### DIAMOND WALSH

*Journey Across Time* McGraw-Hill  
 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE KANSAS CITY STAR From Anthony Everitt, the bestselling author of acclaimed biographies of Cicero, Augustus, and Hadrian, comes a riveting, magisterial account of Rome and its remarkable ascent from an obscure agrarian backwater to the greatest empire the world has ever known. Emerging as a market town from a cluster of hill villages in the eighth and seventh centuries B.C., Rome grew to become the ancient world's preeminent power. Everitt fashions the story of Rome's rise to glory into an erudite page-turner filled with lasting lessons for our time. He chronicles the clash between patricians and plebeians that defined the politics of the Republic. He shows how Rome's shrewd strategy of offering citizenship to her defeated subjects was instrumental in expanding the reach of her burgeoning empire. And he outlines the corrosion of constitutional norms that accompanied Rome's imperial expansion, as old habits of political compromise gave way, leading to violence and civil war. In the

end, unimaginable wealth and power corrupted the traditional virtues of the Republic, and Rome was left triumphant everywhere except within its own borders. Everitt paints indelible portraits of the great Romans—and non-Romans—who left their mark on the world out of which the mighty empire grew: Cincinnatus, Rome's George Washington, the very model of the patrician warrior/aristocrat; the brilliant general Scipio Africanus, who turned back a challenge from the Carthaginian legend Hannibal; and Alexander the Great, the invincible Macedonian conqueror who became a role model for generations of would-be Roman rulers. Here also are the intellectual and philosophical leaders whose observations on the art of government and "the good life" have inspired every Western power from antiquity to the present: Cato the Elder, the famously incorruptible statesman who spoke out against the decadence of his times, and Cicero, the consummate orator whose championing of republican institutions put him on a collision course with Julius Caesar and whose writings on justice and liberty continue to inform our political discourse today. Rome's decline and fall have long fascinated historians, but the story of how the empire was won is every bit as compelling. With *The Rise of Rome*, one of our most revered chroniclers of the ancient world tells that tale in a way that will galvanize, inform, and enlighten

modern readers. Praise for *The Rise of Rome* "Fascinating history and a great read."—Chicago Sun-Times "An engrossing history of a relentlessly pugnacious city's 500-year rise to empire."—Kirkus Reviews "Rome's history abounds with remarkable figures. . . . Everitt writes for the informed and the uninformed general reader alike, in a brisk, conversational style, with a modern attitude of skepticism and realism."—The Dallas Morning News "[A] lively and readable account . . . Roman history has an uncanny ability to resonate with contemporary events."—Maclean's "Elegant, swift and faultless as an introduction to his subject."—The Spectator "[An] engaging work that will captivate and inform from beginning to end."—Booklist  
*A Global Perspective on the Past* Read Books Ltd  
 "The Persian Wars" by Herodotus (translated by A. D. Godley). Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

**Journey Across Time: Early Ages, Course 2, Student Edition** Chicago : University of Chicago Press  
 Journey Across Time, Early Ages, is an all new middle school world history program organized chronologically from the first humans and ancient civilizations to the American Revolution. Co-authored by National Geographic and Jackson Spielvogel, Journey Across Time's engaging narrative and outstanding visuals transports students back in time. As Co-Author, National Geographic Society ensures that students understand the influence of geography on historical events. Together the authors take students on a Journey Across Time. It is a standards-based program with important geography skills embedded in every lesson. The story of history unfolds with beautiful maps, custom artwork, artifacts, visuals, and compelling narrative to transport students to the civilizations that came before and to make connections to today. A goal of the program is to address teachers concerns about students ability to read and comprehend informational text and to help meet the mandates of No Child Left Behind. These concerns are addressed in Reading Social Studies skills embedded in every chapter to improve reading skills and comprehension. Students learn and practice the skills they need to become independent learners. Foldables, Main Ideas, Reading Focus, and Reading Checks assist students to become independent readers. The engaging timelines, maps, and graphics provide the visual appeal to keep students attention focused and aid in comprehension skills. The reading support in the student text and teacher edition make reading in the content area skill easy to incorporate. The Standardized Test Practice, Skills Handbook, Geography Handbook, Reading Handbook, Primary Source and Documents Library prepare students for high stakes tests. Culminating Activities evaluate student understanding. Additional support for independent learning can be found at the book s web site [jat.glencoe.com](http://jat.glencoe.com) . Students access a collection of online study tools and activities to enhance their study of world history. New videos, software, and other media provide additional opportunities for students to learn about the world. Journey Across Time addresses the needs of each student to understand the past and make connection to the world today. Journey Across Time Early Ages is available in a full volume and also as Course 1 (7000 B.C.-800 A.D.) and Course 2 (500 A.D.-1750 A.D.).

**The Epic of Gilgamesh** McGraw-Hill Education

A fascinating and thorough account of the Egyptian process of mummification and efforts to safeguard places of burial against thieves.

**Middle Grades Social Studies 2012 History Student Edition Survey** Prentice Hall

Unit 1. Early civilizations -- Unit 2. The ancient world -- Unit 3. New empires and new faiths -- Unit 4. The middle ages -- Unit 5. A changing world -- Unit 6. Modern times.

**World History Journey Across Time, the Early Ages** McGraw-Hill/Glencoe

Evaluate students' progress with the printed booklet of Chapter Tests and Lesson Quizzes. Preview online test questions or print for paper and pencil tests. Chapter tests include traditional and document-based question tests.

**World History** Routledge

The Code of Hammurabi is a well-preserved Babylonian law code of ancient Mesopotamia, dating back to about 1754 BC. It is one of the oldest deciphered writings of significant length in the world. The sixth Babylonian king, Hammurabi, enacted the code, and partial copies exist on a man-sized stone stele and various clay tablets. The Code consists of 282 laws, with scaled punishments, adjusting "an eye for an eye, a tooth for a tooth" (lex talionis) as graded depending on social status, of slave versus free man. Nearly one-half of the Code deals with matters of contract, establishing, for example, the wages to be paid to an ox driver or a surgeon. Other provisions set the terms of a transaction, establishing the liability of a builder for a house that collapses, for example, or property that is damaged while left in the care of another. A third of the code addresses issues concerning household and family relationships such as inheritance, divorce, paternity, and sexual behavior. Only one provision appears to impose obligations on an official; this provision establishes that a judge who reaches an incorrect decision is to be fined and removed

from the bench permanently. A few provisions address issues related to military service.

Hammurabi ruled for nearly 42 years, c. 1792 to 1750 BC according to the Middle chronology. In the preface to the law, he states, "Anu and Bel called by name me, Hammurabi, the exalted prince, who feared Marduk, the patron god of Babylon (The Human Record, Andrea & Overfield 2005), to bring about the rule in the land." On the stone slab there are 44 columns and 28 paragraphs that contained 282 laws. The laws follow along the rules of 'an eye for an eye'.

**The Orations of Demosthenes** Harper Collins

A textbook on United States history for students in grades 6-8, from the first Americans through the Civil War.

**The Word Of The Buddha; An Outline Of The Ethico-Philosophical System Of The Buddha In The Words Of The Pali Canon, Together With Explanatory Notes** McGraw-Hill Education  
 Max is used to being called Stupid. And he is used to everyone being scared of him. On account of his size and looking like his dad. Kevin is used to being called Dwarf. On account of his size and being some cripple kid. But greatness comes in all sizes, and together Max and Kevin become Freak The Mighty and walk high above the world. An inspiring, heartbreaking, multi-award winning international bestseller.

**Journey Across Time** Usborne Publishing Ltd

Reproduction of the original: The Buddha by Paul Carus

**Secrets of Ancient Egypt** BoD – Books on Demand

Criticizes the way history is presented in current textbooks, and suggests a more accurate approach to teaching American history.

**Greek Myths** Good Press

Prepared by James T. Baker of Western Kentucky University, the Study Guide includes chapter outlines and summaries, a glossary of key terms for each chapter, analysis of primary source documents, and questions that include matching, multiple choice, fill-in-the blank, chronology, critical thought, and map exercise questions.

**The Persian Wars** GENERAL PRESS

Building Citizenship: Civics & Economics engages students in principles that serve as the foundation of our government and economy while emphasizing real-life citizenship and personal financial literacy. This practical, interactive Civics and Economics curriculum includes a strong emphasis on critical thinking, project-based learning, document-based analysis and questions, and the development of close reading skills. Connect to core civics and economics content with an accessible, student-friendly text aligned to the Understanding by Design® instructional approach

**Dateline** McGraw-Hill/Glencoe

This text is based on current research findings and is written for students and general readers who want a deeper understanding of this period in German history. It provides a balanced approach in examining Hitler's role in the history of the Third Reich and includes coverage of the economic, social, and political forces that made the rise and growth of Nazism possible; the institutional, cultural, and social life of the Third Reich; the Second World War; and the Holocaust.

**Online Student Edition, 5-year Subscription Per Student** Wadsworth Publishing Company

Examines the history of the Babylonian empire and the evolution of its society, including the progressive legal code of Hammurabi, the development of valuable trade routes, and contributions in art, science, and other areas.

**Walk Two Moons** Candlewick Press

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

**The Rise of Rome** McGraw-Hill Education

"Journey Across Time" is an all-new middle school world history program organized chronologically

from the first humans and ancient civilizations to the present. Co-authored by National Geographic and Jackson Spielvogel, "Journey Across Times" engaging narrative and outstanding visuals transports students back in time. As co-author, National Geographic ensures that students understand the influence of geography on historical events. The result is a standards-based program with important geography skills embedded in every lesson. A goal of the program is to address teachers' concerns about students' ability to read and comprehend informational text and to help meet the mandates of No Child Left Behind. These concerns are addressed in "Reading Social Studies" skills embedded in every chapter to improve reading skills and comprehension. Foldables, Main Ideas, Reading Focus, and Reading Checks assist students in becoming independent readers. The engaging time lines, maps, and graphics provide the visual appeal to keep students focused. The Standardized Test Practice, Skills Handbook, Geography Handbook, Reading Handbook, Primary Source and Documents Library prepare students for high-stakes tests. Journey Across Time and Journey Across Time: Early Ages are available in a full volume and also as Course 1 (7000 B.C.-A.D.800) and Course 2 (A.D.500-A.D.1750).

**The Code of Hammurabi** Random House

New edition provides a clear pathway through the content to maximize class time and minimize preparation time with lesson plans, activities and assessment based on the research of Jay McTighe, co-author of Understanding by Design.

Glencoe/McGraw-Hill School Publishing Company

The Time Machine is a science fiction short story by H. G. Wells, published in 1895 and written as a landmark story. The work is generally credited with popularizing the concept of time travel using a vehicle or device to consciously and selectively travel forward or backward through time.

**Journey Across Time. Quizzes, tests, and authentic assessment with rubrics** The New Press

Once your child has completed his or her primary education, you'll have to seek curriculum for homeschool that covers History in greater detail. Your child is ready to face a bigger challenge when learning, and myWorld History is there to provide it. This middle school curriculum bundle breaks the barrier between History as a living thing and the subject as it's presented on paper. Not only will your child learn relevant dates over the course of the program, he or she will also experience the stories that make up the entirety of History. myWorld History provides you and your child with project-based activities and interesting tales that take you on a journey through time. Your child will get to read about other people who lived all over the world and in different time periods, helping the lesson resonate. With all the engaging content provided by myWorld History, your child will develop a strong knowledge of History and the cultures of which it is comprised. Ideally, such exposure to different cultures will help your child become more empathetic and a better critical thinker. Furthermore, each chapter of myWorld History kicks off with an Essential Question. This question guides your child through the material, causing him or her to analyze the lesson's content as he or she progress through the chapter. Your child will have to ask questions and search for answers while addressing the Essential Question. Stories, activities, games, the student journal and projects relate back to the Essential Question, the main idea of the chapter. The myWorld History curriculum for homeschooling is the next step after the myWorld Social Studies series and can be used before or after myWorld Geography. The Bundle includes the Student Edition, Student Journal, Student Journal Answer Key and Parent Guide materials. The content in each lifts History off the page to keep your child engaged in the learning process. myWorld History proves that homeschool is full of exciting experiences and invaluable lessons. For more information about the specific materials included in myWorld History, visit the Features and Benefits page. Take your child on a journey through time without leaving home. With innovative resources, project-based activities, and unprecedented support for all learners, myWorld History takes students beyond the printed page to actively experience the history of the world in which they live.
