SARIAH NATALEE

Nature Girl Vintage Books

Honey Santana--impassioned, willful, possibly bipolar, self-proclaimed "queen of lost causes"--has a scheme to help rid the world of irresponsibility, indifference, and dinnertime sales calls. She's taking rude, gullible Relentless, Inc., telemarketer Boyd Shreave and his less-than-enthusiastic mistress, Eugenie--the fifteen-minute-famous girlfriend of a tabloid murderer--into the wilderness of Florida's Ten Thousand Islands for a gentle lesson in civility. What she doesn't know is that she's being followed by her Honey-obsessed former employer, Piejack (whose mismatched fingers are proof that sexual harassment in the workplace is a bad idea). And he doesn't know he's being followed by Honey's still-smitten former drug-running ex-husband, Perry, and their wise-and-protective-way-beyond-his-years twelve-year-old-son, Fry. And when they all pull up on Dismal Key, they don't know they're intruding on Sammy Tigertail, a half white-half Seminole failed alligator wrestler, trying like hell to be a hermit despite the Florida State coed who's dying to be his

hostage ...

A Hacker's Return to a Ruinous Sport Knopf Books for Young Readers

When a severed arm is discovered by a honeymooning couple in the Florida Keys, former police detective - now reluctant restaurant inspector - Andrew Yancy senses that something doesn't add up. Andrew's search for the truth takes him to the Bahamas, where a local man, with the help of a very bad monkey is doing everything in his power to prevent a developer from building a new tourist resort on the island, with deadly consequences... Outrageous, hilarious and addictive, Bad Monkey will have you on the edge of your seat and laughing out loud

The Ninth Metal Hachette UK

When a severed arm is discovered by a couple on honeymoon in the Florida Keys, former police detective - now reluctant restaurant inspector - Andrew Yancy senses that something doesn't add up. Determined to get his badge back, he undertakes an unofficial investigation of his own. Andrew's search for the truth takes him to the Bahamas, where a local man, with the help of a very bad monkey (who allegedly worked on the Pirates of the Caribbean movies) is doing everything in his power to prevent a developer from building a new tourist resort on the island, with deadly

consequences . . . Outrageous, hilarious and addictive, this is the unique Carl Hiaasen at his absolute best. Bad Monkey will have you on the edge of your seat and laughing out loud.

Hoot Knopf

Discover the funny side of Florida with #1 New York Times bestselling author Carl Hiaasen in this collection of four books: Hoot, Flush, Scat and Chomp. "It's classic Hiaasen—laugh-out-loud Satire in a Florida setting." —Life

Trap Line Vintage Crime/Black Lizard

"Doc" Ford lives quietly as a marine biologist on Sanibel Island, having left a secret past behind, but an old friend seeking help is murdered and Doc finds himself back in Central America searching for a kidnapped boy

Powder Burn Vintage

Bestselling author Carl Hiaasen serves up a humorous helping of "taut, fast-paced action...crisp and hot" (The New York Times). After dispatching a pistol-packing intruder from his home with the help of a stuffed Marlin head, Mick Stranahan can't deny that someone is out to get him. His now-deceased intruder carries no I.D., and as a former Florida state investigator, Stranahan knows

there are plenty of potential culprits. His long list of enemies includes an off point hit man, a personal injury lawyer of billboard fame, a notoriously irritating TV journalist, and a fumbling plastic surgeon. Now, if he wants to keep fishing into his golden years, Stranahan has no choice but to come out of retirement to close this one last case...

[Sanibel Flats](#) Knopf Books for Young Readers

Chaz Perrone might be the only marine scientist in the world who doesn't know which way the Gulf Stream runs. He might also be the only one who went into biology just to make a killing, and now he's found a way--doctoring water samples so that a ruthless agribusiness tycoon can continue illegally dumping fertilizer into the endangered Everglades. When Chaz suspects that his wife, Joey, has figured out his scam, he pushes her overboard from a cruise liner into the night-dark Atlantic. Unfortunately for Chaz, his wife doesn't die in the fall. Clinging blindly to a bale of Jamaican pot, Joey Perrone is plucked from the ocean by former cop and current loner Mick Stranahan. Instead of rushing to the police and reporting her husband's crime, Joey decides to stay dead and (with Mick's help) screw with Chaz until he screws himself. As Joey haunts and taunts her homicidal husband, as Chaz's cold-blooded cohorts in pollution grow uneasy about his ineptitude and increasingly erratic behavior, as Mick Stranahan discovers that six failed marriages and years of island solitude haven't killed the reckless romantic in him, we're taken on a hilarious, full-throttle, pure Hiaasen ride through the warped politics and mayhem of the human environment, and the human heart. BONUS: This edition includes an excerpt from Carl Hiaasen's *Bad Monkey*.

[Skinny Dip](#) Penguin

Carl Hiaasen takes us deep in the Everglades with an eccentric eco-avenger, a ticked-off panther, and two kids on a mission to find their missing teacher. Florida—where the animals are wild and the people are wilder! Bunny Starch, the most feared biology teacher ever, is missing. She disappeared after a school field trip to Black Vine Swamp. And, to be honest, the kids in her class are relieved. But when the principal tries to tell the students that Mrs. Starch has been called away on a "family emergency," Nick and Marta just don't buy it. No, they figure the class delinquent, Smoke, has something to do with her disappearance. And he does! But not in the way they think. There's a lot more going on in Black Vine Swamp than any one player in this twisted tale can see. It's all about to hit the fan, and when it does, the bad guys better scat. "Ingenious . . . Scat won't disappoint Hiaasensophiles of any age." —The New York Times "Woohoo! It's time for another trip to Florida—screwy, gorgeous Florida, with its swamps and scammers and strange creatures (two- and four-legged). Our guide, of course, is Carl Hiaasen." —DenverPost.com

[Bad Monkey](#) Vintage

Grange, Florida, is, famous for its miracles—the weeping fiberglass Madonna, the Road-Stain Jesus, the stigmata man. And now it has JoLayne Lucks, unlikely winner of the state lottery.

Unfortunately, JoLayne's winning ticket isn't the only one. The other belongs to Bodean Gazzer and his raunchy sidekick, Chub, who want the whole \$28 million jackpot to start their own underground militia. But JoLayne Lucks has her own plans for the Lotto money, and when Bode and Chub brutally assault her and steal her ticket, she vows to track them down, take it back—and get revenge. The only one who can help is Tom Krome, a big-city investigative journalist now writing frothy features for a mid-sized newspaper. He is about to become part of a story that's bigger and more bizarre than anything he's ever covered. Chasing two heavily armed psychopaths is reckless enough, but Tom's got other problems—including his fugitive wife and his own growing fondness for the future millionairess with whom he's risking his neck. The pursuit takes them to a buzzard-infested island deep in Florida Bay, where they finally catch up with the fledgling militia—and their baffled hostage, a Hooters waitress. The climax explodes with the hilarious mayhem that is Carl Hiaasen's hallmark. *Lucky You* is his funniest, most deliriously gripping novel yet. BONUS: This edition includes an excerpt from Carl Hiaasen's *Bad Monkey*.

[Squirm](#) Knopf Books for Young Readers

"Follow the adventures of a news-photographer-turned-private-eye as he seeks truth, justice, and an affair with his ex-wife" (The New York Times) in this hilarious caper from bestselling author Carl Hiaasen. R.J. Decker, star tenant of the local trailer park and neophyte private eye is fishing for a killer. Thanks to a sportsman's scam that's anything but sportsmanlike, there's a body floating in Coon Bog, Florida—and a lot that's rotten in the murky waters of big-stakes, large-mouth bass tournaments. Here Decker will team up with a half-blind, half-mad hermit with an appetite for road kill; dare to kiss his ex-wife while she's in bed with her new husband; and face deadly TV evangelists, dangerously seductive women, and a pistol-toting redneck with a pit bull on his arm. And here his own life becomes part of the stakes. For while the "double whammy" is the lure, first prize is for the most ingenious murder.

[Skin Tight](#) Open Road Media

NEW YORK TIMES BESTSELLER If you think the wildest, wackiest stories that Carl Hiaasen can tell have all made it into his hilarious, bestselling novels, think again. *Dance of the Reptiles* collects the best of Hiaasen's Miami Herald columns, which lay bare the stories--large and small--that demonstrate anew that truth is far stranger than fiction. Hiaasen offers his commentary—indignant, disbelieving, sometimes righteously angry, and frequently hilarious—on burning issues like animal welfare, polluted rivers, and the broken criminal justice system as well as the Deepwater Horizon oil spill, Bernie Madoff's trial, and the shenanigans of the recent presidential elections. Whether or not you have read Carl Hiaasen before, you are in for a wild ride. *Sick Puppy* Knopf

Six years ago, Melody Pieteron was attacked and left for dead. Only a chance encounter with a dog walker saved her life. Melody's neighbor and close friend David Alden was found guilty of the crime and imprisoned, and the attack and David's betrayal of her friendship left Melody a different person. She no longer trusts her own judgment, she no longer trusts her friends. In fact, she no longer really has any friends. She's built a life behind walls and gates and security codes; she's cloistered herself away from the world almost entirely. And then, soon after David is released from prison, Eve Elliot is murdered in an attack almost identical to Melody's. With the start of a new police investigation, Melody is suddenly pulled from her ordered, secluded life and back into the messy world around her. But as she learns more about Eve's murder, Melody starts to wonder if perhaps David hadn't betrayed her after all...if perhaps the killer is someone else entirely, someone who's still out there, preparing to strike again. Narrated alternately by Melody and by Eve's lingering ghost, *The Life I Left Behind* is a taut thriller and an intimate look at two young women bound together in ways neither of them could ever have predicted. Colette McBeth has proven once again that she is a master of suspense.

[Native Tongue](#) Mariner Books

From award-winning author Benjamin Percy comes an explosive, breakout speculative thriller in which a powerful new metal arrives on Earth in the wake of a meteor shower, triggering a massive new "gold rush" in the Midwest and turning life as we know it on its head. The first of a cycle of novels set in a shared universe.

[Bad Monkey](#) Vintage Crime/Black Lizard

Meet twenty-two-year-old Cherry Pye (née Cheryl Bunterman), a pop star since she was fourteen—and about to attempt a comeback from her latest drug-and-alcohol disaster. Now meet Cherry again: in the person of her "undercover stunt double," Ann DeLusia. Ann portrays Cherry whenever the singer is too "indisposed"—meaning wasted—to go out in public. And it is Ann—mistaken-for-Cherry who is kidnapped from a South Beach hotel by obsessed paparazzo Bang Abbott. Now the challenge for Cherry's handlers (über-stage mother; horndog record producer; nipped, tucked, and Botoxed twin publicists; weed whacker-wielding bodyguard) is to rescue Ann while keeping her existence a secret from Cherry's public—and from Cherry herself. The situation is more complicated than they know. Ann has had a bewitching encounter with Skink—the unhinged former governor of Florida living wild in a mangrove swamp—and now he's heading for

Miami to find her . . . Will Bang Abbott achieve his fantasy of a lucrative private photo session with Cherry Pye? Will Cherry sober up in time to lip-synch her way through her concert tour? Will Skink track down Ann DeLusia before Cherry's motley posse does? All will be revealed in this hilarious spin on life in the celebrity fast lane. BONUS: This edition includes an excerpt from Carl Hiaasen's *Bad Monkey*.

[Chomp](#) Bad Monkey

Two honeymooners at a hotel in the Florida Keys are at the center of a chaotic adventure that brings together a seductive con artist, a shotgun-toting mobile home salesman, a law school dropout, a Gaboon viper, and a troop of storm-shocked monkeys.

[A Novel](#) Vintage Crime/Black Lizard

A Miami hit-and-run witness winds up as bait for drug smugglers—in an "explosive" novel cowritten by the New York Times–bestselling author of *Bad Monkey* (The Atlanta Journal-Constitution). Chris Meadows's charmed life as an up-and-coming architect in Coconut Grove has kept him far removed from Miami's bloody drug trade. But his comfortable existence comes crashing down around him when Chris witnesses the hit-and-run death of an ex-girlfriend by a car full of drug smuggling gangsters. Now caught up in southern Florida's brutal underground cocaine war, Meadows is in a fight for his life—to evade not only the hit men seeking to silence him, but also the crooked Miami cops who would rather exploit than protect him. This is the very first suspense thriller written by the New York Times–bestselling author of *Razor Girl* and *Sick Puppy* and Bill Montalbano, a writing team praised for its "fine flair for characters and settings" (Library Journal). Those who enjoy Hiaasen's other Florida thrillers, the Doc Ford novels by Randy Wayne White, or Netflix's *Narcos* will want to discover these early crime fiction gems.

[A novel](#) Penguin

Take a trip to exotic South Florida with this dark, funny book that established Carl Hiaasen as one of the top mystery writers in the game. The first sign of trouble is a Shriner's fez washed up on a Miami beach. The next is a suitcase containing the almost-legless body of the local chamber of commerce president found floating in a canal... The locals are desperate to keep the murders under wraps and the tourist money flowing. But it will take a reporter-turned-private eye to make sense of a caper that mixes football players, politicians, and one very hungry crocodile in this classic mystery that GQ called "one of the top ten destination reads of all time."

[The Life I Left Behind](#) Knopf

Seth Weinstein always knew Tina was way, way, way out of his league. Which is why he's still astonished that he's on a plane heading for their wedding in Florida. The Groom Posse has already pulled an airport prank on him—and he's survived! It should be easy going from now on. But Seth has absolutely no idea what he's about to get into. A simple drink or two with the boys sparks a series of events that will pit Seth and his friends against everything and everyone imaginable, from his very powerful, very disapproving soon-to-be father-in-law to the federal government to a love-struck orangutan. Seth's hope for smooth sailing is turning into a trip on the Titanic. And the water is getting deeper by the minute...

[Flush](#) Penguin

Once a hotshot investigative reporter, middle-aged Jack Tagger now bangs out obituaries for a South Florida daily. When Jimmy Stoma, the infamous front man of Jimmy and the Slut Puppies, dies in a diving "accident," Jack uses clues from the singer's own music to unravel the mystery and resurrect his career in the process.

[Macmillan](#)

Anticipating his retirement from the Key West Police, Andrew Yancy tackles a murder case involving a human arm in his freezer, an investigation that pits him against a twitchy widow, a clueless real estate developer and a voodoo witch with a string of hapless lovers. By the best-selling author of *Star Island*.
