A brave teen recounts her debilitating struggle with obsessive-compulsive disorder—and brings readers through every painful step as she finds her way to the other side—in this powerful and inspiring memoir. Until sophomore year of high school, fifteen-year-old Allison Britz lived a comfortable life in an idyllic town. She was a dedicated student with tons of extracurricular activities, friends, and loving parents at home. But after awakening from a vivid nightmare in which she was diagnosed with brain cancer, she was convinced the dream had been a warning. Allison believed that she must do something to stop the cancer in her dream from becoming a reality. It started with avoiding sidewalk cracks and quickly grew to counting steps as loudly as possible. Over the following weeks, her brain listed more dangers and fixes. She had to avoid hair dryers, calculators, cell phones, computers, anything green, bananas, oatmeal, and most of her own clothing. Unable to act “normal,” the once-popular Allison became an outcast. Her parents

questioned her behavior, leading to explosive fights. When notebook paper, pencils, and most schoolbooks were declared dangerous to her health, her GPA imploded, along with her plans for the future. Finally, she allowed herself to ask for help and was diagnosed with obsessive-compulsive disorder. This brave memoir tracks Allison’s descent and ultimately hopeful climb out of the depths.

WARNING: This is not the actual book Looking for Alaska by John Green. Do not buy this reading Sidekick if you are looking for a full copy of this great book. Use this expert sidekick to dissect these themes in Looking for Alaska, while enjoying a detailed analysis of each chapter of the book. If that wasn't enough, we close with potential questions and responses to help you get the conversation started with co-workers, friends, or fellow book club members. This newly discovered gem from the past (2005) has become a must-read, thanks in no small part to the success of Green's 2012 masterpiece: *The Fault in Our Stars*. As many Green fans have already discovered, our sidekick is the ultimate go-to source for understanding the complexities of John Green's tales of teen angst and tragedy. Looking for Alaska tells the story of Miles Halter, a 16-year-old with a nondescript life

who is seeking a "Great Perhaps." In his quest, he finds himself at the Culver Creek Boarding School, where his past life of boredom and safety takes a back seat to adventure and sexual experimentation. His trek to the other side of the tracks takes him only a few steps, as he meets Alaska Young just down the hall at school. She is sexy, funny, and everything else that makes teenage boys drool. She is also a self-destructive sort, headed toward the "After" portion of Looking for Alaska, where everything comes crashing down. As our sidekick details, the themes of life and death weave their way through the novel, drawing the characters closer together while preparing them for something that will rip them apart.

**Mine Till Midnight** Penguin

In her highly anticipated new novel, Judy Blume, the New York Times # 1 best-selling author of *Summer Sisters* and of young adult classics such as *Are You There God? It's Me, Margaret*, creates a richly textured and moving story of three generations of families, friends and strangers, whose lives are profoundly changed by unexpected events. In 1987, Miri Ammerman returns to her hometown of Elizabeth, New Jersey, to attend a commemoration of the worst year of her life. Thirty-five years earlier, when Miri was fifteen, and in love for the first time, a succession of

airplanes fell from the sky, leaving a community reeling. Against this backdrop of actual events that Blume experienced in the early 1950s, when airline travel was new and exciting and everyone dreamed of going somewhere, she paints a vivid portrait of a particular time and place—Nat King Cole singing “Unforgettable,” Elizabeth Taylor haircuts, young (and not-so-young) love, explosive friendships, A-bomb hysteria, rumors of Communist threat. And a young journalist who makes his name reporting tragedy. Through it all, one generation reminds another that life goes on. In the Unlikely Event is vintage Judy Blume, with all the hallmarks of Judy Blume’s unparalleled storytelling, and full of memorable characters who cope with loss, remember the good times and, finally, wonder at the joy that keeps them going. Early reviewers have already weighed in: “Like many family stories, this one is not without its life-changing secrets and surprises. There is no surprise that the book is smoothly written, and its story compelling. The setting—the early 1950s—is especially well realized through period references and incidents.” —Booklist (starred review) and “In Blume’s latest adult novel . . . young and old alike must learn to come to terms with technological disaster and social change. Her novel is characteristically accessible, frequently charming and always deeply human.” —Publishers Weekly

Special edition slipcase edition of John Green's Paper Towns, with pop-up paper town. From the bestselling author of *The Fault in our Stars*. Quentin Jacobsen has always loved Margo Roth Spiegelman, for Margo (and her adventures) are the stuff of legend at their high school. So when she one day climbs through his window and summons him on an all-night road trip of revenge he cannot help but follow. But the next day Margo doesn't come to school and a week later she is still missing. Q soon learns that there are clues in her disappearance . . . and they are for him. But as he gets deeper into the mystery - culminating in another awesome road trip across America - he becomes less sure of who and what he is looking for. Masterfully written by John Green, this is a thoughtful, insightful and hilarious coming-of-age story.

THE INSTANT #1 NEW YORK TIMES BESTSELLER “Sparkling with mystery, humor and the uncanny, this is a fun read. But beneath its effervescent tone, more complex themes are at play.” —San Francisco Chronicle In his wildly entertaining debut novel, Hank Green—cocreator of *Crash Course*, *Vlogbrothers*, and *SciShow*—spins a sweeping, cinematic tale about a young woman who becomes an overnight celebrity before realizing she's part of something bigger, and stranger, than anyone could have possibly imagined. The Carls just appeared. Roaming through New York City at three a.m., twenty-three-year-old April May stumbles across a giant sculpture. Delighted by its appearance and craftsmanship—like a ten-foot-tall Transformer wearing a suit of samurai armor—April and her best friend, Andy, make a video with it, which Andy uploads to YouTube. The next day, April wakes up to a viral video and a new life. News quickly spreads that there are Carls in dozens of cities around the world—from Beijing to Buenos Aires—and April, as their first documentarian, finds herself at the center of an intense international media spotlight. Seizing the opportunity to make her mark on the world, April now has to deal with the consequences her new particular brand of fame has on her relationships, her safety, and her own identity. And all eyes are on April to figure out not just what the Carls are, but what they want from us. Compulsively entertaining and powerfully relevant, *An Absolutely Remarkable Thing* grapples with big themes, including how the social internet is changing fame, rhetoric, and radicalization; how our culture deals with fear and uncertainty; and how vilification and adoration spring for the same dehumanization that follows a life in the public eye. The beginning of an exciting fiction career, *An Absolutely Remarkable Thing* is a bold and insightful novel of now.

*The Life and Words of Esther Grace Earl* Harper Collins

A deeply moving and insightful collection of personal essays from #1 bestselling author John Green. The Anthropocene is the current geologic age, in which humans have profoundly reshaped the planet and its biodiversity. In this remarkable symphony of essays adapted and expanded from his groundbreaking podcast, bestselling author John Green reviews different facets of the human-centered planet on a five-star scale—from the QWERTY keyboard and sunsets to Canada geese and Penguins of Madagascar. Funny, complex, and rich with detail, the reviews chart the contradictions of contemporary humanity. As a species, we are both far too powerful and not nearly powerful enough, a paradox that came into sharp focus as we faced a global pandemic that both separated us and bound us together. John Green’s gift for storytelling shines throughout this masterful collection. *The Anthropocene Reviewed* is a open-hearted exploration of the paths we forge and an unironic celebration of falling in love with the world.

Part coming of age, part call to action, this fast-paced #ownvoices novel about a Deaf teenager is a unique and inspiring exploration of what it means to belong. Smart, artistic, and independent, sixteen year old Piper is tired of trying to conform. Her mom wants her to be “normal,” to pass as hearing, to get a good job. But in a time of food scarcity, environmental collapse, and political corruption, Piper has other things on her mind—like survival. Piper has always been told that she needs to compensate for her Deafness in a world made for those who can hear. But when she meets Marley, a new world opens up—one where Deafness is something to celebrate, and where resilience means taking action, building a com-munity, and believing in something better. Published to rave reviews as *Future Girl in Australia* (Allen & Unwin, Sept. 2020), this empowering, unforgettable story is told through a visual extravaganza of text, paint, collage, and drawings. Set in an ominously prescient near future, *The Words in My Hands* is very much a novel for our turbulent times.

10:00 tonight at the water tower. Tell no one. -Chaos Club When Max receives a mysterious invite from the untraceable, epic prank-pulling Chaos Club, he has to ask: why him? After all, he's Mr. 2.5 GPA, Mr. No Social Life. He's Just Max. And his favorite heist movies have taught him this situation calls for Rule #4: Be suspicious. But it's also his one shot to leave Just Max in the dust... Yeah, not so much. Max and four fellow students-who also received invites-are standing on the newly defaced water tower when campus security "catches" them. Definitely a setup. And this time, Max has had enough. It's time for Rule #7: Always get payback. Let the prank war begin. Oceans 11 meets *The Breakfast Club* in this entertaining, fast-paced debut filled with pranks and cons that will keep readers on their toes, never sure who's pulling the strings or what's coming next.

*The New Mitford Novel* St. Martin's Paperbacks

#1 New York Times bestselling author Jan Karon welcomes you back home to Mitford in this inspirational novel that “hits the sweet spot at the intersection of your heart and your funny bone” (*USA Today*). After five hectic years of retirement from Lord’s Chapel, Father Tim Kavanagh returns with his wife, Cynthia, from the land of his Irish ancestors. While he’s glad to be at home in Mitford, something is definitely missing from his life: a pulpit. But when he’s offered one, he decides he doesn’t want it. For years, he believed he had a few answers. Now he has questions. How can he possibly help Dooley’s younger brother, Sammy, make it through the fallout of a disasterous childhood? Could doing a good deed for the town bookstore be the best thing for his befuddled spirit? And who was riding through town in a limo? Not Edith Mallory. Then an editorial in the weekly *Muse* poses a question that sets the whole town looking for answers: Does Mitford still take care of its own?

*Somewhere Safe with Somebody Good* Simon and Schuster

Code Name Verity meets Jennifer Donnelly’s *Revolution* in this gripping debut novel. NOW: Sixteen-year-old Alice is spending the summer in Paris, but she isn’t there for pastries and walks along the Seine. When her grandmother passed away two months ago, she left Alice an apartment in France that no one knew existed. An apartment that has been locked for more than seventy years. Alice is determined to find out why the apartment was abandoned and why her grandmother never once mentioned the family she left behind when she moved to America after World War II. With the help of Paul, a charming Parisian student, she sets out to uncover the truth. However, the more time she spends digging through the mysteries of the past, the more she realizes there are secrets in the present that her family is still refusing to talk about. THEN: Sixteen-year-old Adalyn doesn’t recognize Paris anymore. Everywhere she looks, there are Nazis, and every day brings a new horror of life under the Occupation. When she meets Luc, the dashing and enigmatic leader of a resistance group, Adalyn feels she finally has a chance to fight back. But keeping up the appearance of being a much-admired socialite while working to undermine the Nazis is more complicated than she could have imagined. As the war goes on, Adalyn finds herself having to make more and more compromises—to her safety, to her reputation, and to her relationships with the people she loves the most.

A saucy spitfire who has grown into a ravishing young woman, Whitney Stone returns from her triumphant time in Paris society to England. She plans on marrying her childhood sweetheart, only to discover she has been bargained away by her bankrupt father to the arrogant and alluring Clayton Westmoreland, the Duke of Claymore. Outraged, she defies her new lord. But even as his smoldering passion seduces her into a gathering storm of desire, Whitney cannot—will not—relinquish her dream of perfect love. Rich with emotion, brimming with laughter and tears, Whitney, My Love is “the ultimate love story, one you can dream about forever” (*RT Book Reviews*).

*The Everlost* Annick Press

From the blockbuster New York Times bestselling author Lisa Kleypas comes *Mine Till Midnight*, the

first title in the beloved regency romance series *The Hathaways*. When an unexpected inheritance elevates her family to the ranks of the aristocracy, Amelia Hathaway discovers that tending to her younger sisters and wayward brother was easy compared to navigating the intricacies of the ton. Even more challenging: the attraction she feels for the tall, dark, and dangerously handsome Cam Rohan. Wealthy beyond most men's dreams, Cam has tired of society's petty restrictions and longs to return to his "uncivilized" Gypsy roots. When the delectable Amelia appeals to him for help, he intends to offer only friendship—but intentions are no match for the desire that blindsides them both. But can a man who spurns tradition be tempted into that most time-honored arrangement: marriage? Life in London society is about to get a whole lot hotter.
