The #1 New York Times bestselling
memoir of U.S. Navy Seal Chris Kyle, and
the source for Clint Eastwood's
blockbuster, Academy-Award nominated
movie. "An amazingly detailed account of
fighting in Iraq--a humanizing, brave story

that's extremely readable." — PATRICIA
CORNWELL, New York Times Book Review
"Jaw-dropping...Undeniably riveting."
—RICHARD ROEPER, Chicago Sun-Times
From 1999 to 2009, U.S. Navy SEAL Chris
Kyle recorded the most career sniper kills
in United States military history. His fellow
American warriors, whom he protected
with deadly precision from rooftops and
stealth positions during the Iraq War,
called him "The Legend"; meanwhile, the
enemy feared him so much they named
him al-Shaitan ("the devil") and placed a
bounty on his head. Kyle, who was
tragically killed in 2013, writes honestly

about the pain of war—including the
deaths of two close SEAL teammates—and
in moving first-person passages
throughout, his wife, Taya, speaks openly
about the strains of war on their family, as
well as on Chris. Gripping and
unforgettable, Kyle's masterful account of
his extraordinary battlefield experiences
ranks as one of the great war memoirs of
all time.

Nick the "chocolate ogre" wants to help
the children of Everlost to reach the light

at the end of the tunnel, and is slowly handing each child a coin which will release them from Everlost. But Mary Hightower wants to trap the children forever, and joins forces with Pugsy Capone, a death boss, who gains allies in a terrible way... Meanwhile, Allie has gone in search for her parents and joins up with a group of "skinjackers". But, as her search takes her further away from Nick and the children of Everlost, Allie uncovers a shocking secret... it seems that "skinjackers" are not actually dead... In this riveting sequel to the imaginative, supernatural thriller, Everlost, there is new dark force to be reckoned with.

Queering the Border: Essays

Emergency Press

The Battle of Attu, which took place from 11-30 May 1943, was a battle fought between forces of the United States, aided by Canadian reconnaissance and fighter-bomber support, and the Empire of Japan on Attu Island off the coast of the Territory of Alaska as part of the Aleutian Islands Campaign during the American Theater and the Pacific Theater and was the only land battle of World War II fought on incorporated territory of the United States.

It is also the only land battle in which Japanese and American forces fought in Arctic conditions. The more than two-week battle ended when most of the Japanese defenders were killed in brutal hand-to-hand combat after a final banzai charge broke through American lines. A Line in the Sand Simon and Schuster
In this "evocative first novel," an elderly woman looks back on the world of revolutionary Cuba as she recalls her intimate, secret love affair with Ernesto

"Che" Guevara (Publishers Weekly). A young Cuban woman has been searching in vain for details of her birth mother. All she knows of her past is that her grandfather fled the turbulent Havana of the 1960s for Miami with her in tow, and that pinned to her sweater-possibly by her mother-were a few treasured lines of a Pablo Neruda poem. These facts remain her only tenuous links to her history, until a mysterious parcel arrives in the mail. Inside the soft, worn box are layers of writings and photographs. Fitting these pieces together with insights she gleans from several trips back to Havana, the daughter reconstructs a life of her mother, her youthful affair with the dashing, charismatic Che Guevara and the child she bore by the enigmatic rebel. *Loving Che* is a brilliant recapturing of revolutionary Cuba, the changing social mores, the hopes and disappointments, the excitement and terror of the times. It is also an erotic fantasy, a glimpse into the private life of a mythic public figure, and an exquisitely crafted meditation on memory, history, and storytelling. Finally, *Loving Che* is a triumphant unveiling of how the stories we tell about others

ultimately become the story of ourselves. "A moving novel from a writer to watch." —Publishers Weekly "Inventive and hypnotic . . . [An] artful and restless examination of the exile soul." —Los Angeles Times "[Menendez] captures Cuba's potential, its desperation and decay, and also its dark humor." —The New York Times "The writing is consistently beautiful. Highly recommended." —Library Journal
Chicana Literature and Gender Variant Critique Harper Collins

Using interdisciplinary performance studies and cultural studies frameworks, Laura G. Gutiérrez examines the cultural representation of queer sexuality in the contemporary cultural production of Mexican female and Chicana performance and visual artists. In particular, she locates the analytical lenses of feminist theory and queer theory in a central position to interrogate Mexican female dissident sexualities in transnational public culture. This is the first book-length study to wed performance studies and queer theory in examining the performative/performance work of important contemporary Mexicana and Chicana cultural workers. It proposes

that the creations of several important artists—Chicana visual artist Alma López; the Mexican political cabareteras Astrid Hadad, Jesusa Rodríguez, Liliana Felipe, and Regina Orozco; the Chicana performance artist Nao Bustamante; and the Mexican video artist Ximena Cuevas—unsettle heterosexual national culture. In doing so, they are not only challenging heterosexist and nationalist discourses head-on, but are also participating in the construction of a queer world-making project. Treating the notion of dis-comfort as a productive category in these projects advances feminist and queer theories by offering an insightful critical movement suggesting that queer worlds are simultaneously spaces of desire, fear, and hope. Gutiérrez demonstrates how arenas formerly closed to female performers are now providing both an artistic outlet and a powerful political tool that crosses not only geographic borders but social, sexual, political, and class boundaries as well, and deconstructs the relationships among media, hierarchies of power, and the cultures of privilege.

The Blood of Heroes Catapult

After years of cowboying, Charles A. Siringo had settled down to store-keeping in Caldwell, Kansas, when a blind phrenologist, traveling through, took the measure of his "mule head" and told him that he was "cut out" for detective work. Thereupon, Siringo joined the Pinkerton National Detective Agency in 1886. A Cowboy Detective chronicles his twenty-two years as an undercover operative in wilder parts of the West, where he rode with the lawless, using more stratagems and guises than Sherlock Holmes to bring them to justice and escaping violent death more often than Dick Tracy. He survived the labor riots at Coeur d'Alene, Idaho, in 1892 (his testimony helped convict eighteen union leaders), hounded moonshiners in the Appalachians, and chased Butch Cassidy's Wild Bunch. Once described as "a small wiry man, cold and steady as a rock" and "born without fear," Charlie Siringo became a favorite of high-ups in the Pinkerton organization. Nevertheless, the Pinkertons, ever sensitive to criticism, went to court to block publication of Siringo's book. Frank Morn, in his introduction to this Bison Books edition, discusses the changes that

resulted from two years of litigation. Finally published in 1912 without Pinkerton in the title or the text, *A Cowboy Detective* has Siringo working for the "Dickensen Detective Agency" and meeting up with the likes of "Tim Corn," whom every western buff will recognize. The deeper truth of Siringo's book remains. As J. Frank Dobie wrote, "His cowboys and gunmen were not of Hollywood and folklore. He was an honest reporter.

Me and Mine Grand Central Publishing It is 1937 and Amabelle Désir, a young Haitian woman living in the Dominican Republic, has built herself a life as the servant and companion of the wife of a wealthy colonel. She and Sebastien, a cane worker, are deeply in love and plan to marry. But Amabelle's world collapses when a wave of genocidal violence, driven by Dominican dictator Rafael Trujillo, leads to the slaughter of Haitian workers. Amabelle and Sebastien are separated, and she desperately flees the tide of violence for a Haiti she barely remembers. Already acknowledged as a classic, this harrowing story of love and survival—from one of the most important voices of her generation—is an unforgettable memorial

to the victims of the Parsley Massacre and a testimony to the power of human memory. From the Trade Paperback edition.

Forgetting the Alamo, Or, Blood Memory
Government Printing Office

Electra Campos has kept her life cleanly divided. By week she tends to her academic duties and her students. Weekends she frequents the Down Under, a Chelsea sex club for women. When her spiteful ex Isabel Cortez issues yet another petty threat, she brushes it off—until she finds Capital College's dean in a pool of his own blood. At first, NYPD Detective Carolina Quinn seems concerned only in Electra's details of finding the body. Then the interest grows intensely professional...and personal. Why would the police think Electra had a motive for murder? She had no personal interaction with Dean Johnson. But his wife was no stranger to the Down Under, and Detective Quinn is extremely curious about every detail of Electra's other life. *Bella After Dark* title!

The Treaty of Guadalupe Hidalgo Simon and Schuster

The stunning true story of a murder that

rocked the Mississippi Delta and forever shaped one author's life and perception of home. In 1948, in the most stubbornly Dixiefied corner of the Jim Crow south, society matron Idella Thompson was viciously murdered in her own home: stabbed at least 150 times and left facedown in one of the bathrooms. Her daughter, Ruth Dickins, was the only other person in the house. She told authorities a Black man she didn't recognize had fled the scene, but no evidence of the man's presence was uncovered. When Dickins herself was convicted and sentenced to life in prison, the community exploded. Petitions pleading for her release were drafted, signed, and circulated, and after only six years, the governor of Mississippi granted Ruth Dickins an indefinite suspension of her sentence and she was set free. In Deer Creek Drive, Beverly Lowry—who was ten at the time of the murder and lived mere miles from the Thompsons' home—tells a story of white privilege that still has ramifications today, and reflects on the brutal crime, its aftermath, and the ways it clarified her own upbringing in Mississippi.

A Cowboy Detective Knopf

From Thomas Jefferson's birth in 1743 to the California Gold Rush in 1849, America's westward expansion comes to life in the hands of a writer fascinated by the way individual lives link up, illuminate one another, and collectively impact history. Jefferson, a naturalist and visionary, dreamed that the United States would stretch across the North American continent, from ocean to ocean. The account of how that dream became reality unfolds in the stories of Jefferson and nine other Americans whose adventurous spirits and lust for land pushed the westward boundaries: Andrew Jackson, John "Johnny Appleseed" Chapman, David Crockett, Sam Houston, James K. Polk, Winfield Scott, Kit Carson, Nicholas Trist, and John Quincy Adams. Their stories—and

those of the nameless thousands who risked their lives to settle on the frontier, displacing thousands of Native Americans—form an extraordinary chapter in American history that led directly to the cataclysm of the Civil War. Filled with illustrations, portraits, maps, battle plans, notes, and time lines, *Lions of the West* is a richly authoritative biography of America—its ideals, its promise, its romance, and its destiny.

An Oral History as Told by Jon Stewart, the Correspondents, Staff and Guests St. Martin's Press

A huge, riveting, deeply imagined novel about the siege and fall of the Alamo, an event that formed the consciousness of Texas and that resonates through American history. With its vibrant, unexpected characters and its richness of authentic detail, *The Gates of the Alamo* is an unforgettable re-creation of a time, a place, and a heroic conflict. The time is 1835. At the center of a canvas crowded with Mexicans and Americans, with Karankawa and Comanche Indians, with settlers of many nationalities, stand three people whose fortunes quickly become our urgent concern: Edmund McGowan, a

naturalist of towering courage and intellect, whose life's work is threatened by the war against Mexico and whose character is tested by his own dangerous pride; Mary Mott, a widowed innkeeper on the Texas coast, a determined and resourceful woman; and her sixteen-year-old son, Terrell, whose first shattering experience with love leads him instead to war, and into the crucible of the Alamo. As Edmund McGowan and Mary Mott take off in pursuit of Terrell and follow him into the fortress, the powerful but wary attraction between them deepens. And the reader is drawn with them into the harrowing days of the battle itself. Never before has the fall of the Alamo been portrayed with such immediacy. And for the first time the story is told not just from the perspective of the American defenders but from that of the Mexican attackers as well. We follow Blas Montoya, a sergeant in an elite sharpshooter company, as he fights to keep his men alive not only in the inferno of battle but also during the long forced march north from Mexico proper to Texas. And through the eyes of the ambitious mapmaker Telesforo Villasenor, we witness the cold deliberations of General

Santa Anna. Filled with dramatic scenes, abounding in fictional and historical personalities -- among them James Bowie, David Crockett, and William Travis -- *The Gates of the Alamo* enfolds us in history, and through its remarkable and passionate storytelling allows us to participate at last in an American legend.

Loving Che Little, Brown

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*'s most

prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

A Novel University of Texas Press

This literary adventure takes place in nineteenth-century Texas and follows the

story of a Tejana lesbian cowgirl after the fall of the Alamo. Micaela Campos, the central character, witnesses the violence against Mexicans, African Americans, and indigenous peoples after the infamous battles of the Alamo and of San Jacinto, both in 1836. Resisting an easy opposition between good versus evil and brown versus white characters, the novel also features Micaela's Mexican-Anglo cousin who assists and hinders her progress. Micaela's travels give us a new portrayal of the American West, populated by people of mixed races who are vexed by the collision of cultures and politics. Ultimately, Micaela's journey and her romance with a black/American Indian woman teach her that there are no easy solutions to the injustices that birthed the Texas Republic. This novel is an intervention in queer history and fiction with its love story between two women of color in mid-nineteenth-century Texas. Pérez also shows how a colonial past still haunts our nation's imagination. The battles of the Alamo and San Jacinto offered freedom and liberty to Texans, but what is often erased from the story is that common people who were Mexican,

Indian, and Black did not necessarily benefit from the influx of so many Anglo immigrants to Texas. The social themes and identity issues that Pérez explores—political climate, debates over immigration, and historical revision of the American West—are current today.

¡Chicana Power! Bella Books

In this fictionalized memoir of Laredo, Texas, *canícula* represents a time between childhood and a yet unknown adulthood. *Song of the Buffalo Boy* Houghton Mifflin Harcourt

“Fascinating and useful . . . The distinguished memory researcher Scott A. Small explains why forgetfulness is not only normal but also beneficial.”—Walter Isaacson, bestselling author of *The Code Breaker* and *Leonardo da Vinci* Who wouldn’t want a better memory? Dr. Scott Small has dedicated his career to understanding why memory forsakes us. As director of the Alzheimer’s Disease Research Center at Columbia University, he focuses largely on patients who experience pathological forgetting, and it is in contrast to their suffering that normal forgetting, which we experience every day, appears in sharp relief. Until recently,

most everyone—memory scientists included—believed that forgetting served no purpose. But new research in psychology, neurobiology, medicine, and computer science tells a different story. Forgetting is not a failure of our minds. It’s not even a benign glitch. It is, in fact, good for us—and, alongside memory, it is a required function for our minds to work best. Forgetting benefits our cognitive and creative abilities, emotional well-being, and even our personal and societal health. As frustrating as a typical lapse can be, it’s precisely what opens up our minds to making better decisions, experiencing joy and relationships, and flourishing artistically. From studies of bonobos in the wild to visits with the iconic painter Jasper Johns and the renowned decision-making expert Daniel Kahneman, Small looks across disciplines to put new scientific findings into illuminating context while also revealing groundbreaking developments about Alzheimer’s disease. The next time you forget where you left your keys, remember that a little forgetting does a lot of good.

Attu Simon and Schuster

Nominated as one of America’s best-loved

novels by PBS’s *The Great American Read*. A love story, an adventure, and an epic of the frontier, Larry McMurtry’s Pulitzer Prize-winning classic, *Lonesome Dove*, the third book in the *Lonesome Dove* tetralogy, is the grandest novel ever written about the last defiant wilderness of America. Journey to the dusty little Texas town of Lonesome Dove and meet an unforgettable assortment of heroes and outlaws, whores and ladies, Indians and settlers. Richly authentic, beautifully written, always dramatic, *Lonesome Dove* is a book to make us laugh, weep, dream, and remember.

The Benefits of Not Remembering

University of Texas Press

A New York Times bestseller! “Lively and absorbing. . .” — The New York Times Book Review “Engrossing.” —Wall Street Journal “Entertaining and well-researched . . .” —Houston Chronicle Three noted Texan writers combine forces to tell the real story of the Alamo, dispelling the myths, exploring why they had their day for so long, and explaining why the ugly fight about its meaning is now coming to a head. Every nation needs its creation myth, and since Texas was a nation before

it was a state, it's no surprise that its myths bite deep. There's no piece of history more important to Texans than the Battle of the Alamo, when Davy Crockett and a band of rebels went down in a blaze of glory fighting for independence from Mexico, losing the battle but setting Texas up to win the war. However, that version of events, as *Forget the Alamo* definitively shows, owes more to fantasy than reality. Just as the site of the Alamo was left in ruins for decades, its story was forgotten and twisted over time, with the contributions of Tejanos--Texans of Mexican origin, who fought alongside the Anglo rebels--scrubbed from the record, and the origin of the conflict over Mexico's push to abolish slavery papered over. *Forget the Alamo* provocatively explains the true story of the battle against the backdrop of Texas's struggle for independence, then shows how the sausage of myth got made in the Jim Crow South of the late nineteenth and early twentieth century. As uncomfortable as it may be to hear for some, celebrating the Alamo has long had an echo of celebrating whiteness. In the past forty-some years, waves of revisionists have come at this

topic, and at times have made real progress toward a more nuanced and inclusive story that doesn't alienate anyone. But we are not living in one of those times; the fight over the Alamo's meaning has become more pitched than ever in the past few years, even violent, as Texas's future begins to look more and more different from its past. It's the perfect time for a wise and generous-spirited book that shines the bright light of the truth into a place that's gotten awfully dark.

A Novel Penguin

In this literary novel set in nineteenth-century Texas, a Tejana lesbian cowgirl embarks on an adventure after the fall of the Alamo. Micaela Campos witnesses the violence against Mexicans, African Americans, and indigenous peoples after the infamous battles of the Alamo and of San Jacinto, both in 1836. Resisting an easy opposition between good versus evil and brown versus white characters, the novel also features Micaela's Mexican-Anglo cousin who assists and hinders her progress. Micaela's travels give us a new portrayal of the American West, populated by people of mixed races who are vexed

by the collision of cultures and politics. Ultimately, Micaela's journey and her romance with a Black/American Indian woman teach her that there are no easy solutions to the injustices that birthed the Texas Republic . . . This novel is an intervention in queer history and fiction with its love story between two women of color in mid-nineteenth-century Texas. Pérez also shows how a colonial past still haunts our nation's imagination. The battles of the Alamo and San Jacinto offered freedom and liberty to Texans, but what is often erased from the story is that common people who were Mexican, Indian, and Black did not necessarily benefit from the influx of so many Anglo immigrants to Texas. The social themes and identity issues that Pérez explores—political climate, debates over immigration, and historical revision of the American West—are current today. "Pérez's sparse, clean writing style is a blend of Cormac McCarthy, Carson McCullers, and Annie Proulx. This makes for a quick and engrossing reading experience as the narrative has a fluid quality about it." —Alicia Gaspar de Alba, professor and chair of Chicana and

Chicano Studies, University of California, Los Angeles, and author of *Sor Juana's Second Dream* "Riveting . . . Emma Pérez captures well the violence and the chaos of the southwest borderlands during the time of territorial and international disputes in the 1800s. . . . Perez vividly depicts the conflicts between nations with

the authority of a historian and with language belonging to a poet. A fine, fine read." —Helena Maria Viramontes, author of *Their Dogs Came with Them* "Pérez's new novel . . . Powerfully presents a revenge tale from an unusual point of view, that of a displaced Chicana in 1836

Texas. . . . The writing is sharp and clever. The dialogue is realistic." —Lambda Literary, Lambda Award Finalist "Filled with lush beauty, harshness, and horrifying brutality, this is one of those books in which you just KNOW what's going to happen at the end—but you're wrong." —The Gay & Lesbian Review
