After surviving
an attempt on
his life in
Paris, Sherlock

Holmes
returns to
London, where
the Great
Detective is
almost
immediately
enlisted by his
brother to
secure the
safety of the
delegates at a
top-secret
peace

conference.
With Europe a
veritable
powder keg in
the years
before World
War I, Holmes
understands
any misstep
on his part
could prove
fatal and
possibly
plunge the

continent into war. However, after pledging to do his utmost for "King and Country," Holmes suddenly finds himself overwhelmed by an onslaught of cases. An old friend requests his assistance in recovering a priceless manuscript which has gone missing from the British Museum. Accused of accepting bribes from a smuggling ring, Inspector Lestrade, who has been

suspended from Scotland Yard, turns to Holmes for help. Add in a beautiful newlywed who claims her husband is trying to murder her, and it is easy to see why Watson compares the tasks confronting his friend to the Labours of Hercules. From a secret pied-à-terre in the City of Lights, to the Rare Book Room in the British Museum, to the Whispering Gallery in St. Paul's

Cathedral, to the waterfront along the Thames, Holmes and Watson find themselves on the trail of an elusive quarry for whom murder is merely another move in an elaborate game of cat-and-mouse. [Sherlock](#) Createspace Independent Publishing Platform Here is the first of the "lost" diaries of Sir Arthur Conan Doyle, written in 1878 while he was a nineteen-year-old student at

the University of Edinburgh Medical School. This rollicking story of high adventure begins with Sir Arthur Conan Doyle as the clerk for the legendary Doctor Joseph Bell—who became the real-life inspiration for the world's most famous literary detective, Sherlock Holmes. This diary details how Doyle and Dr. Bell journey to America on a secret forensic mission to solve a string of grisly and

mysterious murders. Peopled with Doyle's real-life contemporaries—including JM Barrie and Robert Louis Stevenson, both of whom attended the University of Edinburgh with Doyle, it is an exciting mix of murder, mystery, literary history, and humor sure to please Sherlock Holmes fans everywhere! [The Whole Art of Detection](#) The Vatican Cameos Sherlock Holmes and Doctor Watson

take on the case of Mr Avery Quill, whose daughter has mysteriously disappeared. The investigation has hardly begun when her body is discovered, and Mr Quill is himself murdered in the same manner. The killer leaves visiting cards, emblazoned with the head of the Gorgon, at the scenes of his crimes, and Holmes connects these to a strange club known as 'The One Hundred per Cent

Society'. He learns little there, except that the members are all outcasts from noble families. The following morning a visitor arrives at Baker Street, to tell Holmes and Watson that the Society has a sinister purpose and that its leader has identified them as an obstacle to his plans which must be removed. Thus begins a battle with a new and merciless adversary, whose madness and

thirst for revenge threaten to bring about the deaths of an apparently unconnected group of people. The Great Detective pits his skills against an enemy whose very appearance is uncertain. Sherlock Holmes Detected Newton Abbot ; Vancouver : David & Charles Follow the great detective as he investigates three baffling cases at the "espress

desire of his Holiness, the Pope." -- Back cover. *Murder in the Vatican* Penguin UK When popular mystery writer Sebastian McCabe agreed to take part in a literary debate in London, he had no clue that he would wind up as both investigator and suspect in the strangest case of his amateur sleuthing career. Arthur James Phillimore, investment guru to the stars and member of an

elite Sherlock Holmes society, steps back into his home to fetch an umbrella one rainy day and is never seen alive again. The mystery is eerily evocative of one of Dr. Watson's most famous untold tales, the disappearance of Mr. James Phillimore. But this Phillimore soon reappears - dead. Jeff Cody and Lynda Teal, also in London on the second leg of their honeymoon, get swept up in the bizarre

case as well. From the home gym of a gorgeous movie star (the second Mrs. Phillimore) to the flying office an airline entrepreneur, they help McCabe chase down clues all over London. For the journalist Lynda, it's a big story. For Jeff, it's a big distraction from the joys of married life. Dogging them along the way is the shadow of Sherlock Holmes, the one subject that several of the characters

have in common. The great detective is also a figure for whom Lynda - to Jeff's dismay and consternation - evinces a growing fascination. Humor, romance, and mystery once again combine in an engaging McCabe-Cody adventure sure to delight the growing fan base of this series.

The Druid of Death
National Geographic Books
A visit from a young woman

with a guilty conscience causes Sherlock Holmes and Doctor Watson to investigate the arrest of her ex-fiance. Imprisoned while awaiting trial for the murder of the lover of his wife-to-be, he seems certain to receive the ultimate punishment.

Three May Keep a Secret Dutton Adult
A world-famous biographer reveals the strange relationship between Sir Arthur Conan Doyle's real

life and that of Sherlock Holmes in the engrossing *The Man Who Would Be Sherlock*. Though best known for the fictional cases of his creation Sherlock Holmes, Conan Doyle was involved in dozens of real life cases, solving many, and zealously campaigning for justice in all. Stanford thoroughly and convincingly makes the case that the details of the many events Doyle was involved in, and

caricatures of those involved, would provide Conan Doyle the fodder for many of the adventures of the violin-playing detective. There can be few (if any) literary creations who have found such a consistent yet evolving independent life as Holmes. He is a paradigm that can be endlessly changed yet always maintains an underlying consistent identity, both drug addict

and perfect example of the analytic mind, and as Christopher Sandford demonstrates so clearly, in many of these respects he mirrors his creator.

When the papal apartments are burgled in 1901, Sherlock Holmes is summoned to Rome by Pope Leo XII. After learning from the pontiff that several priceless cameos that could prove

compromising to the church, and perhaps determine the future of the newly unified Italy, have been stolen, Holmes is asked to recover them. In a parallel story, Michelangelo, the toast of Rome in 1501 after the unveiling of his Pieta, is commissioned by Pope Alexander VI, the last of the Borgia pontiffs, with creating the cameos that will bedevil Holmes and the papacy four centuries later. For fans

of Conan Doyle's immortal detective, the game is always afoot. However, the great detective has never encountered an adversary quite like the one with whom he crosses swords in "The Vatican Cameos." *The Vatican Cameos* Andrews UK Limited Sherlock Holmes is missing. Dr. Watson receives a cursed note, summoning him to the city of Milan. In his

plight, he turns to the one person who can help him: Mycroft Holmes, secret agent and eternally concerned elder brother. Mycroft has to team up with Dr. Watson and fellow agent Victoria Trevor to follow Sherlock's trail and stand against the dark forces that threaten his life. *Queens of the Renaissance* Andrews UK Limited »The Adventure of the Dying Detective« is a short story

by Arthur Conan Doyle, about the brilliant Victorian detective Sherlock Holmes. It was first published in 1913. SIR ARTHUR CONAN DOYLE [1859-1930], was a Scottish physician and author, best known for his stories about the groundbreaking master detective Sherlock Holmes. Doyle wrote a total of 56 short stories and four novels about Sherlock Holmes and his constant

companion Dr. Watson. [Auntie Poldi](#) [And The Lost Madonna](#) Modernista It is 1896. Mrs. Hudson and her colleagues are traveling to Athens to attend the first Olympiad in more than 2000 years. Indeed, Holmes is to participate in the foils competition as a member of Great Britain's Olympic team. But the trip is more than just fun and games. The three members of London's first and foremost consulting

detective agency are, in fact, engaged in a delicate bit of undercover work on behalf of Queen and country. They are to secure a letter being sent by courier to Queen Victoria from her daughter, the Dowager Empress of Germany. Peace between the two nations may well depend on the contents of that letter. They arrive to find both the courier and the wife of the British Ambassador

shot dead in the Ambassador's residence. The letter and the Ambassador are nowhere to be found. They discover, too, that Inspector Lestrade is already in Athens investigating the sale of fake antiquities to the wife of the Ambassador. The Baker Street trio has the ten days of the Olympiad to recover the critical letter, capture a double murderer, and uncover the secret behind

the scheme to pass off copies of Greek antiquities as genuine—all while Holmes seeks to dispatch his fencing competition and win an Olympic medal.

[The Hound of the Baskervilles: A Sherlock Holmes Adventure \(Collins Classics\)](#)

University of Iowa Press

This collection of short mysteries by the international bestselling author of *Dust and Shadow* “belongs on

the top shelf with the very best of Doyle's" (Nicholas Meyer, author of *The Seven-Per-Cent Solution*). Inspired by Sir Arthur Conan Doyle's Sherlock Holmes and Dr. John Watson, Edgar Award-finalist Lyndsay Faye has masterfully woven these quintessential characters into her own works of fiction—from her acclaimed debut novel, *Dust and Shadow*, to a series of short stories for the

Strand Magazine, whose predecessor published the first Sherlock Holmes story in 1892. The best of Faye's Sherlockian tales, including two new works, are brought together in a collection that spans the character's career, from self-taught upstart to lauded detective, both before and after he faked his own death over a Swiss waterfall in 1894. In "The Lowther Park Mystery," the

unsociable Holmes is forced to attend a garden party at the request of his politician brother and improvises a bit of theater to foil a conspiracy against the government. "The Adventure of the Thames Tunnel" brings Holmes's attention to the murder of a jewel thief in the middle of an underground railway passage. With Holmes and Watson encountering all manner of

ungrateful relatives, phony psychologists, wronged wives, outright villains, and even a peculiar species of deadly red leech, *The Whole Art of Detection* is a must-read for any fan of historical crime fiction. “If Lyndsay Faye’s byline weren’t on the cover, readers might deduce that the Sherlock Holmes mysteries in *The Whole Art of Detection* actually came from Sir Arthur Conan

Doyle.” —David Martindale, Fort Worth Star-Telegram
Sherlock Holmes: Ten Literary Studies
 Andrews UK Limited
 In *Mirrors*, Galeano smashes aside the narrative of conventional history and arranges the shards into a new pattern, to reveal the past in radically altered form. From the Garden of Eden to twenty-first-century cityscapes, we glimpse

fragments in the lives of those who have been overlooked by traditional histories: the artists, the servants, the gods and the visionaries, the black slaves who built the White House, and the women who were bartered for dynastic ends
Mrs Hudson's Olympic Triumph
 Andrews UK Limited
 A brilliant and subtle comedy on the social rivalries of a small village between the wars. Lucia is

probably the greatest creation of E. F. Benson, a social climbing socialite from the small village of Riseholme. A beautifully written and sharply observed comedy, exploring the social life of Edwardian high society. This novel, originally published fourth in the series in 1931, is being republished here together with a new introductory biography of the author.

Mrs. Hudson is possibly the most famous landlady in literature. Presiding over the comings and goings at 221B Baker Street, she saw many clients, villains and Baker Street Irregulars during the tenancy of Sherlock Holmes and Dr. Watson. This series of columns, thoughts, recipes and memoirs are from a long-running column in the Sherlockian journal Canadian

Holmes. In it the author, Wendy Heyman-Marsaw, puts herself in Mrs. Hudson's shoes, up and down the 17 steps, and recounts not only the time and era but the food, dining and eating habits of Victorian England. This book explores the meals Mrs. Hudson would have prepared and served her two famous lodgers, what food they would have had while on rail journeys or eaten at hotels around

London or inns around England. You will also learn about Mrs. Hudson herself, her husband and even her views towards women's roles and rights in Victorian times. With many illustrations from the Strand Magazine, readers will get a rare peek inside Victorian life. *Mapp and Lucia* Macmillan + ORM
If hit Netflix show CHEER had you hooked, you will love this!

'AN INSTANT FAVOURITE!' Beth Reekles, author of THE KISSING BOOTH Star cheerleader Dallas Bryan has a problem on her hands - and his name is Drayton Lahey. Ever since the hot star quarterback of Archwood High football team hit her car with his motorcycle, he's had the annoying ability to get under her skin. Dallas has been thinking about Drayton way more than she should... in all the ways that

she shouldn't. But Dallas has one goal - to pursue her dance-school dreams in California - and no one, not even a green-eyed football god, will stop her. As sparks fly, Dallas begins to wonder whether Drayton could cost her dreams... if he doesn't break her heart first... A fiery, seriously addictive and steamy debut, perfect for fans of The Kissing Booth. ***PRAISE FOR THE QB BAD BOY AND ME*** This

book was such a page-turner! It was funny, perfectly paced, and always kept me guessing. An instant favorite!" - Beth Reekles, author of *The Kissing Booth* "A story filled with tons of plays that will hit you right in the feels." - Anna Todd, New York Times best-selling author of *After* *The Alternative Sherlock Holmes* HarperCollins A quiet morning at Baker Street is thrown into turmoil by the

arrival of Inspector Lestrade who informs Holmes a man's body has been discovered in the Tower Bridge which was then under construction. That grisly event proves to be the opening salvo in a terrifying game of wits between Holmes and an unknown adversary. Determined to make Sherlock Holmes suffer, the ruthless foe launches a campaign of terror against the Great Detective.

However, instead of striking at Holmes directly, this nemesis targets those in the Great Detective's limited circle of friends and acquaintances. Stymied, Holmes must first ascertain why he has been targeted because he cannot retaliate until he discovers who is behind this persecution. With moves and countermoves, gambits declined and accepted, the struggle soon evolves into a

human chess game between Holmes and a grandmaster of evil - where each move might have untold consequences on the lives and reputations of those on both sides.

During the elaborate funeral for Queen Victoria, a group of Irish separatists breaks into Westminster Abbey and steals the Coronation Stone, on which every monarch of England has been crowned since the 14th century. After learning of the theft from Mycroft, Sherlock Holmes is tasked with recovering the

stone and returning it to England. In pursuit of the many-named stone, which has a rich and colorful history, Holmes and Watson travel to Ireland in disguise as they try to infiltrate the Irish Republican Brotherhood, the group they believe responsible for the theft. The story features a number of historical characters, including a very young Michael Collins, who would go on to play a

prominent role in Irish history; John Theodore Tussaud, the grandson of Madame Tussaud; and George Bradley, the dean of Westminster at the time of the theft. There are also references to a number of other Victorian	luminaries, including Joseph Lister and Frederick Treves. For fans of Conan Doyle's immortal detective, the game is always afoot. However, for the great detective the stakes have never been higher as he must mollify a	king who refuses to ascend the throne until "order has been restored." <u>Sherlock and Transmedia Fandom</u> Ignatius Press HarperCollins is proud to present its new range of best-loved, essential classics.
