 NATIONAL
 BESTSELLER •
 For anyone
 who wants to
 learn a foreign
 language, this
 is the method
 that will finally
 make the
 words stick.
 “A brilliant
 and
 thoroughly
 modern guide
 to learning
 new
 languages.”—
 Gary Marcus,

cognitive
 psychologist
 and author of
 the New York
 Times
 bestseller
 Guitar Zero At
 thirty years
 old, Gabriel
 Wyner speaks
 six languages
 fluently. He
 didn’t learn
 them in
 school—who
 does? Rather,
 he learned
 them in the
 past few
 years, working
 on his own
 and practicing
 on the
 subway, using
 simple
 techniques
 and free
 online
 resources—an
 d here he
 wants to show
 others what

he’s
 discovered.
 Starting with
 pronunciation,
 you’ll learn
 how to rewire
 your ears and
 turn foreign
 sounds into
 familiar
 sounds. You’ll
 retrain your
 tongue to
 produce those
 sounds
 accurately,
 using tricks
 from opera
 singers and
 actors. Next,
 you’ll begin to
 tackle words,
 and connect
 sounds and
 spellings to
 imagery
 rather than
 translations,
 which will
 enable you to
 think in a
 foreign

language. And with the help of sophisticated spaced-repetition techniques, you'll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day.

Richard Nongard's Big Book of Hypnosis Scripts OUP

Oxford English File's unique, lively and enjoyable lessons are renowned for getting students talking. In fact, 90% of English File teachers we surveyed in our impact study found that the course improves students' speaking skills. communication and language practice than ever before, helping students develop relevant communication skills they

can use immediately in the workplace. *English File 4E Elementary Student Book* Harmony The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions

questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the

nature of the relationship between you and your clients, colleagues and the courts. *American English File* Oxford University Press A modern script book, with scripts based on Contextual Psychology, giving you tools for manifesting real change. These scripts are designed to draw on multiple tools such as NLP (Neuro-Linguistic Programming), ACT Therapy,

Mindfulness Meditation, Direct Suggestion, Indirect suggestion and integration of hypnotic phenomena with contextual psychology. There are scripts for medical hypnosis applications, scripts for habit and lifestyle issues, and scripts to meet your clients' metaphysical needs or needs for self-improvement. There are also scripts for Guided

Mindfulness Meditation sessions. This incredible book contains 65 complete hypnosis scripts for professional hypnotherapy. **Tech Talk** Ballantine Books English File's unique, lively and enjoyable lessons are renowned for getting students talking. creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they

simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being

managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicatin

g in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their

work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide*

“Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together* *English File 4E Intermediate Plus Student Book* McGraw Hill Professional Inside Listening and Speaking Level 2 Student Book Oxford University Press, USA *Tactics for*
