MARELI PAOLA

Underground Univ of South Carolina Press
 In December 2010, Julian Assange signed a contract with Canongate Books to write a book – part memoir, part manifesto – for publication the following year. At the time, Julian said: ‘I hope this book will become one of the unifying documents of our generation. In this highly personal work, I explain our global struggle to force a new relationship between the people and their governments.’ In the end, the work was to prove too personal. Despite sitting for more than fifty hours of taped interviews and spending many late nights at Ellingham Hall (where he was living under house arrest) discussing his life and the work of WikiLeaks with the writer he had enlisted to help him, Julian became increasingly troubled by the thought of publishing an autobiography. After reading the first draft of the book at the end of March, Julian declared: ‘All memoir is prostitution.’ In June 2011, with thirty-eight publishing houses around the world committed to releasing the book, Julian told us he wanted to cancel his contract. We disagree with Julian’s assessment of the

book. We believe it explains both the man and his work, underlining his commitment to the truth. Julian always claimed the book was well written; we agree, and this also encouraged us to make the book available to readers. And the contract? By the time Julian wanted to cancel the deal he had already used the advance money to settle his legal bills. So the contract still stands. We have decided to honour it – and to publish. This book is the unauthorised first draft. It is passionate, provocative and opinionated – like its author. It fulfils the promise of the original proposal and we are proud to publish it. Canongate Books, September 2011

Nothing to be Frightened Of Swoon Reads

The Perpetual Orgy is Mario Vargas Llosa's brilliant analysis of Gustav Flaubert's masterpiece *Madame Bovary*. In this remarkable book, "we not only enjoy a dazzling explication, but experience a master discoursing at the top of his form on the craft of the novel" (Robert Taylor, *The Boston Globe*). It is a tribute to *The Perpetual Orgy* that it sends the reader back to Flaubert's work with renewed interest.

The History of Love: A Novel New York Review of Books

The bestselling, Booker Prize-winning author of *The Sense of an Ending* delivers “a remarkably original and subtle book” (*The New*

York Review of Books) about the nature of love and jealousy. At the start of this fiendishly comic and suspenseful novel, a mild-mannered English academic chuckles as he watches his wife commit adultery. The action takes place before she met him. But lines between film and reality, past and present become terrifyingly blurred in this sad and funny tour de force from the author of *Flaubert's Parrot*.

World War II from Above Simon and Schuster

The bestselling, Booker Prize-winning author of *The Sense of an Ending* traces the life of a seemingly ordinary woman with an extraordinary disdain for wisdom in this “marvelous literary epiphany” (*The New York Times Book Review*). In this wonderfully provocative novel, Barnes follows Jean Serjeant from her childhood in the 1920s to her flight into the sun in the year 2021, confronting readers with the fruits of her relentless curiosity: pilgrimages to China and the Grand Canyon; a catalogue of 1940s sexual euphemisms; and a glimpse of technology in the twenty-first century (when *The Absolute Truth* can be universally accessed). Elegant, funny and intellectually subversive, *Staring at the Sun* is Julian Barnes at his most dazzlingly original.

Cemetery Boys John Wiley & Sons

Suelette Dreyfus and her co-author, WikiLeaks founder Julian Assange, tell the extraordinary true story of the computer underground, and the bizarre lives and crimes of an elite ring of international hackers who took on the establishment. Spanning three continents and a decade of high level infiltration, they created chaos amongst some of the world's biggest and most powerful organisations, including NASA and the US military. Brilliant and obsessed, many of them found themselves addicted to hacking and phreaking. Some descended into drugs and madness, others ended up in jail. As riveting as the finest detective novel and meticulously researched, *Underground* follows the hackers through their crimes, their betrayals, the hunt, raids and investigations. It is a gripping tale of the digital underground.

Julian Canongate Books

An expatriate is beset by dark temptations in this tale by the author of *The Talented Mr. Ripley*: “Her best novel” (*The New Yorker*). Set in Tunisia in the mid-1960s, this is the story of Howard Ingham, an American writer who has gone abroad to gather material for a movie too sordid to be set in America. Ingham is cool toward the girlfriend he left behind in New York—but his feelings start to change when she doesn't answer his increasingly aggravated letters, and the filmmaker who hired Ingham fails to show in Tunisia. Amid the tea shops and alleys of the souk, the sun-blasted architecture, and the beaches and hotels frequented by international tourists, Ingham tries to pass the time by working on a writing project. But a series of peculiar events—a hushed-up murder, a vanished corpse, secret broadcasts to the Soviet Union—will pull him in, and may finally put his increasingly fragile sense of morality to the test. “Highsmith's finest novel.” —Graham Greene, author of *The Quiet American* “Her books have stylistic texture, psychological depth, mesmeric readability.” —*The Sunday Times*

The Wiley Blackwell Companion to Contemporary British and Irish Literature Vintage

Fire Hides Everywhere is a speculative fiction novel exploring a question central to identity: do we exist beyond our subject positions? Following an apocalypse in which all except those just born or about to die disappeared, Julian Feeld's novel sets out to explore the eternal Buddhist question: “Who is born? Who dies?” As the young are left to define their 'selves' untethered, an old man begins to enlist them as placeholders for those no longer present. When he suffers a violent stroke and loses his capacities as a caregiver, he continues to operate structurally in the lives of

the young people left to fend for themselves, begging the question: do structures live on beyond the lives of those inhabiting them?

Invaluable wisdom on living a good life from one of the Enlightenment's greatest philosophers David Hume (1711–1776) is perhaps best known for his ideas about cause and effect and his criticisms of religion, but he is rarely thought of as a philosopher with practical wisdom to offer. Yet Hume's philosophy is grounded in an honest assessment of nature—human nature in particular. *The Great Guide* is an engaging and eye-opening account of how Hume's thought should serve as the basis for a complete approach to life. In this enthralling book, Julian Baggini masterfully interweaves biography with intellectual history and philosophy to give us a complete vision of Hume's guide to life. He follows Hume on his life's journey, literally walking in the great philosopher's footsteps as Baggini takes readers to the places that inspired Hume the most, from his family estate near the Scottish border to Paris, where, as an older man, he was warmly embraced by French society. Baggini shows how Hume put his philosophy into practice in a life that blended reason and passion, study and leisure, and relaxation and enjoyment. *The Great Guide* includes 145 Humean maxims for living well, on topics ranging from the meaning of success and the value of travel to friendship, facing death, identity, and the importance of leisure. This book shows how life is far richer with Hume as your guide.

The Tremor of Forgery John Hunt Publishing

From the bestselling, Booker Prize-winning author of *The Sense of an Ending* comes an elegant triptych of history, fiction, and memoir—a “wise, funny, and devastating ... discourse on love and sorrow” (*The New York Times Book Review*). In this “deeply stirring” book (*The Boston Globe*), Julian Barnes writes about ballooning and photography, love and grief; about putting two things, and two people, together, and tearing them apart; and enduring after the incomprehensible loss of a loved one. Powerfully rendered, exquisitely crafted in Barnes's erudite style, this searing work confirms the author as an unparalleled magus of the heart.

Staring at the Sun Vintage Canada

This enduring classic is “a book which, no matter how many readers it will ever have, will never have enough” (Ernest Hemingway).

THE WILEY BLACKWELL COMPANION TO CONTEMPORARY BRITISH AND IRISH LITERATURE An insightful guide to the exploration of modern British and Irish literature The Wiley Blackwell Companion to Contemporary British and Irish Literature is a must-have guide for anyone hoping to navigate the world of new British and Irish writing. Including modern authors and poets from the 1960s through to the 21st century, the Companion provides a thorough overview of contemporary poetry, fiction, and drama by some of the most prominent and noteworthy writers. Seventy-three comprehensive chapters focus on individual authors as well as such topics as Englishness and identity, contemporary Science Fiction, Black writing in Britain, crime fiction, and the influence of globalization on British and Irish Literature. Written in four parts, *The Wiley Blackwell Companion to Contemporary British and Irish Literature* includes comprehensive examinations of individual authors, as well as a variety of themes that have come to define the contemporary period: ethnicity, gender, nationality, and more. A thorough guide to the main figures and concepts in contemporary literature from Britain and Ireland, this two-volume set: Includes studies of notable figures such as Seamus Heaney and Angela Carter, as well as more recently influential writers such as Zadie Smith and Sarah Waters. Covers topics such as

LGBT fiction, androgyny in contemporary British Literature, and post-Troubles Northern Irish Fiction Features a broad range of writers and topics covered by distinguished academics Includes an analysis of the interplay between individual authors and the major themes of the day, and whether an examination of the latter enables us to appreciate the former. The Wiley Blackwell Companion to Contemporary British and Irish Literature provides essential reading for students as well as academics seeking to learn more about the history and future direction of contemporary British and Irish Literature.

Metroland Vintage Canada

With the same brilliant style and idiosyncratic intelligence that have marked all his novels—and with a bold grasp of intricate political realities—Julian Barnes's ironic glance turns home.

Letters from London takes in everything from Lloyd's of London's demise to Maggie's majesty to Salman Rushie's death sentence. Formidably articulate and outrageously funny, Letters from London is international voyeurism at its best—a peek into the British mindset from the vantage point of one of the most erudite and witty British minds.

The Penguin Book of Modern British Short Stories Vintage

A trans boy determined to prove his gender to his traditional Latinx family summons a ghost who refuses to leave in Aiden Thomas's New York Times–bestselling paranormal YA debut *Cemetery Boys*, described by Entertainment Weekly as "groundbreaking." Yadriel has summoned a ghost, and now he can't get rid of him. When his traditional Latinx family has problems accepting his true gender, Yadriel becomes determined to prove himself a real brujo. With the help of his cousin and best friend Maritza, he performs the ritual himself, and then sets out to find the ghost of his murdered cousin and set it free. However, the ghost he summons is actually Julian Diaz, the school's resident bad boy, and Julian is not about to go quietly into death. He's determined to find out what happened and tie off some loose ends before he leaves. Left with no choice, Yadriel agrees to help Julian, so that they can both get what they want. But the longer Yadriel spends with Julian, the less he wants to let him leave. Praise for *Cemetery Boys*: Longlisted for the National Book Award "The novel perfectly balances the vibrant, energetic Latinx culture while delving into heavy topics like LGBTQ+ acceptance, deportation, colonization, and racism within authoritative establishments." —TeenVogue.com "This stunning debut novel from Thomas is detailed, heart-rending, and immensely romantic. I was bawling by the end of it, but not from sadness: I just felt so incredibly happy that this queer Latinx adventure will get to be read by other kids. *Cemetery Boys* is necessary: for trans kids, for queer kids, for those in the Latinx community who need to see themselves on the page. Don't miss this book." —Mark Oshiro, author of *Anger is a Gift*

Macmillan

She let him kiss her in a special way. Is this the man that she had been destined to meet? It happened the night of a masquerade ball when a twenty-three-year-old Molly was given a special kiss. The only thing she could see in the dark was a ring on his finger, Garrett's ring! Convinced that Garrett is the man she was destined to be with, she goes to his brother, Julian, asking him to teach her how to seduce a man. Julian suggests attracting his brother's attention by having Molly pretend to be his girlfriend. Maybe it will work - the notorious playboy should know. But she never thought she'd end up living with Julian, who is the first person that she had ever fallen in love with.

Staring at the Sun Penguin Group

Staring at the Sun charts the life of Jean Serjeant, from her beginning as a naive, carefree country girl before the war through to her wry and trenchant old age in the year 2020. We

follow her bruising experience in marriage, her probing of male t

Fire Hides Everywhere Farrar, Straus and Giroux

Richard Feynman once quipped that "Time is what happens when nothing else does." But Julian Barbour disagrees: if nothing happened, if nothing changed, then time would stop. For time is nothing but change. It is change that we perceive occurring all around us, not time. Put simply, time does not exist. In this highly provocative volume, Barbour presents the basic evidence for a timeless universe, and shows why we still experience the world as intensely temporal. It is a book that strikes at the heart of modern physics. It casts doubt on Einstein's greatest contribution, the spacetime continuum, but also points to the solution of one of the great paradoxes of modern science, the chasm between classical and quantum physics. Indeed, Barbour argues that the holy grail of physicists--the unification of Einstein's general relativity with quantum mechanics--may well spell the end of time. Barbour writes with remarkable clarity as he ranges from the ancient philosophers Heraclitus and Parmenides, through the giants of science Galileo, Newton, and Einstein, to the work of the contemporary physicists John Wheeler, Roger Penrose, and Steven Hawking. Along the way he treats us to enticing glimpses of some of the mysteries of the universe, and presents intriguing ideas about multiple worlds, time travel, immortality, and, above all, the illusion of motion. *The End of Time* is a vibrantly written and revolutionary book. It turns our understanding of reality inside-out.

Less Than Zero Open Road + Grove/Atlantic

From the New York Times bestselling author of *The Devil Wears Prada*, a compulsively readable novel about a woman whose struggling singer-songwriter husband is catapulted to fame, dragging them both onto the pages of celebrity gossip magazines—and changing their marriage forever. Brooke loved reading the dishy celebrity gossip rag *Last Night*. That is, until her marriage became a weekly headline... For five years, she's worked two jobs to support her husband's dream of making it in the music world. Finally, after countless gigs at Manhattan dive bars and toiling as an A&R intern, the soulful, enigmatic Julian Alter gets signed by Sony, where he logs long hours in the recording studio with no promise of success. But when he is invited to perform on a national late-night talk show, he is catapulted to stardom—literally overnight. At first the newfound fame is fun—who wouldn't want to stay at the Chateau Marmont or love being treated like rock royalty? But as Brooke's sweet husband becomes increasingly absent and tabloid rumors swirl, Brooke begins to question the truth about their marriage and is forced to finally come to terms with what she thinks she wants—and what she actually needs.

Arthur & George Vintage Canada

From the bestselling, Booker Prize-winning author of *The Sense of an Ending*, his first collection of short stories explores the vast divide between England and France. • "A witty, playful and ironic writer at the top of his form." —San Francisco Chronicle In this collection, Barnes explores the narrow body of water containing the vast sea of prejudice and misapprehension which lies between England and France with acuity, humor, and compassion. For whether Barnes's English characters come to France as conquerors or hostages, laborers, athletes, or aesthetes, what they discover, alongside rich food and barbarous sexual and religious practices, is their own ineradicable Englishness. The ten stories that make up *Cross Channel* introduce us to a plethora of intriguing, original, and sometimes ill-fated characters. Elegantly conceived and seductively written, *Cross Channel* is further evidence of Barnes's wizardry.

The Perpetual Orgy Scribe Publications

This anthology is in many ways a 'best of the best', containing gems from thirty-four of Britain's outstanding contemporary writers. It is a book to dip into, to read from cover to cover, to lend to friends and read again. It includes stories of love and crime, stories touched with comedy and the supernatural, stories

set in London, Los Angeles, Bucharest and Tokyo. Above all, as you will discover, it satisfies Samuel Butler's anarchic pleasure principle: 'I should like to like Schumann's music better than I do; I daresay I could make myself like it better if I tried; but I do not like having to try to make myself like things; I like things that make me like them at once and no trying at all ...'
