A Working Woman's Notes on Work, Life and Leadership Penguin Books India

Drawing upon the archival material of the State Bank of India, which include some of the most extensive primary sources available on joint stock banking in India, this book, the final volume in the trilogy on the evolution of the State Bank of India, is a narrative history of the Imperial Bank of India from 1921 to 1955. The book documents with precision and rare candour the initial setbacks and subsequent rise of the Imperial Bank during a critical political and economic phase that spanned the Great Depression, World War II and post-Independence India, as also the corresponding development of industries in India with which the Imperial Bank was closely associated. It also briefly profiles the Reserve Bank of India, which was established in 1935 in order to take over the quasi-central functions of the Imperial Bank.

This revised and updated edition of *Managing Indian Banks: The*

Challenges Ahead equips the senior and middle management of banks/financial institutions in dealing with extremely complex issues that have emerged in the post sub prime lending crisis. Highlighting the way organisations can develop systems in a proactive manner to deal with the myriad problems facing them, this book focuses on - major technological changes in the banking sector; - risk management; - integrating click and brick banking services; and - problems and solutions with regard to banks' balance sheet, corporate planning, corporate personnel and e-banking. The authors argue that overcoming these challenges is the key to acquiring competitive advantages and developing a sound market for financial services. This book would be helpful for the students of banking, financial management and bank management.

Banking For DSSSB PGT Commerce Examination Pearson Education India

Of Small Towns, Big Dreams and Greater Achievements Growing up in the sleepy towns of Bhilai and Bokaro, Arundhati Bhattacharya never imagined that one day she would go on to

chair India's largest bank. It was sheer chance that she came to know of the bank probationary officers' entrance examination through a friend. She applied, was selected and went on to have a glorious banking career spanning four decades. Indomitable is the story of Arundhati's life as a banker and the challenges she faced in a male-dominated bastion. She takes the reader through her childhood and early education in the 1960s, getting to Kolkata for her college education and then into the State Bank of India (SBI), where she started her career. The life of a woman banker with a family in a frequently transferrable job isn't easy. In Arundhati's life, too, there were breaking points when she almost thought of quitting her career to balance her personal aspirations with her family's needs. But she didn't give up. Instead, she faced her challenges with humour and positivity and took up every assignment as a new chapter in learning and adapting. In her role as the chairman of SBI, she steered the bank through some of its worst phases. She inspired confidence in the banking sector when the NPA crises led to a significant public-trust deficit. Under her leadership, SBI metamorphosed into a customer-centric and digitally advanced bank while playing a pivotal role in national development. Some of her human resources initiatives included industry-first practices that were appreciated and later adopted by other banks. Candid, lucid and humble, Indomitable is a story that will galvanize you to embrace challenges, break barriers, push forward and achieve greater heights.

The Evolution of the State Bank of India SAGE Publications Pvt. Limited

The present book examines the impact of Financial Reforms on the working of banking sector in general and Public Sector Banks in particular. In addition to assess multi-dimensional trend of banking sector, it examines the impact of Deregulation Policies on the Management of bank's resources. The book identifies many critical issues like determinants of Non-performing Assets, Profitability productivity of banks, mismatch of assets and liabilities and services rendered by banks particularly in the backward regions. The treatise embodies in it inter-intra banks and inter-intra regional, districts level variations. To encounter the objectives, appropriate hypothesis have been framed, statistical and financial techniques have been used to testify, the nature and problems of Public Sector vis-à-vis Private Sector and foreign banks. This book runs into ten chapters encompassing into

different aspects of bank's performances with critical assessment in the context of reform package. The book will meet the growing interest of students, researchers, scholars, policymakers and general readers. It may be used as textbook for B.Com, B.B.A., M.B.A.; M.F.M. and M.A. (Eco.), M.Sc. (Eco.) courses.

Case Digest on Insolvency and Bankruptcy Code, 2016 SBPD Publications

He was silently managing the crisis in India's banking sector then. Now he shares these stories in his memoir. It began from a modest house in one of the narrowest lanes of the old city of Meerut. From being a probationary officer in the State Bank of India (SBI) in 1980 to its Chairman in 2017, Rajnish Kumar had an amazingly interesting journey in which he saw the many changes in India's banking sector that greatly impacted the country and its economy. As the Chairman of SBI, Kumar recounts, his term was rather momentous as the period-from 2017 to 2020-during which he shouldered this responsibility was rather unique under any circumstances. The Indian banking sector was going through one of its most tumultuous phases. The problem of non-performing loans (NPLs) had severely impacted the balance sheet and profitability of banks, especially those in the public sector. In the aftermath of demonetization, the YES Bank fiasco, the crisis in Jet Airways and NPLs, among others, The Custodian of Trust is a candid memoir by the former Chairman of India's largest commercial bank. Anecdotal, engaging and evocative, this book is an unputdownable memoir of a former banker.

Reserve Bank of India Bulletin SBPD Publications

The previous editions of this book were best-sellers and very well received by aspirants of Limited Insolvency Examination and Insolvency Professionals. This edition is a thoroughly revised one with finer and sharper case analysis. This book is a guide to a quick understanding of the Case Laws pertaining to the Insolvency and Bankruptcy Code, 2016 under the Limited Insolvency Examination syllabus effective from 1st July 2019. The book provides case analysis of 59 cases in a simplified manner followed by summary of cases in a tabular format for easy and better recall. The revisionary exercises will help aspirants to remember case laws with reference to the issues and the decisions therein. The book contains Multiple Choice Questions based on the case analysis specially designed for preparing to give the Limited Insolvency Examination. The book also contains

10 practice exams at the end to reinforce the aspirant's knowledge and help crack the examination. Based on the feedback received from aspirants, the book also contains a tabular presentation of section-wise reference of cases and vice versa.

Often holding monopolistic or oligopolistic positions, these state-owned enterprises (SOEs) are among the largest employers in both countries and have activities across vast geographical areas as they are expanding into the global market.--Back Cover.

Public Sector Banks in India Disha Publications

This book continues the discussion on recent developments relating to ethical and sustainable issues in accounting & finance from Ethics and Sustainability in Accounting and Finance, Volume I. Accounting is often seen as a technical discipline that records, classifies and reports financial transactions. However, since the financial information produced concerns all interest groups both within and outside the enterprise, accounting also has social characteristics and involves multi-faceted duties and responsibilities. As such, in addition to basic principles and accepted rules and standards in the field, this book focuses on the ethical aspects and fundamentals of this profession that accountants should also take into consideration, as this is the only way to build and preserve society's confidence in accounting and increase its social credibility.
