Spiritual Coaching Toolkit W. W. Norton & Company
 Christianity Today 2023 Book Award Finalist (Bible & Devotional) Sheltering Mercy helps us rediscover the rich treasures of the Psalms--through free-verse prayer renderings of their poems and hymns--as a guide to personal devotion and meditation. The church has always used the Psalms as part of its prayer life, and they have inspired countless other prayers. This book contains 75 prayers drawn from Psalms 1-75, providing lyrical sketches of what authors Ryan Whitaker Smith and Dan Wilt have seen, heard, and felt while sojourning in the Psalms. While each

prayer corresponds to a particular psalm and touches on its themes and ideas, it is not a new translation of the Psalms or an attempt to modernize or contextualize their content or language. Rather, the prayers are responses to the Psalms written in harmony with Scripture. These prayers help us quiet our hearts before God and welcome us into a safe place amid the storms of life. This artful, poetic, and classic devotional book features compelling custom illustrations and beautiful hardcover binding, offering a fresh way to reflect on and pray the Psalms.

To live your life to the full, you need a healthy body, soul, and spirit. Although this sounds like a daunting task, you can discover a healthier way of living through spiritual fasting, a practice that touches

every element of spirit, body, and soul. Serving as a vital checkpoint, fasting is an opportunity to clear the clutter, noise, and junk from your system. In turn, as you lean in to God and listen for His direction, you will become spiritually full, mentally well, and physically energized. The book Daniel Fast Journey makes the Daniel Fast accessible for you by showing you the importance of fasting, the spiritual foundation of fasting (spirit), how to prepare your mind for fasting (mind), the ins-and-outs of the Daniel fast (body). Once you've discovered the holistic health benefits for your spirit, soul, and body and committed to fasting,, you can dive into the last part of the book that contains recipes and meal plans for use whenever you engage in a Daniel Fast. As you learn to make fasting a regular part of your life, you will hear from God, find direction and purpose, and flourish in your health.

God created prayer as a personal, intimate way for us to connect to, talk to, and listen to Him. But how many times have you felt like the prayer culture at your church is inconsistent at best? This thirty-day leaders resource ties solid biblical teaching with practical ways on how to make prayer a lifestyle habit. Author and pastor John Franklin will equip and challenge your church not only to develop an enjoyable prayer life but also to help you get to know your Heavenly Father better. Includes basics on Focusing on God Responding from the heart Seeking His kingdom *Romans* Tyndale House Publishers, Inc. Over the past six years of my life, I have endeavored to walk with Christ. In my Christian walk I have had many questions; some of which were answered through preaching, others through the counseling of mentors, and still others through the information contained within books that I have had the privilege to read. Though many of these questions were unspoken I was still able to recognize the answers as they came. This book has opened a whole new world of understanding for me. Its chart, easy reading, and simple terminology made its wealth of information very palatable and easily digestible. Some of the fears that I have previously had about committing to extended fast have not only been addressed but also actually eliminated by the application of the principles I have received from this text.

Pete Greig is a worldwide authority and the face of a generation when it comes to prayer. One of the founders of the 24-7 prayer movement, he has seen, experienced, and chronicled amazing works of God in the world. While you might imagine him to be puffed up, Pete Greig is entirely the opposite. He is enchanting, down-to-earth, friendly, and most of all, very normal--and yet he tells preposterous tales about prayer (and they're true). He is basically a regular dude who loves to talk with God. *How to Pray* is written to evoke a passion for prayer in everyone--the

committed follower of Jesus as well as the skeptic and the scared. The enormous blessing of *How to Pray* is that it is accessible, full of surprising stories of answered prayer, and tremendously engaging. The basic idea is that prayer is a conversation between you and God. Pete Greig demystifies and reenchants prayer, helping you to find prayer achievable and enjoyable, and ultimately life-giving and life-changing. *How to Pray* is designed to be used together with *The Prayer Course* (a free video curriculum associated with the Alpha course), making it useful for personal and group or church-wide reading.

Master-certified life coaches with the Institute for Life Coach Training, founded by Williams, introduce life coaching as an "operating system" for helping people navigate life transitions. After reviewing the history of this new profession, they discuss the skills entailed; distinctions between coaching, consulting, mentoring, and therapy; defining/refining life purpose; and dealing with obstacles by developing "flexible optimism." Chapters drawing on eclectic sources (e.g., poets, psychologists, *The Purpose-Driven Life*) include frequently asked questions, exercises for both coaches and clients, and resources.

Discover the prayer habits of world-changing ministry leaders that will transform your life and your leadership. Experienced leaders will tell you that you can't lead on your own. The pressure, the impossible decisions, the high risks, the temptations, the people, the overwhelming schedule—it's too much. Some leaders seek outside help. They pray. Looking for help in their own leadership, entrepreneur Ryan Skoog, CEO Peter Greer, and executive advisor Cameron Doolittle set out to investigate how leaders pray. What do they say to God? How often do they pray, and for how long? Where do they pray? And how on earth do they make time for prayer? Skoog, Greer, and Doolittle spent three years researching. They logged over one hundred hours of interviews with leaders in six continents who collectively serve in over one hundred countries. They researched or spoke with global entrepreneurs and business executives of Fortune 500 companies, as well as some of the most influential pastors and ministry leaders in the world—leaders such as Joni Eareckson Tada Francis Chan John Mark Comer Christine Caine David Green Mark Batterson Among countless others. Here in this book, the authors share the spiritual habits, techniques, and practices of these world-changing leaders, revealing specific details of their prayer lives. In addition, the book includes prayers for leaders to use in their own prayer time as well as tools for how to cultivate a personal and organizational commitment to prayer. By allowing these men and women to lead us in prayer, we learn not only how to pray but also how to build a culture of prayer wherever we lead. It is only when our businesses, ministries, and churches pray that they will be transformed.
