Claude Lorrain (1604-82)
is known as the father of
European landscape
painting. This book sets
out to re-appraise his
work and look at it
through fresh eyes. It
unites in a single volume
paintings, drawings, and
prints from all periods of
the artist's life.

Giotto W. W. Norton
José Rizal has a good
claim to being the first
Asian nationalist. An
extremely talented Malay
born a hundred years ago
in a small town near
Manila, educated partly in
the Philippines and partly
in Europe, Rizal inspired
the Filipinos by his writing
and example to make the
first nationalist revolution
in Asia in 1896. Today the
Philippines revere Rizal as
their national hero, and
they regard his two books,
The Lost Eden (Noli Me
Tangere) and The
Subversive (El
Filibusterismo) as the
gospel of their
nationalism. The
Subversive, first published
in 1891, is strikingly
timely today. New nations
emerging in Africa and

Asia are once again in
conflict with their former
colonial masters, as were
the Filipinos with their
Spanish rulers in Rizal's
day. The Subversive
poses questions about
colonialism which are still
being asked today: does a
"civilizing mission" justify
subjection of a people?
Should a colony aim at
assimilation or
independence? If
independence, should it
be by peaceful evolution
or force of arms? Despite
the seriousness of its
theme, however, The
Subversive is more than a
political novel. It is a
romantic, witty, satirical
portrait of Spanish
colonial rule in the
Philippines at the end of
the nineteenth century,
written in the tradition of
the great adventure
romances. The translation
by Leon Ma. Guerrero,
Philippine ambassador to
the Court of St. James,
conveys the immediacy of
the original, and makes
this important work
available to a new
generation of readers. His
translation of The Lost
Eden is also available in
the Norton Library.

By October 1944, the US Navy had driven the devastated Japanese fleet across the far Pacific. But with each defeat, Japanese commanders became even more determined to destroy the Americans in a final decisive battle. In *Storm Over Leyte*, acclaimed historian John Prados gives readers an unprecedented look at both sides of this titanic naval clash. Drawing upon a wealth of untapped sources Prados offers up a masterful narrative that breaks new ground in our understanding of the greatest naval clash in history.

Part One Modern Library
With Dusk (originally published in the Philippines as *Po-on*), F. Sionil Jose begins his five-novel *Rosales Saga*, which the poet and critic Ricaredo Demetillo called "the first great Filipino novels written in English." Set in the 1880s, *Dusk* records the exile of a tenant family from its village and the new life it attempts to make in the small town of Rosales. Here commences the epic tale of a family unwillingly thrown into the turmoil of history. But this is more than a historical novel; it is also the eternal story of

man's tortured search for true faith and the larger meaning of existence. Jose has achieved a fiction of extraordinary scope and passion, a book as meaningful to Philippine literature as *One Hundred Years of Solitude* is to Latin American literature. "The foremost Filipino novelist in English, his novels deserve a much wider readership than the Philippines can offer."--Ian Buruma, *New York Review of Books* "Tolstoy himself, not to mention Italo Svevo, would envy the author of this story."--Chicago Tribune

Zack Eswine starts this unique pastoral resource with a captivating question: Could I now reach who I once was? Challenging the idea that today's preachers must do away with biblical or expository preaching if they are to reach non-Christian people, Eswine offers a way of preaching that embraces biblical exposition in missional

terms. Recognizing all of the different cultural situations in which the gospel must be preached, he gives preachers practical advice on preaching in a global context while remaining faithful to the Bible. Pastors, seminarians, and church and ministry leaders who speak in various contexts will welcome this fresh, thoughtful examination of bringing the Word to today's multi-everything, post-everything world.
