**feat. Raptain Hook** Blah Blah Blah By Dan Blah Blah Blah is basically a book on how to balance writing with visuals for better communication. So disclaimer: I'm not a visual person. I like taking photos but I express myself much better in words than pictures. Even when I read books about mind maps and get really excited about them, they never really work for me. Blah Blah Blah: What To Do When Words Don't Work by Dan Roam Blah Blah Blah is a great follow-up to Dan Roam's

Back of the Napkin. In this book, Roam both expands and extends on his vision of visual thinking and it's utility for everyone, in particular those who want to or have to really get their ideas across. The tools in the book are clear, concise and easy to use. Blah, Blah, Blah: What to Do When Words Don't Work ... About Blah Blah Blah. Ever been to so many meetings that you couldn't get your work done? Ever fallen asleep during a bulletpoint presentation? Ever watched the news and

ended up knowing less? Welcome to the land of Blah Blah Blah. The Problem: We talk so much that we don't think very well. Powerful as words are, we fool ourselves when we think our words alone can detect, describe, and defuse the multifaceted problems of today. Blah Blah Blah by Dan Roam: 9781591844594 ... The Solution: This book offers a way out of blah-blah-blah. It's called "Vivid Thinking." In Dan Roam's first acclaimed book, The Back of the Napkin, he

taught readers how to solve problems and sell ideas by drawing simple pictures. Now he proves that Vivid Thinking is even more powerful. Blah Blah Blah: What To Do When Words Don't Work: Roam ...
