“One of the most
satisfying accounts of a
great passion that I have
ever read.” —Vivian
Gornick, New York Times
Book Review Mary Norris,
The New Yorker’s Comma
Queen and best-selling
author of *Between You &*

Me, has had a lifelong
love affair with words. In
Greek to Me, she delivers
a delightful paean to the
art of self-expression
through accounts of her
solo adventures in the
land of olive trees and
ouzo. Along the way,
Norris explains how the
alphabet originated in
Greece, makes the case
for Athena as a feminist
icon, and reveals the
surprising ways in which
Greek helped form

English. Greek to Me is
filled with Norris’s
memorable encounters
with Greek words, Greek
gods, Greek wine—and
more than a few Greek
men.

Big Grammar Book W. W. Norton & Company LeapFrog and Scholastic have teamed up to create innovative and engaging learning books for children ages 0-6! With touch-and-feel elements, pop-ups, and pull-tabs on every page, this interactive book featuring LeapFrog characters gives

preschoolers a multi-sensory way to learn the alphabet! On the left hand side of the last spread, there is a search-and-find game. The right hand side holds a large envelope containing an alphabet wall frieze and a parent guide. This book was developed in association with early learning specialists at LeapFrog and at Scholastic. *Greek to Me: Adventures of the Comma Queen* Priddy Books US Help your child learn the alphabet with this unique early learning book from

Roger Priddy, *Alphaprints: Trace, Write, and Learn ABC*. A highly effective book that can be used time and time again on many levels to make learning letters fun. Inside, each left-hand page has grooved letter shapes for children to follow with their fingertips—a tactile, sensory way to learn each letter that creates a memory trace. They can put this memory trace into practice by picking up the wipe-clean pen that comes with the book, and using it to trace over and

copy the letter outlines on the right-hand, wipe-clean pages. Roger Priddy's Alphaprints are perfect read-aloud books for parents to share with their children and a fun way to help them learn.

 Have you learned your colors and shapes? Now it's time to learn patterns! Stripes, polka dots, plaid, chevron, and more are featured in this first-ever patterns concept book that provides readers with the vocabulary to name what they see in the world around them. The ten most prevalent patterns are presented first as a single element (This is a circle ...), then as a

pattern (... a lot of circles make polka dots!). Conceived by educators and illustrated in vivid candy-colored hues, this pitch-perfect introduction to patterns will engage the artistic, mathematical, and linguistic parts of every young child's mind.

 Alphabet Anatomy's innovative rhyming verses and unique illustrations instruct on letter sound, recognition, AND how to write the letter, thus its anatomy. Thoroughly

entertaining, each letter's heartwarming personality and characteristics will engage and delight children as they discover what the letters do behind the scenes when they're not busy making words. The letters know that the journey to reading is inherently complex, and mastery of these essential skills is absolutely vital for future success. In Alphabet Anatomy, the letters love to share their lives, and their highest aspiration is that each child who meets them will embrace this wondrous

journey, and develop a life-long love for not only reading but writing as well. Alphabet Anatomy teaches full understanding of the alphabet, that is, the four inter-connected components: 1. Letter shape knowledge or recognition; 2. Letter name knowledge; 3. Letter sound knowledge; 4. Letter writing ability. In addition, Alphabet Anatomy utilizes the four core elements which extensive research has proven effectively teach reading and provide a

solid and effective foundation for proficient reading in later years: 1. Phonological awareness; 2. Letter identification; 3. Vocabulary development; 4. Recall and retell sentences and stories.
