 Manhattan Prep's All the GMAT set is an updated and expanded version of the 10-book Complete GMAT Strategy Guide Set (6th Ed). We've taken the 10 guides, consolidated them into three books, and expanded coverage of the content and strategies that will help you to get a higher score on the GMAT. Online bonus materials include 2 exclusive ebooks with harder content, an online study syllabus that tracks your progress, 6 full-length adaptive practice tests, and GMAT Navigator with full Official Guide solutions. All the GMAT comes with access to the Atlas online learning platform. Your Atlas All the GMAT study plan includes: Two exclusive e-books covering harder quant and verbal content, for those aiming for an especially high GMAT score A study syllabus, integrating reading, practice problem, and practice test assignments; we'll tell you what to do and when to do it Six full-length GMAT computer adaptive tests (CATs) Full access to Manhattan Prep's GMAT Navigator, which contains solutions for all problems in the main GMAT Official Guide book (book sold separately) from the makers of the official test Additional practice problems, interactive video lessons, strategies for time management, and more Lessons and practice problems created by expert instructors with 99th-percentile scores on the GMAT The All the GMAT book set includes three volumes: GMAT All the Quant guide GMAT All the Verbal guide GMAT Integrated Reasoning & Essay guide Executive Assessment (EA) test-takers: The IR guide is fully built out for both EA and GMAT test-takers. The All the Quant and All the Verbal guides are also effective for EA studiers; ignore the non-coordinate-plane geometry chapters in the Quant guide and study everything else. Manhattan Prep guides are the top-selling GMAT prep guides worldwide for a reason; we have the most in-depth, comprehensive, and effective materials available for GMAT studies. For an even bigger boost to your studies, check out Manhattan Prep's Self-Study Toolkit, which contains 100% of the study materials and resources that we give to students in our live courses.

 GMAT Review John Wiley & Sons
 This book is designed to be used in conjunction with the Official Guide for GMAT Review, 2015 and 13th Editions. In the Official Guide Companion, each math question is broken down and explained by our expert instructors, who not only have 99th percentile scores, but years of experience teaching the GMAT. The explanations in this book provide detailed, step-by-step approaches to every Problem Solving and Data Sufficiency question in the Official Guide. Where appropriate, The Official Guide Companion also details more than one way to arrive at the solution. And perhaps most importantly, all explanations are accessible and provide a framework for answering the particular question as well as similar questions you may see on the real test. Purchase of this book includes six months of online access to 6 full-length, computer-adaptive practice exams and GMAT

Navigator.

The NEW edition of the best-selling guide to the GMAT Test. The Official Guide to the GMAT, 13th Edition will be the first guide on the market that contains official questions from the new Integrated Reasoning component being fully integrated into the test in June 2012. Because this component is more interactive than other core components in the GMAT exam (Verbal, Quantitative, and Analytical Writing), the Integrated Reasoning practice questions will be housed on a companion website that readers will be able to access after purchasing the book*. In addition, 20% of the current questions will be replaced - all with official questions used on actual GMAT exams - more than 800 questions are included!. No other GMAT study guide can provide this. The book will publish three months before the new test is integrated and will be the only guide on the market to include study information and practice questions written by the writers of the test. *To use the Integrated Reasoning companion website, you must have one of the following browsers: Safari, Google Chrome, Firefox, or Internet Explorer version 7 or higher.
