Clash of Heroes Special Edition Bantam
Legacy of Ash is an

unmissable fantasy debut--an epic tale of intrigue and revolution, soldiers and assassins, ancient magic and the eternal clash of empires. A shadow has fallen over the Tressian Republic. Ruling

families -- once protectors of justice and democracy -- now plot against one another with sharp words and sharper knives. Blinded by ambition, they remain heedless of the threat posed by the invading armies of the Hadari Empire. Yet as Tressia falls, heroes rise. Viktor Akadra is the Republic's champion. A warrior without equal, he hides a secret that would see him burned as a heretic. Josiri Trelanis Viktor's sworn enemy. A political prisoner, he dreams of reigniting his mother's failed rebellion. And yet Calenne Trelan, Josiri's sister, seeks only to break free of their tarnished legacy; to escape the expectation and prejudice that haunts the family name. As

war spreads across the Republic, these three must set aside their differences in order to save their home. Yet decades of bad blood are not easily set aside. And victory -- if it comes at all -- will demand a darker price than any of them could have imagined.

Barbarian's Hope Orbit "Perfect for fans of Rick Riordan." —Booklist
When long-dead magical creatures are discovered all around the world, each buried with a book of magic, only children can unlock the dangerous power of the books in this start to an "imaginative and exciting" (Brandon Mull, #1 New York Times bestselling author) series from the author of the New York Times bestselling *Story Thieves!* Thirteen years

ago, books of magic were discovered in various sites around the world alongside the bones of dragons. Only those born after "Discovery Day" have the power to use the magic. Now, on a vacation to Washington, DC, Fort Fitzgerald's father is lost when a giant creature bursts through the earth, attacking the city. Fort is devastated, until an opportunity for justice arrives six months later, when a man named Dr. Opps invites Fort to a government-run school, the Oppenheimer School, to learn magic from those same books. But life's no easier at the school, where secrets abound. What does Jia, Fort's tutor, know about the attacks? Why does Rachel, master of

destructive magic, think Fort is out to destroy the school? And why is Fort seeing memories of an expelled girl every time he goes to sleep? If Fort doesn't find out what's hiding within the Oppenheimer School, more attacks will come, and this time, nothing will stop them!

Are you ready for four adventure-packed fantasies from Odette C. Bell? Consisting of the complete Gladys the Guard, Agent of Light, Superheroes Don't Wear Heels, and The Witch and the Commander, this bundle is over 300,000 words of action, adventure, and romance, so dive in today and soar free with Odette C. Bell adventures. Gladys the Guard Gladys is a mild-

mannered girl, living in a mild-mannered town. Working in a local haberdashery store, she stacks pastel-colored yarns and sticks labels on jam jars. She's single, carefree, and lives with her mad grandma. The only interesting thing about her is also the saddest: Gladys is unusually good at arcade games. But when strange, yowling, terribly violent things happen in town, Gladys soon finds out she might be the only haberdashery store attendant who can stop them, and that, luckily for everyone else, her skills with plastic guns extend to the real variety. ... Agent of Light Agent Mira works for a shadowy agency called (imaginatively) the Agency. She forms part

of the line of defense between good and bad - between Heaven itself and the fiery depths of Hell. When she's plunged into fights beyond her skills, they push her straight into the arms of the Agency's finest officer, Michael. From the sudden appearance of a childlike angel, to the unwanted attention of the police, Mira won't catch a break. Good - Hell doesn't want her to. It has a plan, and Mira will fulfil it or be bled dry of every drop of her light and life. ...

Superheroes Don't Wear Heels Annie hates superheroes, a fact she will freely and loudly admit to anyone who will listen. They are a drain on public resources and give people the mistaken belief that anyone can

look good in stretch tights. If only the city spent less on keeping buffoons in capes and more on effective disaster planning, the world would be a better place.

Superheroes aren't the solution; they're the problem. Annie's so sure superheroes aren't worth the colored plastic they've been molded from, that it takes a plot of the rather epic supervillain kind to prove her wrong. It's a hard lesson to learn, and one that involves far more kabooms, pows, capes, and dashing tights-wearing men than your average reality check. But at the end of the day, a lesson's a lesson, even if it carries a shrink ray. ... The Witch and the Commander Abby is a witch; she has a

broom and a cat named Charlie. But around these parts witches aren't popular. So when she finds herself at the mercy of an ancient spell with no one to rely on but a distant man, she must count on more than her magic to survive.

Pembrake can't stand her at first. But her endearing charm and innocence soon grow on him. Dangerous, because it will drive him to protect her, and that may prove impossible.

A Quest of Heroes
(Book #1 in the *Sorcerer's Ring*) Tor Books

"A breathtaking new epic fantasy series. Morgan Rice does it again! This magical saga reminds me of the best of J.K.

Rowling, George R.R. Martin, Rick Riordan,

Christopher Paolini and J.R.R. Tolkien. I couldn't put it down!" --Allegra Skye, Bestselling author of *SAVED* From #1 Bestselling author Morgan Rice comes the debut of a dazzling new fantasy series. *A QUEST OF HEROES* (BOOK #1 IN THE *SORCERER'S RING*) revolves around the epic coming of age story of one special boy, a 14 year old from a small village on the outskirts of the Kingdom of the Ring. The youngest of four, the least favorite of his father, hated by his brothers, Thorgrin senses he is different from the others. He dreams of becoming a great warrior, of joining the King's men and protecting the Ring from the hordes of creatures on the other side of the Canyon.

When he comes of age and is forbidden by his father to try out for the King's Legion, he refuses to take no for an answer: he journeys out on his own, determined to force his way into King's Court and be taken seriously. But King's Court is rife with its own family dramas, power struggles, ambitions, jealousy, violence and betrayal. King MacGil must choose an heir from amongst his children, and the ancient Dynasty Sword, the source of all their power, still sits untouched, waiting for the chosen one to arrive. Thorgrin arrives as an outsider and battles to be accepted, and to join the King's Legion. Thorgrin comes to learn he has mysterious powers he does not understand,

that he has a special gift, and a special destiny. Against all odds he falls in love with the king's daughter, and as their forbidden relationship blossoms, he discovers he has powerful rivals. As he struggles to make sense of his powers, the king's sorcerer takes him under his wing and tells him of a mother he never knew, in a land far away, beyond the Canyon, beyond even the land of the Dragons. Before Thorgrin can venture out and become the warrior he yearns to be, he must complete his training. But this may be cut short, as he finds himself propelled into the center of royal plots and counterplots, ones that may threaten his love and bring him down—and the entire

kingdom with him. With its sophisticated world-building and characterization, A QUEST OF HEROES is an epic tale of friends and lovers, of rivals and suitors, of knights and dragons, of intrigues and political machinations, of coming of age, of broken hearts, of deception, ambition and betrayal. It is a tale of honor and courage, of fate and destiny, of sorcery. It is a fantasy that brings us into a world we will never forget, and which will appeal to all ages and genders. It is 82,000 words. Book #2 in the series, A MARCH OF KINGS, is now available, too. "Grabbed my attention from the beginning and did not let go....This story is an amazing adventure that is fast

paced and action packed from the very beginning. There is not a dull moment to be found." --Paranormal Romance Guild {regarding Turned} "Jam packed with action, romance, adventure, and suspense. Get your hands on this one and fall in love all over again." -- vampirebooksite.com (regarding Turned) "A great plot, and this especially was the kind of book you will have trouble putting down at night. The ending was a cliffhanger that was so spectacular that you will immediately want to buy the next book, just to see what happens." --The Dallas Examiner {regarding Loved} Under the Moon Bundle (witch urban fantasy) Lamentations of the
