## TRISTIAN THOMAS

---

The Mothers, Wives, and Daughters of the British Empire in India  
 Vintage

Isolde's day has come. In Ireland, her mother, the Queen, lies dying. The throne of the Emerald Isle, one of the last strongholds of the goddess, awaits her. But while Ireland is her destiny, Isolde is already Queen of Cornwall, trapped in a loveless marriage to its mean-spirited King Mark. Her true love is his nephew, Tristan of Lyonesse, who has never married, remaining faithful only to Isolde. Across the sea in France, a young princess who shares Isolde's name enters the story. King Hoel named his daughter in honor of Isolde of Ireland, and young Isolde of France has always been determined to outdo her beautiful namesake. She is a physician, too, and is called "Blanche Mains," for her white hands and healing touch. Blanche is of an age to be married, and she has chosen her husband—Tristan of Lyonesse. Her father objects,

but fate favors Blanche. King Mark has become suspicious of his wife and nephew, and when Tristan is wounded in battle, he sees a chance to separate them for good. Mark sends Tristan to France to be healed by Blanche, who makes the most of the opportunity. Tristan's letters to Isolde are intercepted, and he is told that she has given him up. Near death from his wounds, Tristan sends one last, desperate letter to Isolde by a trusted servant. He is dying, he tells her, and asks for one final sign of their love. If she can forgive him for betraying her, she must come to France in a ship set with white sails. If the ship's sails are black, however, he will know that she no longer loves him. Isolde immediately leaves for France, but when Blanche sees the white-sailed ship from the castle window, she pulls the curtains and tells Tristan that the sails are black. To her horror, he turns his face to the wall and dies. There ends the traditional medieval story of Tristan and Isolde—with betrayal, death, and grief. But the original Irish legend ends differently, and so does this book, with magic and drama as only Rosalind Miles could write it.

**In Pursuit of Archaeology's Greatest Mystery** Vintage

From earliest times, women gained access to leadership in times of conflict and proved themselves equal to the challenge of commanding during war. Women leaders abounded in the ancient world from Ireland to Israel, sometimes through the accident of birth, but often rising to power through naked opportunism and raw courage in the ranks - and it is no accident that women war leaders, like men, are often famous for their strong sexual drive. Wherever there is war, there has often been a woman at the helm. Later ages frequently wrote these women out of history, but their stories have refused to die. From the legendary leader of the Amazons who fought the greatest of Greek heroes, Achilles, to the Iron Ladies of today, the women of both West and East directing military campaigns and leading their countries in war. Presenting an array of fascinating and sometimes little known women war leaders, popular author Rosalind Miles and the acclaimed military historian Robin Cross do full justice to the achievements of these women, some of whose amazing stories have so far never been told. Warrior women include: Penthesilea the Amazons queen, Deborah, Cleopatra VII, Boudicca, Eleanor of Aquitaine, Joan of Arc, Elizabeth I, Grace O'Malley, Deborah Samson, Nadezda Durova, Harriet Tubman, Anna Etheridge, Soldaderas, Flora Sandes, Lily Litvak, Women of the Warsaw Ghetto, Hanna Reitsch, Ruth Werner, Jeanne Holm, Margaret Thatcher, Women in Today's Armies, Martha McSally and more...

*A Global History* Virago Press

A radical reinterpretation of Western civilization argues that male dominance has resulted from, and can be ended by, historical process, and identifies key developments.

#### **I, Elizabeth** Quercus

A compilation of biographical essays explores the role of women during wartime throughout history, profiling Cleopatra, Margaret Thatcher, Molly Pitcher, Tammy Duckworth, Belle Boyd, Martha Gellhorn, and Tokyo Rose, among other female participants, both notable and obscure.

#### **The Black Church** Pantheon

Mommy Hedgehog assures little Hedgie that her love is enduring, no matter what changes in this reassuring ode to the unconditional bond between a parent and child. As Hedgie and his mommy walk home through the autumn leaves, Hedgie is full of questions. Everything is changing around him—what if he changes too? Would his mommy love him more if he were different? Will her love for him ever change? But wise and patient Mommy knows just how to reassure her little hedgehog that, however he might change, her love will always stay the same. Heartwarming and tender, with charming artwork from Migy Blanco, this is the perfect gift to share and read aloud.

Ben Jonson Random House Incorporated

The instant New York Times bestseller and companion book to the PBS series. "Absolutely brilliant . . . A necessary and moving work." —Eddie S. Glaude, Jr., author of *Begin Again* "Engaging. . . . In Gates's telling, the Black church shines bright even as the nation itself moves uncertainly through the gloaming, seeking justice on earth—as it is in heaven." —Jon Meacham, *New York Times Book Review* From the New York Times bestselling author of *Stony the Road* and one of our most important voices on the African American experience comes a powerful new history of the Black church as a foundation of Black life and a driving force in the larger freedom struggle in America. For the young Henry Louis Gates, Jr., growing up in a small, residentially segregated West Virginia town, the church was a center of gravity—an intimate place where voices rose up in song and neighbors gathered to celebrate life's blessings and offer comfort amid its trials and tribulations. In this tender and expansive reckoning with the meaning of the Black Church in America, Gates takes us

on a journey spanning more than five centuries, from the intersection of Christianity and the transatlantic slave trade to today's political landscape. At road's end, and after Gates's distinctive meditation on the churches of his childhood, we emerge with a new understanding of the importance of African American religion to the larger national narrative—as a center of resistance to slavery and white supremacy, as a magnet for political mobilization, as an incubator of musical and oratorical talent that would transform the culture, and as a crucible for working through the Black community's most critical personal and social issues. In a country that has historically afforded its citizens from the African diaspora tragically few safe spaces, the Black Church has always been more than a sanctuary. This fact was never lost on white supremacists: from the earliest days of slavery, when enslaved people were allowed to worship at all, their meetinghouses were subject to surveillance and destruction. Long after slavery's formal eradication, church burnings and bombings by anti-Black racists continued, a hallmark of the violent effort to suppress the African American struggle for equality. The past often isn't even past—Dylann Roof committed his slaughter in the Mother Emanuel AME Church 193 years after it was first burned down by white citizens of Charleston, South Carolina, following a thwarted slave rebellion. But as Gates brilliantly shows, the Black church has never been only one thing. Its story lies at the heart of the Black political struggle, and it has produced many of the Black community's most notable leaders. At the same time, some churches and denominations have eschewed political engagement and exemplified practices of exclusion and intolerance that have caused polarization and pain. Those tensions remain today, as a rising generation demands freedom and dignity for all within and beyond their communities, regardless of race, sex, or gender. Still, as a source of faith and refuge, spiritual sustenance and struggle against society's darkest forces, the Black Church has been central, as this enthralling history makes vividly clear.

#### **The First Americans** Routledge

A fictional account of the life of the eleventh-century Queen Gruadh of Scotland describes how this female descendant of the country's royal line is widowed and forced to wed her husband's murderer, the warlord Macbeth.

#### **A People's History of Clothing** HarperCollins

Most of us like to look at them, but why on earth would anyone want to eat them? As Constance L. Kirker and Mary Newman show in this book, however, flowers have a long history as a tasty ingredient in a variety of cuisines. The Greeks, Romans, Persians, Ottomans, Mayans, Chinese, and Indians all knew how to cook with them for centuries, and today contemporary chefs use them to add something special to their dishes. *Edible Flowers* is the fascinating history of how flowers have been used in cooking, from ancient Greek dishes to the today's molecular gastronomy and farm-to-table restaurants. Looking at flowers' natural qualities: their unique and beautiful appearance, their pungent fragrance, and their surprisingly good taste, Kirker and Newman proffer a bouquet of dishes—from soups to stews to desserts to beverages—that use them in interesting ways. Tying this culinary history into a larger cultural one, they show how flowers' cultural, symbolic, and religious connotations have added value and meaning to dishes in daily life and special occasions. From fried squash blossoms to marigold dressings, this book rediscovers the flower not just as something beautiful but as something absolutely delicious.

#### A Novel Avery

Here, for the first time, is a collection of women's writings from all over the world, across a span of twenty-six hundred years, which speaks to the ways women have resisted oppression and the

methods they have found to gain power over their lives.

**The Lady of the Sea** Random House Books for Young Readers

The internationally bestselling author of *Who Cooked the Last Supper?* presents a wickedly witty and very current history of the extraordinary female rebels, reactionaries, and trailblazers who left their mark on history from the French Revolution up to the present day. Now is the time for a new women's history—for the famous, infamous, and unsung women to get their due—from the Enlightenment to the #MeToo movement. Recording the important milestones in the birth of the modern feminist movement and the rise of women into greater social, economic, and political power, Miles takes us through through a colorful pageant of astonishing women, from heads of state like Empress Cixi, Eugenia Charles, Indira Gandhi, Jacinda Ardern, and Ellen Johnson Sirleaf to political rainmakers Kate Sheppard, Carrie Chapman Catt, Anna Stout, Dorothy Height, Shirley Chisholm, Winnie Mandela, STEM powerhouses Jocelyn Bell Burnell, Rosalind Franklin, Sophia Kovalevskaya, Marie Curie, and Ada Lovelace, revolutionaries Olympe de Gouges, Harriet Tubman, Sojourner Truth, Patyegarang, and writer/intellectuals Mary Wollstonecraft, Simon de Beauvoir, Elaine Morgan, and Germaine Greer. Women in the arts, women in sports, women in business, women in religion, women in politics—this is a one-stop roundup of the tremendous progress women have made in the modern era. A

testimony to how women have persisted—and excelled—this is a smart and stylish popular history for all readers.

*This Is Our Story, This Is Our Song* Crown

Presents the history of the world from a feminine point of view, discussing women's roles in the history and development of the world.

*Race, Reproduction, and the Meaning of Liberty* Crown

Questioning the constituents of manhood, the book traces the stages of man's life in an analysis of the ordeals and rituals of the male. The author draws on history, literature, psychology and science as well as interviews with men to understand the roots of male aggression.

**The Knight of the Sacred Lake** Crown

A collection of speeches and writings by political activist Angela Davis which address the political and social changes of the past decade as they are concerned with the struggle for racial, sexual, and economic equality.

Love You Always Crown

Camelot--a vibrant pageant of love, heartbreak, hatred, jealousy, revenge, and desire--as seen through the eyes of its queen, Guenevere Raised in the tranquil beauty of the Summer Country, Princess Guenevere has led a charmed and contented life, until the sudden, violent death of her mother, Queen Maire, leaves the Summer Country teetering on the brink of anarchy. Only the miraculous arrival of Arthur, heir to the Pendragon dynasty, allows Guenevere to claim her mother's throne. Smitten by the bold, sensuous princess, Arthur offers to marry her and unite their territory while still allowing her to rule in her own right. Their love match creates the largest and most powerful kingdom in the Isles. Arthur's glorious rule begins to crumble, however, when he is reunited with his mother and his long-lost half-sisters, Morgause and Morgan. Before Arthur's birth, his father--the savage and unscrupulous King Uther--banished his wife's young daughters, selling Morgause into a cruel marriage and imprisoning Morgan in a far-off convent. Both daughters will avenge their suffering, but it is Morgan who strikes the deadliest blows against the King and Queen, using her evil enchantments to destroy all Guenevere holds dear. When the Queen flees to Avalon, Morgan casts a spell on Arthur and seduces him. In the chaos that follows his betrayal, Arthur sends a new courtier to protect Guenevere, the young French knight Lancelot. Her loyalty to Arthur already destroyed, Guenevere falls in love with Lancelot, a love that may spell ruin for Camelot.

*The Women's History of the World* Random House

The final thrilling chapter in the Tristan and Isolde trilogy . . . Isolde, heir to the throne of the queens, is now a sovereign in her own right. With the glories of the throne comes the responsibility of a queen, and Isolde knows she must return to her beloved Western Isle. She can no longer tolerate her marriage to King Mark of Cornwall, a marriage she has accepted for years in order to save her country from the threat of war and to be near her only love, Mark's nephew Tristan of Lyonesse. King Mark, always cowardly and spiteful, is too heavily influenced by his monks and counselors, who loathe the powerful and independent Isolde. And so she leaves Cornwall for good and comes home to Ireland, where her lords face a growing threat from the warlike Picti, who live in the barren highlands to the north of England. The Picti have a bold new king, Darath, who is determined to take the riches of Ireland for his own people, whether by war or by marriage with Isolde. Isolde gathers her armies to confront the Picti and faces a violent conflict as well with King Mark, who vows he will not let a prize like Isolde, and Ireland, slip from his grasp. Isolde is last in a line of famous warrior queens who have guarded Ireland from time before memory, and now she—and her knight, Tristan—must play out their fate and face her enemies in

a final battle, a war that could spell ruin for them both.

**Making Our Way Home** Doubleday

For readers of Paula McLain, Nancy Horan, and Melanie Benjamin, this captivating novel is inspired by a little-known interlude in the artist's life. "A tasty blend of romance, mystery, and French cooking."--Margaret Atwood, via Twitter The French Riviera, spring 1936: It's off-season in the lovely seaside village of Juan-les-Pins, where seventeen-year-old Ondine cooks with her mother in the kitchen of their family-owned Café Paradis. A mysterious new patron who's slipped out of Paris and is traveling under a different name has made an unusual request--to have his lunch served to him at the nearby villa he's secretly rented, where he wishes to remain incognito. Pablo Picasso is at a momentous crossroads in his personal and professional life--and for him, art and women are always entwined. The spirited Ondine, chafing under her family's authority and nursing a broken heart, is just beginning to discover her own talents and appetites. Her encounter with Picasso will continue to affect her life for many decades onward, as the great artist and the talented young chef each pursue their own passions and destiny. New York, present day: Céline, a Hollywood makeup artist who's come home for the holidays, learns from her mother, Julie, that Grandmother Ondine once cooked for Picasso. Prompted by her mother's enigmatic stories and the hint of more family secrets yet to be uncovered, Céline carries out Julie's wishes and embarks on a voyage to the very town where Ondine and Picasso first met. In the lush, heady atmosphere of the Côte d'Azur, and with the help of several eccentric fellow guests attending a rigorous cooking class at her hotel, Céline discovers truths about art, culture, cuisine, and love that enable her to embrace her own future. Featuring an array of both fictional characters and the French Riviera's most famous historical residents, set against the breathtaking scenery of the South of France, *Cooking for Picasso* is a touching, delectable, and wise story, illuminating the powers of trust, money, art, and creativity in the choices that men and women make as they seek

a path toward love, success, and joie de vivre. Praise for *Cooking for Picasso* "Intrigue, art, food, and deception are woven together in a tale of love and betrayal around the life and legacy of Picasso. Touching and true, this well-written narrative made me long for my mother's coq au vin and for the sun of Juan-les-Pins."--Jacques Pépin, chef, TV personality, author

**The Female Form** Random House Trade Paperbacks

Here, archaeologically documented, is the story of the religion of the Goddess. Under her, women's roles were far more prominent than in patriarchal Judeo-Christian cultures. Stone describes this ancient system and, with its disintegration, the decline in women's status.

**His Craft and Art** Vintage

A piercing epistolary novel, *The Antagonist* explores, with wit and compassion, how the impressions of others shape, pervert, and flummox both our perceptions of ourselves and our very nature. Gordon Rankin Jr., aka "Rank," thinks of himself as "King Midas in reverse"—and indeed misfortune seems to follow him at every turn. Against his will and his nature, he has long been considered—given his enormous size and strength—a goon and enforcer by his classmates, by his hockey coaches, and, not least, by his "tiny, angry" father. He gamely lives up to their expectations, until a vicious twist of fate forces him to flee underground. Now pushing forty, he discovers that an old, trusted friend from his college days has published a novel that borrows freely from the traumatic events of Rank's own life. Outraged by this betrayal and feeling cruelly misrepresented, he bashes out his own version of his story in a barrage of e-mails to the novelist that range from funny to furious to heartbreaking. With *The Antagonist*, Lynn Coady demonstrates all of the gifts that have made her one of Canada's most respected young writers. Here she gives us an astonishing story of sons and fathers and mothers, of the rewards and betrayals of male friendship, and a large-spirited, hilarious, and exhilarating portrait of a man tearing his life apart in order to put himself back together. This ebook edition includes a Reading Group Guide.
