character. And though she may be beautiful on the outside, he expects her inner worth to be far superior to the women around her. Once a woman passes a man's "physical appearance" test that is specific to his personal tastes, it's her inner value (or lack thereof) that will either lose or keep his interest in her. Learning how to keep a man interested in you is as simple as figuring out what men want when it comes to choosing a partner for a long-term relationship. Sadly, many women either disqualify themselves from relationships with phenomenal men or they only seem to attract losers, players, and time-wasters because they failed to develop the inner qualities great guys actively look for in a potential wife or girlfriend. The 7 Qualities That Can Make a Man Fall Helplessly in Love With You Due to trust issues, many great guys aren't open about they need in a relationship. Because of this, many women only learn how to understand men after painful trial and error or by fighting to get a man to open up emotionally.
