Bestselling novelist Garth Nix returns to the Old Kingdom for the never-before-told love story of Sabriel's parents, Terciel and Elinor, and the charter magic that brought them together—and threatened to tear them apart. A long-awaited prequel to a classic fantasy series. In the Old Kingdom, a land of ancient and often terrible magics, eighteen year-old orphan Terciel learns the art of necromancy from his great-aunt Tizanael. But not to raise the Dead, rather to lay them to rest. He is the Abhorsen-in-Waiting, and Tizanael is the Abhorsen, the latest in a long line of people whose task it is to make sure the Dead do not return to Life. Across the Wall in Ancelstierre, a steam-age country where magic usually does not work, nineteen year-old

Elinor lives a secluded life. Her only friends an old governess and an even older groom who was once a famous circus performer. Her mother is a tyrant, who is feared by all despite her sickness and impending death . . . but perhaps there is even more to fear from that. Elinor does not know she is deeply connected to the Old Kingdom, nor that magic can sometimes come across the Wall, until a plot by an ancient enemy of the Abhorsens brings Terciel and Tizanael to Ancelstierre. In a single day of fire and death and loss, Elinor finds herself set on a path which will take her into the Old Kingdom, into Terciel's life, and will embroil her in the struggle of the Abhorsens against the Dead who will not stay dead. \*USA Today Bestseller\* "One of the greatest living fantasy writers. A girl's quest to find her father leads her to an extended family of magical fighting booksellers who police the mythical Old World of England when it intrudes on the modern world. From the bestselling master of teen fantasy, Garth Nix. In a slightly alternate London in 1983, Susan Arkshaw is looking for her father, a man she has never met. Crime boss Frank Thringley might be able to help her, but Susan doesn't get time to ask Frank any questions before he is turned to dust by the prick of a silver hatpin in the hands of the outrageously attractive Merlin. Merlin is a young left-handed bookseller (one of the fighting ones), who with the right-handed booksellers (the intellectual ones), are an extended family of magical beings who police the mythic and legendary Old World when it intrudes on the modern world, in addition to running several bookshops. Susan's search for her father begins with her mother's possibly misremembered or misspelt surnames, a reading room ticket, and a silver cigarette case engraved with something that might be a coat of arms. Merlin has a quest of his own, to find the Old World entity who used ordinary criminals to kill his mother. As he and his sister,

the right-handed bookseller Vivien, tread in the path of a botched or covered-up police investigation from years past, they find this quest strangely overlaps with Susan's. Who or what was her father? Susan, Merlin, and Vivien must find out, as the Old World erupts dangerously into the New.

*Sir Hereward and Mister Fitz* Harper Collins

Fantasy fans of Rick Riordan's Percy Jackson and John Flanagan's Ranger's Apprentice series will embrace this first novel in an adventure-filled, Viking-inspired series by a debut author. Meet Karn. He is destined to take over the family farm in Norrøngard. His only problem? He'd rather be playing the board game Thrones and Bones. Enter Thianna. Half human, half frost giantess. She's too tall to blend in with other humans but too short to be taken seriously as a giant. When family intrigues force Karn and Thianna to flee into the wilderness, they have to keep their sense of humor and their wits about them. But survival can be challenging when you're being chased by a 1,500-year-old dragon, Helltoppr the undead warrior and his undead minions, an evil uncle, wyverns, and an assortment of trolls and giants. Readers will embark on a sweeping epic fantasy as they join Karn and Thianna on a voyage of discovery. Antics and hair-raising escapades abound in this fantasy adventure as the two forge a friendship and journey to unknown territory. Their plan: to save their families from harm. Debut novelist Lou Anders has created a rich world of over twenty-five countries inhabited by Karn, Thianna, and an array of fantastical creatures, as well as the Thrones and Bones board game. Martin can happily cut their serial-fantasy teeth on this first book of an eventual series." -Kirkus Reviews "A fun, fast-paced, and highly enjoyable tale." -Garth Nix, bestselling author of the Abhorsen trilogy \*"...a powerful, fast-paced tale...
