Knowing the Living God CLC

Does the church use words that have lost their meaning? Are there Christian words and phrases that have lost their power to convict the human spirit and bring transformation to the world? One of the twentieth century's most renowned prophetic thinkers, A.W. Tozer, saw a

dangerous trend gaining momentum even before his death--a trend that has become commonplace now in the twenty-first century. In this never-before-published book, Tozer sounds his alarm for the modern church: We must stop parroting words carelessly and instead allow the meaning that these words convey to empower, shape, and direct the work of the church. Yet Reclaiming Christianity is not just a warning; it is a spiritual guidebook for reconnecting to the deepest meaning of Christianity's sacred messages.

These study guides, part of a set from noted Bible scholar John MacArthur, take readers on a journey through biblical texts to discover what lies beneath the surface, focusing on meaning and context, and then reflecting on the explored passage or concept. With probing questions that guide the reader toward application, The MacArthur Bible Studies are invaluable tools for Bible students of all ages. The theme of Paul's letter to the Colossians is the complete adequacy of Christ in contrast to the emptiness of mere human philosophy- a timely message in the face of the do-it-yourself, anything-goes New Age movement. MacArthur expounds on Paul's themes as he moves passage-by-passage through the text of Colossians and Philemon. His careful exegesis and life-changing applications expressed in a clear style and easily understandable language will appeal to both pastors and laypeople.

The Temple Our Sunday Visitor

Have you ever wondered why Jesus often spoke in parables? Are you curious about what lessons we can learn from these

parables today? Pastor and bestselling author John MacArthur breaks down the parables and teaches us how we can apply these deceptively simple stories to modern Christianity. Jesus was a master storyteller, and the parables he often told were no exception. Beneath these unassuming stories were deeply profound spiritual lessons that were designed to reach all who heard them--from the faithful to the faithless--and they're still relevant today. In *Parables*, MacArthur argues that these short, memorable stories represented more than just symbolism or a clever teaching style--they were carefully crafted tales that made the mysteries of the Gospel more accessible to everyday believers. *Parables* will help you see Jesus' teachings in a brand new light, addressing some of the most common questions on the topic, including: When did Jesus start teaching in parables? What makes parables so accessible? How can we interpret these stories? What common threads link each of the parables together? What do parables teach us about the kingdom of God? MacArthur has spent a lifetime sharing the Word of God in clear and comprehensible terms with believers of all walks of life. Let him be your guide as he sheds light on the essential lessons contained in the most infamous and influential short stories the world has ever known.

The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. Faith and action: that inseparable link is a golden thread running through Acts. In 2,000 years, one thing hasn't changed: God's heart for lost people. As long as he acts on their behalf, he will call us to play an integral part in his deeds. Acts lifts us up out of the armchair and spurs us to kingdom action, trusting that God will be with us. Ajith Fernando shares perspectives on the book of Acts that reveal its enduring relevance for our

twenty first-century lives. To bring the ancient messages of the Bible into today's context, each passage is treated in three sections: Original Meaning. Concise exegesis to help readers understand the original meaning of the biblical text in its historical, literary, and cultural context. Bridging Contexts. A bridge between the world of the Bible and the world of today, built by discerning what is timeless in the timely pages of the Bible. Contemporary Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique, award-winning commentary is the ideal resource for today's preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights they need to communicate God's Word with the same powerful impact it had when it was first written.

Christus Vivit B&H Publishing Group

A Transforming Knowledge of the Living God The timeless appeal of this classic book, written by a preacher with a worldwide ministry during the first half of the twentieth century, demonstrates the deep hunger for a saving knowledge of God present in each generation. Arthur Pink sought to give readers not just a theoretical knowledge of God but pointed them toward a personal relationship of yielding to him and living according to his biblical precepts. Pink's book explores attributes such as God's decrees, foreknowledge, sovereignty, holiness, grace, and mercy, among many others, all packaged in a style especially useful for pastors, teachers, and Bible students. Our God who is above all names cannot be found through human searching alone, Pink teaches, but can be known only as he is revealed by the Holy Spirit through his living Word.

Acts Zondervan

This work completes Daniel Block's two-volume commentary on the book of Ezekiel. The result of twelve years of studying this difficult section of Scripture, this volume, like the one on chapters 1-24,

provides an excellent discussion of the background of Ezekiel and offers a verse-by-verse exposition that makes clear the message of this obscure and often misunderstood prophet. Block also shows that Ezekiel's ancient wisdom and vision are still very much needed as we enter the twenty-first century.

Bible Teacher's Commentary Believer's Bible Commentary

"In the heart of this world, the Lord of life, who loves us so much, is always present. He does not abandon us, he does not leave us alone, for he has united himself definitively to our earth, and his love constantly impels us to find new ways forward. Praise be to him!" - Pope Francis, *Laudato Si'* In his second encyclical, *Laudato Si'*: On the Care of Our Common Home, Pope Francis draws all Christians into a dialogue with every person on the planet about our common home.
