Ethics - BACP Ethical Framework for the Counselling Professions

Ethical issues in counseling generally fall on the therapist. This means that it is the therapist's responsibility to avoid unethical interactions with patients. This article will take a closer look at what the therapist's ethical responsibilities entail, and examine some common ethical problems faced by mental health professionals.

Ethics in counselling provides a moral framework and a set of values that the counsellor abides by as a way of being. These values are a commitment to keep the client's wellbeing at the heart of their counselling practice, to promote the autonomy of the client and to value the trust placed in the counsellor.
