The Best of the Equinox,
Volume One of this four-
volume collection
presents readers with the

Enochian selections from The Equinox and contains the Enochian Magic of John Dee and Edward Kelley--perhaps the most powerful and most popular of all magical systems. Selected by DuQuette from both in-print and out-of-print editions of The Equinox, this is an affordable volume for Crowley fans, packed with high magick. *Enochian Vision Magick* Llewellyn Worldwide Limited
In 1582, Dr. John Dee and Edward Kelley made magical contact with a

number of spiritual entities who identified themselves as angels--the same entities who communicated with Enoch and the patriarchs of the Old Testament. Over the next three years, they revealed to Dee and Kelley three distinct magickal systems of vision magick. Here, Lon Milo DuQuette introduces the origins of Enochian magick and offers the expert and novice alike the opportunity to see not only the big picture of the full system but also the practical means by which

he or she can become attuned in the same step-by-step manner first prepared by Dee and Kelley.

The complete reference for understanding the Enochian language (“the language of the angels”), the proper pronunciation of the letters of the Enochian alphabet, and the use of evocations to call forth celestial beings and perform Enochian

magic. In 1581, Dr. John Dee, an advisor in the court of Queen Elizabeth I, began a series of scrying experiments intended to explore the ability to contact the spirit world. With Edward Kelley acting as the medium in these experiments, Dee was able to record these communications as they were transmitted in Enochian, the language of the angels. Dr. Dee’s efforts furthered the development of the system of Enochian magic and his methods of invocation have been

taken up and expounded upon by Aleister Crowley and many other magicians. Donald C. Laycock has thoroughly analyzed the work of Dee and Kelley. In this volume, he recounts the history of their experiments. He provides a pronunciation guide for the twenty-one letters, significant to untangling both the meaning and the derivation of the messages handed down from Dee and Kelley, and an essential Enochian/English and English/Enochian

dictionary. The result is a fascinating linguistic and magical mystery story integral to any study of the Enochian tradition. This new edition of Laycock's work includes a new preface by Stephen Skinner that sets the tone and historical context for today's readers. Lon Milo DuQuette's foreword gives a delightful and edifying description of how he and his students put The Complete Enochian Dictionary to the test with astonishing results. This book is a must-have for any serious

magician's library. **Enochian World of Aleister Crowley** Llewellyn Worldwide The influential occultist distills the sixteenth-century writings of Elizabethan Magi John Dee and Edward Kelly in this authoritative and accessible volume. Enochian magick is a powerful system of ceremonial magic based on the writings of John Dee and Edward Kelly, who claimed that their information was presented to them directly from angels. It is

named after the biblical prophet Enoch and is perhaps the most powerful and elegant of all magical systems. Dee and Kelley's work has formed the basis for countless magical systems, such as the Hermetic Order of the Golden Dawn, and has inspired magicians from all the generations that followed, including Crowley himself. This book presents readers with the Enochian selections from Crowley's semiannual magical journal The Equinox. It

features Crowley's distillation of the work of Dee and Kelley along with an introduction by Lon Milo DuQuette, master occultist.

Following the Enochian material that would become the Heptarchia Mystica, John Dee and Edward Kelley received a grid of letters called the Great Table that encodes a complex hierarchy of angels and demons, and a series of conjurations in the Angelic language called the Angelic Keys.

These conjurations and the structure of the Great Table itself have inspired individual magicians and entire magical orders for centuries. Author Scott Michael Stenwick now does for the Great Table what he did for the Heptarchia Mystica in the first volume of this series, presenting the material in a manner that is true to Dee and Kelley's original schema along with a ritual template that includes both modern and traditional grimoire techniques. The entities of the Great Table possess a

vast collection of powers well-suited to practical magical work, and have been employed in some of the most effective operations of the modern era. Unlock the secrets of the Great Table, and put them to work transforming your life. This tome gives easy to follow instructions on how to use the Enochian system, both from the original Dee perspective, and also from more modern techniques, such

as those employed by the Golden Dawn, Aleister Crowley, the Order of the Sons and Daughters of Light, and other pioneering magicians. *The Angelical Language, Volume I* Createspace Independent Publishing Platform
John Dee's angel conversations have been an enigmatic facet of Elizabethan England's most famous natural philosopher's life and work. Professor Harkness contextualizes Dee's angel conversations within the natural

philosophical, religious and social contexts of his time philosophy, and the apocalypse, and argues that they represent a continuing development of John Dee's earlier concerns and interests. These conversations include discussions of the natural world, the practice of natural philosophy, and the apocalypse.

An exploration of the scientific, historical, and paranormal qualities of

quartz crystals and ancient crystal skulls • Explores the use of crystals throughout history, including their role in Atlantis and in alien technology • Offers step-by-step instructions to successfully use crystals in scrying, meditation, and Enochian magic • Includes never-before-published scientific findings on the author's crystal skull as well as other crystal skulls researched at the British Museum • Explains how the Space-Time Crystal Matrix connects the

physical world with the spiritual and may be the communication technology of the future Known for his in-depth scientific work on the Shroud of Turin and the Great Pyramid of Giza, John DeSalvo, Ph.D., now sets his sights on quartz crystals and their mystical counterpart, crystal skulls. Exploring the use of crystals from Mesopotamia and ancient Egypt to present-day technology, including their use in ritual and ceremonial magic and their importance in

ancient religious literature, he examines the many physical and chemical properties of quartz crystals and explains how their crystalline lattice structure is the key to their amazing abilities, both scientific and paranormal. Reviewing the many paranormal claims about crystal skulls, DeSalvo reveals the scientific findings on his own ancient crystal skull as well as research by the British Museum on other famous crystal skulls. His investigation

also extends to the recent discovery in Tibet of a trove of Dropa discs--grooved stones allegedly recording an ancient alien visit to Earth. Highlighting the use of quartz crystals and crystal skulls for psychic and spiritual purposes, DeSalvo offers step-by-step instructions for their use in scrying, meditation, and Enochian magic, including communication with angels. Reviewing accounts of power crystals in Atlantis and their use in alien technology, he explains

how crystals connect the physical world with the spiritual via a powerful communication network linking all crystals and their memories--the Space-Time Crystal Matrix, a spiritual technology lost to the ages but which may become the communication system of the future. [John Dee's Five Books of Mystery](#) Llewellyn Worldwide Limited Enochian Magick is arguably the most intriguing and potent form of ceremonial magick

available today. Dr. John Dee, a prominent philosopher in the Elizabethan court, literally received this system of magick from angels through the scrying mediumship of Edward Kelly. This book offers a complete approach to conducting this magical system for the modern adept. It contains instructions in the practical use of all three major parts of the Enochian system: the Four Watchtowers, the Thirty Aethyrs and the Heptarchia Mystica.

Rather than a mere rehash of Golden Dawn material this book offers an approach that honors both the innovations of the Golden Dawn and the essence of the original Dee materials in an un-dogmatic and nonsectarian format that is extremely accessible. Although this book is particularly designed for students of the New Hermetics, any practicing occultist interested in the Enochian system will find this book incredibly useful.

The Shem ha Mephorash or Explicit Name is a list of 72 angels derived by ancient Kabbalists. Combined, these spirits are believed to comprise the secret name of God. Now, for the first time, these angels are uncovered and illuminated, presented with detailed information and spirit signatures, enabling witches and left-hand-path magicians to access their energy and interact with them through ceremonial conjuration and black

magic. In essence, Black Magic Evocation of the Shem ha Mephorash dissects the Abrahamic creator Deity into 72 pieces and empowers brave witches everywhere to ritually evoke them into conscious manifestation. Included are exhaustive tables of hours, days, weeks, months, planets, elements, and sacraments, all the information needed to bring the spirits of the Shem ha Mephorash, the most powerful name in western occultism, to life within the magician's

ritual chamber.

You may have heard people speak of it in hushed tones: Enochian magick! Some say it is dangerous. Others say it is the most powerful magick known. Now you can find out the truth when you read *The Enochian Magick of Dr. John Dee* by Geoffrey James (previously published as *The Enochian Evocation of Dr. John Dee*). This system was received by Dr. John

Dee, astrologer to Queen Elizabeth I of England, and his assistant, Edward Kelly. Together, through a series of evocations, they discovered a system of magick so potent that some people fear to use it. Now you can learn the entire Enochian system as never before. Previously, people went to secondary sources such as the Golden Dawn or Aleister Crowley for information on the Enochian system. Here, for the first time, are the diaries of Dr. Dee, which reveal the entire system so you can use it

for a wide variety of magical purposes. Presented here is the definitive version of the forty-eight angelic keys according to Dee himself. Revealed are the names of the sixteen good angels who are most skilled and powerful in medicine and in the curing of diseases, as well as the sixteen angels of the four elements. Every step of the method by which Dee and Kelly worked their evocations is fully explained so you can recreate their experiments and tap into

some of the most powerful magick available.

A step-by-step guide to the rituals of Enochian magic for reaching the higher spiritual realms • Reveals missing practical instructions for the Enochian magic system received by John Dee and Edward Kelley • Explains that the angelic realm is only the first and farthest away of the spiritual realms surrounding God • Shows how to connect with the higher worlds

beyond the angels to tap more fully in to the magical power of the Divine In this comprehensive introduction to Enochian magic and beyond, John DeSalvo explains how the magic system transmitted by the angels to John Dee and Edward Kelley in the 16th century has until now remained incomplete and thus not as powerful as the angels intended. Drawing on his in-depth study of John Dee's diaries, DeSalvo explains how Dee and Kelley were given the Enochian tables

and calls but their communications with the angels were severed before they received the full practical instructions for Enochian magic. To this day, most magical groups improvise and make up rituals based on their own ideas and imagination--the magic they practice is not true angelic magic. After many successful Enochian magic rituals and years of his own spiritual work, DeSalvo has discovered additional key pieces to the magical system of Dee and Kelley, a system

now known as Power Magic. He provides step-by-step instructions for more complete and accurate Enochian magic rituals and reveals how the angelic realm is only the first and farthest away of the spiritual realms surrounding God. He explains how to penetrate this angelic realm with Power Magic to reach higher spiritual worlds and receive more powerful knowledge and energy. He shows that by connecting with the higher worlds beyond the angels, we can tap more

fully in to the magical power of the Divine and begin restoring the planetary magic of our most ancient ancestors. *Athena's advanced Grimoire of Enochian Magick* Inner Light - Global Communications Stephen Skinner has been interested in magic for as long as he can remember. He wrote, with Francis King, the classic *Techniques of High Magic* in 1976. He followed that with *Oracle of Geomancy and Terrestrial Astrology* which has become the standard work on Western

divinatory geomancy. Books on Nostradamus and Millennium Prophecies followed in highly illustrated editions. Stephen is also the author of eight books on feng shui, including the first one written in English in the 20th century. In the 1970s he was responsible for stimulating interest in John Dee and Enochian magic by publishing the first reprint of Casaubon's *True and Faithful Relation of What Passed for Many Yeers between Dr John Dee and some Spirits.* and Dr Donald Laycock's key

reference book on the angelic language The Complete Enochian Dictionary. With David Rankine, he discovered what happened to Dee's most important manuscript, his personal book of angelic invocations which he kept in Latin, and how it was preserved and developed in the 17th century into a full working Enochian system. Only ten percent of this material reached the unpublished archives of the Hermetic Order of the Golden Dawn, and even this was then

suppressed by the chiefs of the Order, so it did not appear in Israel Regardie's monumental work on the Order rituals and documents. They have also traced the routes down which were passed the classic techniques of invocation and evocation from late mediaeval grimoires, through Dee's magic, via Ashmole, and the aristocratic angel magicians of the 17th century, and Frederick Hockley to the senior magicians of the Golden Dawn.

There is no such thing as a simple ritual to make you an overnight success. This is a system of magick. It is far more than a list of rituals that solve problems. You integrate a successful pathway into your life. The great secrets of magick were delivered to a genius mathematician in the sixteenth century. After that, the magick was locked away for many years, then found again and shared in secret. Occultists are beginning

to unravel these secrets to the point where they have become practical. The methods described here are based on a lifetime studying and exploring success, combined with the wisdom of the Enochian Angels. Whether you are tired of the struggle, battling against competitors, finding it difficult to start or finish a project, uncertain of what to do with your life, or straining to get where you want to be, this book presents a form of magick that can unlock your

dreams. Whatever your age or experience, and no matter what you have gone through before, it is never too early or too late to find success. From this point on, you can choose the life you have always wanted. With this magick, you can compress time, improve fortune, and open opportunity in a way that cannot happen without magick. Enochian Magick reveals an underlying power in the universe that can bring you the success you desire. This book shows every step you need to

take. People may tell you that you cannot use Enochian Magick, but the angels said otherwise. They said that magick should be used. We were told to use this magick to understand and experience its power. That is what you can do now. You don't need any equipment or special magickal skills. You only need a private space where you can perform the magick. Centuries ago, in a set of strange and fascinating circumstances, the angels revealed an encoded

magickal system to Doctor John Dee, a friend and advisor to Queen Elizabeth I. This secret magick was nearly taken by the flames of the Great Fire of London. It survived, and has slowly been recovered, examined, explored, and experienced. Enochian Magick is no longer a historical curiosity but the essence of practical magick. Give it your attention, and it can open you up to a life of success. *Enochian Magic for Beginners* Llewellyn Worldwide

The Practice of Enochian Magick Llewellyn Worldwide Limited

FIFTH ANNIVERSARY EDITION For the first time in modern history, the true origins of Judaic Mysticism (the Kabbalah), Christian spiritual beliefs and other derived practices of ceremonial magic (such as the Enochian system, Hermetics and Golden Dawn methods) can now be traced directly to the archetypal 'Sky-God' traditions of the prehistoric Mesopotamians: The post-Sumerian Babylonian "Star-Gate" system dedicated to the

Anunnaki. Prolific writer, Joshua Free, brings together what is known of the ancient "Ladder of Lights," the BAB.ILI system that constitutes the original "Tree of Life" 'kabbalah' found graphically present on ancient renderings and its connections to the later Judeo-Christian traditions and the evolution of human understanding of "Anunnaki," "Igigi" and other sky-beings into the Hebrew renderings of the "Nephilim," "Anakim," "Elohim" and the like.
ENOCHIAN MAGIC & THE

KABBALAH illustrates the singular origin of the mystical and spiritual traditions on the planet, all directed toward a human relationship with the "Divine," however that might be viewed -- angels, elementals, fairies, gods or other 'alien' beings -- and more importantly, the methods by which they have been attracted into one's life. Since all of our available traditions today seem linked to these antiquated 'Divine Encounters', it seems fitting to make a self-honest exploration of the

nature of these origins of belief and how they may affect our abilities to perceive the world and affect reality today. Practical lore drawn from thousands of years of tradition -- both ancient and modern -- is brought together to form the official "Mardukite" handbook of Enochian Ceremonial Magic and the Kabbalistic "Tree of Life" - a first of its kind and much needed for the advancement of the "New Age"!

In the time of Queen Elizabeth I in England, world famous occultist Dr. John Dee and his helper, Edward Kelley, developed a system for contacting angels that came to be called "Enochian Magick." Dee's system has survived the centuries and been passed down to us. "ANGEL SPELLS - THE ENOCHIAN OCCULT WORKBOOK OF CHARMS, SEALS, TALISMANS AND CIPHERS" offers the reader a history lesson on

Dee's method for contacting angels, including its origins in the Jewish and Christian mystical traditions. The book includes an exclusive interview with author Aaron Leitch, who still practices Dee's methods over 400 years later. For those not quite ready to dive into the more complex aspects of Enochian Angel magick, simpler - but just as effective - methods are taught here by psychic Maria D'Andrea, who provides step-by-step instructions to petition

specific angels for help with any problem, large or small. A dozen talismans created by Ms D' Andrea are provided each corresponding with a different Arch Angel. And as a bonus supplement, we have included Bishop Allen Greenfield's classic work, "SECRET CIPHER OF THE UFONAUTS," to assist in contacting angelic aliens in their own language and to aid in decoding what they have spoken to us! This fascinating work includes all the talismans and symbols and ciphers you

need to set up your own angel altar so that you may proceed with contacting the celestial kingdom in an organized effort.
