Jesus and John Wayne: How White Evangelicals Corrupted a Faith and Fractured a Nation Artisan Books

In John, the second volume in the St. Andrew's Expository Commentary series, Dr. Sproul deals with major themes in his easily understandable style. Readers will find invaluable insights into the goals John had in writing his Gospel, the background for Jesus' time, and the meanings of some of John's most difficult passages. This introduction to the Gospel of John is packed with insights and exhortations that will draw the reader closer to the Savior and encourage him or her to a greater depth of love and

devotion to Him.

Lord John and the Brotherhood of the Blade St. Martin's Press
In this major, paradigm-shifting commentary on Revelation, internationally respected author Francis Moloney brings his keen narrative and exegetical work to bear on one of the most difficult, mysterious, and misinterpreted texts in the biblical canon. Challenging the assumed consensus among New Testament scholars, Moloney reads Revelation not as an exhortation to faithfulness in a period of persecution but as a celebration of the ongoing effects of Jesus's death and resurrection. Foreword by Eugenio Corsini.

The Intern's Handbook Reformation Trust Publishing
War has erupted in the Banished Lands as the race for power intensifies. Corban flees his homeland searching for peace, but he soon discovers that there is no haven in the west as the agents of Rhin and roaming bands of giants hound his every step. Veradis leaves the battleground and rushes to his King's side. But he has witnessed both combat and betrayal and his duty weighs heavily upon him. Maquin seeks only revenge, but pirate slavers and the brutal world of pit-fighting stand in his way. Nathair becomes embroiled in the wars of the west as Queen Rhin marches against King Owain. The need to find the cauldron of the giants drives him on. Sides are chosen and oaths will be fulfilled or broken in a land where hell has broken loose.

The Book of John (2020 edition) BroadStreet Publishing Group LLC
A comprehensive guide to understanding the complexities of the shoulder and treating shoulder injury and pain The area of the body we commonly refer to as "the shoulder" is in fact a complex of interconnected systems--bones, tendons, muscle, and joints

that together work to move our arms, hands, and fingers. Because the shoulder must trade stability for mobility, it is also one of the weakest joints of the body, which explains why it is one of the most common areas of physical pain; injury located in the shoulder can affect areas throughout the entire body. The Vital Shoulder Complex is designed for anyone interested in understanding, treating, and healing shoulder-related pain. Author and renowned bodyworker John Gibbons explains and illustrates the dynamics of the shoulder complex in ways that are accessible and enlightening. The theory and principles described in this book can assist physical therapists in formulating effective treatment protocols towards quick rehabilitation for their patients. These include: * Differential diagnosis of shoulder pathology * The relationship of the pelvis, the SI joint, and the gluteals to the shoulder complex * Pathologies of the shoulder and cervical spine * Special tests associated with the shoulder complex * Rehabilitation and exercise protocols for the shoulder complex

The Gospel of John Baker Books

Christians all over the world trust Walk Thru the Bible to help them deepen their spiritual lives through a greater understanding of God's Word. Now Walk Thru the Bible is launching its own small group Bible study series that will uncover the richness of the Scriptures. Each guide explores a book of the Bible or a prominent Bible character, offering rich insights and practical life application. These discussion guides are perfect for Bible study groups, Sunday schools, small groups, and individuals who want a deeper understanding of books of the Bible and heroes of the faith.

Yearling

NEW YORK TIMES BESTSELLER The "paradigm-influencing" book (Christianity Today) that is fundamentally transforming our understanding of white evangelicalism in America. Jesus and John Wayne is a sweeping, revisionist history of the last seventy-five years of white evangelicalism, revealing how evangelicals have worked to replace the Jesus of the Gospels with an idol of rugged masculinity and Christian nationalism—or in the words of one modern chaplain, with "a spiritual badass." As acclaimed scholar Kristin Du Mez explains, the key to understanding this transformation is to recognize the centrality of popular culture in contemporary American evangelicalism. Many of today's evangelicals might not be theologically astute, but they know their VeggieTales, they've read John Eldredge's *Wild at Heart*, and they learned about purity before they learned about sex—and they have a silver ring to prove it. Evangelical books, films, music, clothing, and merchandise shape the beliefs of millions. And evangelical culture is teeming with muscular heroes—mythical warriors and rugged soldiers, men like Oliver North, Ronald Reagan, Mel Gibson, and the Duck Dynasty clan,

who assert white masculine power in defense of "Christian America." Chief among these evangelical legends is John Wayne, an icon of a lost time when men were uncowed by political correctness, unafraid to tell it like it was, and did what needed to be done. Challenging the commonly held assumption that the "moral majority" backed Donald Trump in 2016 and 2020 for purely pragmatic reasons, Du Mez reveals that Trump in fact represented the fulfillment, rather than the betrayal, of white evangelicals' most deeply held values: patriarchy, authoritarian rule, aggressive foreign policy, fear of Islam, ambivalence toward #MeToo, and opposition to Black Lives Matter and the LGBTQ community. A much-needed reexamination of perhaps the most influential subculture in this country, *Jesus and John Wayne* shows that, far from adhering to biblical principles, modern white evangelicals have remade their faith, with enduring consequences for all Americans.

Christianity Today 2004 Award of Merit (Biblical Studies) Keener's commentary explores the Jewish and Greco-Roman settings of John more deeply than previous works, paying special attention to social-historical and rhetorical features of the Gospel. It cites about 4,000 different secondary sources and uses over 20,000 references from ancient literature.

John Derian Sticker Book HarperCollins

It's the story "They" don't want you to read. Though, to be fair, "They" are probably right about this one. To quote the Bible, "Learning the truth can be like loosening a necktie, only to realize it was the only thing keeping your head attached." No, don't put

the book back on the shelf -- it is now your duty to purchase it to prevent others from reading it. Yes, it works with e-books, too, I don't have time to explain how. While investigating a fairly straightforward case of a shape-shifting interdimensional child predator, Dave, John and Amy realized there might actually be something weird going on. Together, they navigate a diabolically convoluted maze of illusions, lies, and their own incompetence in an attempt to uncover a terrible truth they -- like you -- would be better off not knowing. Your first impulse will be to think that a story this gruesome -- and, to be frank, stupid -- cannot possibly be true. That is precisely the reaction "They" are hoping for. John Dies at the End's "smart take on fear manages to tap into readers' existential dread on one page, then have them laughing the next" (Publishers Weekly) and This Book is Full of Spiders was "unlike any other book of the genre" (Washington Post). Now, New York Times bestselling author David Wong is back with What the Hell Did I Just Read, the third installment of this black-humored thriller series.

Revelation Pan Macmillan

A must-have book for understanding one of the most fundamental areas of physical therapy: the nervous system and its relationship to musculoskeletal pain. Osteopath, lecturer, and author John Gibbons offers an accessible introduction to the peripheral nervous system (PNS). Alongside real case studies and guidelines for hands-on work with clients and patients, *The Vital Nerves* demystifies and makes accessible everything from how to diagnose nerve conditions to understanding how our cells communicate. Gibbons provides critical insights into the structure and functions of the PNS; the body's response to stimuli and how

it knows what to do; the sympathetic and parasympathetic nervous systems; understanding the stress response; and how reflex testing can aid in diagnosing conditions like Multiple Sclerosis, Parkinson's Disease, and paresthesias. *The Vital Nerves* addresses practical, common considerations like how to: Assess the nervous system using a patella (reflex) hammer, myotome (muscle) testing, and dermatome (sensory) testing. Determine whether pain in the posterior part of the thigh is caused by the sciatic nerve, piriformis, or simply a hamstring strain. Decide at what level a disc may have herniated. Differentiate between upper and lower motor neurone disorders. Know what to do with the findings of your neurological assessment and the circumstances under which to refer patients for more specialist care. *The Vital Nerves* is a comprehensive roadmap to the functional anatomy of the nervous system. Enriched with anatomical drawings and detailed explanations, it explains neurological testing, common neuropathies, and differential diagnoses, and is an indispensable resource for physical therapists and bodyworkers.

John Derian Picture Book Artisan Books

The Book of John (2nd edition) Liveright Publishing

The second title in David Baldacci's bestselling series, *The Forgotten* is a fast-paced action thriller, featuring the hero of *Zero Day* – John Puller. Criminal investigator John Puller is drawn closer to home when his aunt is found dead in her house in Paradise, Florida. The local police have ruled the death as an accident, but Puller finds evidence to suggest that she may well have been murdered. On the surface the town lives up to its name, but as

Puller digs deeper he realizes that this town and its inhabitants are more akin to Hell than Paradise. His belief is confirmed as evidence of strange and inexplicable events come to light. And when Puller learns the truth about what is happening in this once sleepy town, he knows that his discoveries will impact far wider than Paradise.

John Dies at the End HarperCollins UK

New York Times Bestseller Named one of the Best Gift Books of the Year by Entertainment Weekly, InStyle, House Beautiful, T: The New York Times Style Magazine, Better Homes & Gardens, Luxe Interiors + Design, People StyleWatch, Garden & Gun, The Los Angeles Times, The Chicago Tribune, New York Magazine, and more John Derian's home goods empire reaches far and wide—in addition to the four John Derian stores he owns in New York and Massachusetts, his products are sold by more than 600 retailers worldwide, including Neiman Marcus, ABC, and Gump's in the United States; Conran and Liberty in the UK; and Astier de Villatte in Paris. It all started with his now-iconic collectible plates decoupaged with 19th-century artwork sourced from old and rare books, a process that credited him with elevating the decoupage technique into fine art. Over the past 25 years, the brand has expanded greatly to include home and general design gifts and products. Now, for the first time ever, comes the book John Derian fans have been waiting for. Culled from the thousands of images that have appeared in his biannual collections, here is an astoundingly beautiful assortment of nearly 300 full-bleed images in their original form. From intensely colored flowers and birds to curious portraits, hand-drawn letters, and breathtaking landscapes, the best of John Derian is here. The result is an

oversized object of desire, a work of art in and of itself, that brilliantly walks the line between commerce and art, and that is destined to become the gift book of the season.

John Penguin

Detective John Corey, last seen in Plum Island, now faces his toughest assignment yet: the pursuit and capture of the world's most dangerous terrorist -- a young Arab known as "The Lion" who has baffled a federal task force and shows no sign of stopping in his quest for revenge against the American pilots who bombed Libya and killed his family. Filled with unrelenting suspense and surprising plot twists at every terrifying turn, THE LION'S GAME is a heartstopping race against time and one of Nelson DeMille's most riveting thrillers.

The John A. Macdonald Retrospective 2-Book Bundle Thomas Nelson

Over 3 million LifeChange studies sold See Who God Is and What Love Is Who is God? What is love? People have asked these questions for thousands of years, and they were asking them in

John's day too. Christians like John believed the answers were found in Jesus, but some so-called believers were leading people astray, questioning Jesus' very identity. John wrote these letters to the churches he loved in order to keep them straight. With conviction, confidence, and clarity, John presents a compelling picture of Jesus—so we see clearly who God is and what love is. LifeChange Bible studies will help you grow in Christlikeness through a life-changing encounter with God's Word. Filled with a wealth of ideas for going deeper so you can return to this study again and again. Features Cover the books of 1, 2 & 3 John in 14 lessons Equip yourself to lead a Bible study Imagine the Bible's historical world Study word origins and definitions Explore thoughtful questions on key themes Go deeper with optional projects Add your notes with extra space and wide margins Find the flexibility to fit the time you have

The Vital Nerves Macmillan

The Bible is simply a love letter compiled into sixty-six books and written over a period of sixteen hundred years by more than forty authors living on three continents. Although the authors came from different backgrounds, there is one message, one theme, one thread that runs throughout the entire Bible from the first book, Genesis, to the last book, Revelation. That message is God's redeeming love for mankind—a message that is as relevant for us today as it was two thousand years ago. These five books (Matthew, Mark, Luke, John, and Acts) begin with the birth of Jesus Christ and conclude with the first imprisonment of the apostle Paul about six decades later. Over the course of these decades, God introduced elements of His sovereign plan that turned the world upside down. He moved from an emphasis on

the nation of Israel to an emphasis on the church, from a covenant of law to a covenant of grace, from His Holy Spirit merely coming upon people to actually indwelling them, and from commanding Israel to live in such a way as to attract others to commanding the church to disperse throughout the world and make disciples of all nations. The Gospels give us four similar but distinct accounts of Jesus the Messiah, God's Son. His birth, childhood, ministry, teaching, miracles, arrest, trials, death, and resurrection are all handled differently by the four authors, Matthew, Mark, Luke, and John. But in every record, by the time the tomb of Jesus was empty, the world had been changed. While the Gospels tell the story of the life of Christ, the book of Acts tells the story of the church of Christ. From its founding on the Day of Pentecost in the city of Jerusalem, through its expansion around the then-known world, to its crisis when the apostle Paul was imprisoned in Rome for the first time, the story is one of excitement, intrigue, incredible growth, and life-changing encounters.

The Lion's Game Disney Electronic Content

A series of ritualistic murders committed across the United States draws Lucas Davenport into an unimaginable conspiracy of revenge in this "classic" (Boston Globe) thriller in the #1 New York Times bestselling series. A slumlord butchered in Minneapolis... A rising political star executed in Manhattan... A judge slashed to death in Oklahoma City... Each victim has a history of bad behavior, but the only thing the killings have in common is the murder weapon—a Native American ceremonial knife—and a trail of blood that leads to an embodiment of evil known only as Shadow Love. Recruited to be the lethal hand of a

terrorist campaign, Shadow Love has his own bloody agenda, one he will do anything to achieve. Enlisted to find him are Minneapolis police lieutenant Lucas Davenport and New York City police officer Lily Rothenburg. But despite the countryside carnage they needn't look far. Because Shadow Love is right behind them.

Learn about the most important mathematical ideas, theorems, and movements in The Maths Book. Part of the fascinating Big Ideas series, this book tackles tricky topics and themes in a simple and easy to follow format. Learn about Maths in this overview guide to the subject, great for novices looking to find out more and experts wishing to refresh their knowledge alike! The Maths Book brings a fresh and vibrant take on the topic through eye-catching graphics and diagrams to immerse yourself in. This captivating book will broaden your understanding of Maths, with: - More than 85 ideas and events key to the development of mathematics - Packed with facts, charts, timelines and graphs to help explain core concepts - A visual approach to big subjects with striking illustrations and graphics throughout - Easy to follow text makes topics accessible for people at any level of understanding The Maths Book is a captivating introduction to the world's most famous theorems, mathematicians and movements, aimed at adults with an interest in the subject and students wanting to gain more of an overview. Charting the development of maths around the world from Babylon to Bletchley Park, this book explains how maths help us understand everything from patterns in nature to artificial intelligence. Your Maths Questions, Simply Explained What is an

imaginary number? Can two parallel lines ever meet? How can maths help us predict the future? This engaging overview explores answers to big questions like these and how they contribute to our understanding of maths. If you thought it was difficult to learn about topics like algebra and statistics, The Maths Book presents key information in an easy to follow layout. Learn about the history of maths, from ancient ideas such as magic squares and the abacus to modern cryptography, fractals, and the final proof of Fermat's Last Theorem. The Big Ideas Series With millions of copies sold worldwide, The Maths Book is part of the award-winning Big Ideas series from DK. The series uses striking graphics along with engaging writing, making big topics easy to understand. r to understand.

All Things New InterVarsity Press

New York City's most successful hit man, doubles as an intern at a prestigious Manhattan law firm where he gathers intel to pull off a clean, untraceable hit, but finds his plans thwarted by a sexy FBI agent who is assigned to take down the same law partner he's been assigned to kill.

Walk Thru the Book of John, A John Derian Picture Book

Based on the New York Times bestseller Unfu*k Yourself comes an all new book of prompts, questions, and exercises, giving you the tools to intentionally commit to finally unfu*king your life. In Unfu*k Yourself, Gary John Bishop inspired people to put his words into action to transform their fu*king lives. Through seven paradigm shifting assertions such as: "I am wired to win," "I embrace the uncertainty" and "I expect nothing and accept everything," Bishop helped millions of readers to move past their self-imposed limitations. Still, Bishop knows it's hard to go from

reading the book, feeling inspired, and then actually doing the necessary work. That's where Do the Work comes in: it's the kick in the ass you need to get moving and create the life you want. The workbook drills down into three categories — self, people, and purpose — to help you identify and remedy the challenges that frustrate and often cripple us. Filled with entirely new material, including personalized prompts and exercises with ample lined space to journal and process, Do the Work expands

the lessons in Unfu*k Yourself, giving you the tools to intentionally commit to taking on your life. "This is a personal workshop for your brain, a legit resource where you can work your life out, what matters to you, what's going to make the biggest difference and empower you to act in ways that make some palpable change to the direction your life is currently taking." The truth will set you free, right? So what are you waiting for?
