*To Wake the
Giant*
Ballantine
Books
In Rise to
Rebellion,

bestselling
author Jeff
Shaara
captured the
origins of the
American
Revolution as
brilliantly as
he depicted
the Civil War
in Gods and
Generals and
The Last Full

Measure. Now
he continues
the amazing
saga of how
thirteen
colonies
became a
nation, taking
the conflict
from kingdom
and courtroom
to the bold
and bloody

battlefields of war. It was never a war in which the outcome was obvious. Despite their spirit and stamina, the colonists were outmanned and outfought by the brazen British army. General George Washington found his troops trounced in the battles of Brooklyn and Manhattan and retreated toward Pennsylvania. With the future of the colonies at its lowest ebb, Washington made his most

fateful decision: to cross the Delaware River and attack the enemy. The stunning victory at Trenton began a saga of victory and defeat that concluded with the British surrender at Yorktown, a moment that changed the history of the world. The despair and triumph of America's first great army is conveyed in scenes as powerful as any Shaara has written, a story told from

the points of view of some of the most memorable characters in American history. There is George Washington, the charismatic leader who held his army together to achieve an unlikely victory; Charles Cornwallis, the no-nonsense British general, more than a match for his colonial counterpart; Nathaniel Greene, who rose from obscurity to become the finest battlefield

commander in Washington's army; The Marquis de Lafayette, the young Frenchman who brought a soldier's passion to America; and Benjamin Franklin, a brilliant man of science and philosophy who became the finest statesman of his day. From Nathan Hale to Benedict Arnold, William Howe to "Light Horse" Harry Lee, from Trenton and Valley Forge, Brandywine and Yorktown, the American

Revolution's most immortal characters and poignant moments are brought to life in remarkable Shaara style. Yet, The Glorious Cause is more than just a story of the legendary six-year struggle. It is a tribute to an amazing people who turned ideas into action and fought to declare themselves free. Above all, it is a riveting novel that both expands and surpasses its beloved author's best work.

... **General Hancock**

An illustrated overview of the life and works of a selected number of important writers in the English language from the sixteenth to the twentieth century.
The Rebel in Autumn
Oxford University Press
Have you ever awoken from a particularly vivid dream to wonder what it could possibly mean? Do our nighttime reveries have

real meaning and significance, or are they nothing more than random "white noise" generated as our brains recharge? In *The Secret of Dreams*, author Yacki Raizizun presents a remarkably comprehensive overview of the deeper meaning of these strange and wondrous mental fantasies. *The Secret of Dreams* Good Press Poems. [The Killer Angels](#) HarperCollins Returning

home from the Korean War, Tom McClain feels alienated from his family and old friends, and finds his only solace in boxing. Reprint. **Shiloh** Ballantine Books Explores how faithful to history Shaara was or was not in writing *The Killer Angels*. Compares the historical leaders with those portrayed by Shaara. [Warsaw 1920: Lenin's Failed Conquest of Europe](#) Dial Press

Michael Shaara reinvented the war novel with his Pulitzer Prize-winning masterpiece of Gettysburg, *The Killer Angels*. Jeff Shaara continued his father's legacy with a series of centuries-spanning New York Times bestsellers. Together at last in eBook form, this volume assembles three Civil War novels from America's first family of military fiction: *Gods and Generals*, *The Killer*

<p>Angels, and The Last Full Measure. Gods and Generals traces the lives, passions, and careers of the great military leaders—Thomas "Stonewall" Jackson, Winfield Scott Hancock, Joshua Chamberlain— from the gathering clouds of war. The Killer Angels re- creates the fight for America's destiny in the Battle of Gettysburg, the four most bloody and courageous</p>	<p>days of our nation's history. And The Last Full Measure brings to life the final two years of the Civil War, chasing the escalating conflict between Robert E. Lee and Ulysses S. Grant—compli- cated, heroic, and deeply troubled men—through to its riveting conclusion at Appomattox. Contains a preview Jeff Shaara's new novel of the Civil War, A Blaze of Glory. Praise for Michael Shaara and</p>	<p>Jeff Shaara's Civil War trilogy "Brilliant does not even begin to describe the Shaara gift."—The Atlanta Journal- Constitution "Shaara's beautifully sensitive novel delves deeply in the empathetic realm of psycho- history, where enemies do not exist—just mortal men forced to make crucial decisions and survive on the same battlefield."— San Francisco Chronicle, on</p>

chilling legacy. Alaska eBookIt.com The New York Times bestselling master of military historical fiction tells the story of Pearl Harbor as only he can in the first novel of a gripping new series set in World War II's Pacific theater. In 1941, President Franklin D. Roosevelt watches uneasily as the world heads rapidly down a dangerous path. The

Japanese have waged an aggressive campaign against China, and they now begin to expand their ambitions to other parts of Asia. As their expansion efforts grow bolder, their enemies know that Japan's ultimate goal is total conquest over the region, especially when the Japanese align themselves with Hitler's Germany and Mussolini's Italy, who wage their own war of conquest across Europe.

Meanwhile, the British stand nearly alone against Hitler, and there is pressure in Washington to transfer America's powerful fleet of warships from Hawaii to the Atlantic to join the fight against German U-boats that are devastating shipping. But despite deep concerns about weakening the Pacific fleet, no one believes that the main base at Pearl Harbor is under any real threat. Told

through the eyes of widely diverse characters, this story looks at all sides of the drama and puts the reader squarely in the middle. In Washington, Secretary of State Cordell Hull must balance his own concerns between President Roosevelt and the Japanese ambassador, Kichisaburo Nomura, who is little more than a puppet of his own government. In Japan, Admiral Isoroku

Yamamoto wins skeptical approval for his outrageous plans in the Pacific, yet he understands more than anyone that an attack on Pearl Harbor will start a war that Japan cannot win. In Hawaii, Commander Joseph Rochefort's job as an accomplished intelligence officer is to decode radio signals and detect the location of the Japanese fleet, but when the airwaves suddenly go silent, no one has any idea

why. And from a small Depression-ravaged town, nineteen-year-old Tommy Biggs sees the Navy as his chance to escape and happily accepts his assignment, every sailor's dream: the battleship USS Arizona. With you-are-there immediacy, Shaara opens up the mysteries of just how Japan—a small, deeply militarist nation—could launch one of history's most devastating surprise attacks. In this

story of innocence, heroism, sacrifice, and unfathomable blindness, Shaara's gift for storytelling uses these familiar wartime themes to shine a light on the personal, the painful, the tragic, and the thrilling—and on a crucial part of history we must never forget. *The League of Night and Fog* The Floating Press "Sickles is as dividing a figure in Civil War history as there is. In his masterful

work . . . Hessler . . . puts him out there with all his wrinkles" (Confederate Book Review). Winner of the Robert E. Lee Civil War Roundtable of Central New Jersey's Bachelor-Coddington Literary Award Winner of the Gettysburg Civil War Roundtable's Distinguished Book Award By licensed battlefield guide James Hessler, this is the most deeply-researched, full-length biography to appear on this

remarkable American icon. No individual who fought at Gettysburg was more controversial, both personally and professionally, than Major General Daniel E. Sickles. By 1863, Sickles was notorious as a disgraced former Congressman who murdered his wife's lover on the streets of Washington and used America's first temporary insanity defense to escape justice. With his political

career in ruins, Sickles used his connections with President Lincoln to obtain a prominent command in the Army of the Potomac's 3rd Corps—despite having no military experience. At Gettysburg, he openly disobeyed orders in one of the most controversial decisions in military history. Hessler's critically acclaimed biography is a balanced and entertaining account of

Sickles' colorful life. Civil War enthusiasts who want to understand General Sickles' scandalous life, Gettysburg's battlefield strategies, the in-fighting within the Army of the Potomac, and the development of today's National Park will find Sickles at Gettysburg a must-read. "The few other Sickles biographies available will now take a back seat to Hessler's

powerful and evocative study of the man, the general, and the legacy of the Gettysburg battlefield that old Dan left America. I highly recommend this book." —J. David Petruzzi, coauthor of *Plenty of Blame to Go Around: Jeb Stuart's Controversial Ride to Gettysburg*
A Killer Angels Companion
Ballantine Books
Filled with fresh interpretations

and information, puncturing old myths and challenging new ones, Battle Cry of Freedom will unquestionably become the standard one-volume history of the Civil War.

James McPherson's fast-paced narrative fully integrates the political, social, and military events that crowded the two decades from the outbreak of one war in Mexico to the ending of another at Appomattox.

Packed with drama and analytical insight, the book vividly recounts the momentous episodes that preceded the Civil War--the Dred Scott decision, the Lincoln-Douglas debates, John Brown's raid on Harper's Ferry--and then moves into a masterful chronicle of the war itself--the battles, the strategic maneuvering on both sides, the politics, and the personalities. Particularly notable are

McPherson's new views on such matters as the slavery expansion issue in the 1850s, the origins of the Republican Party, the causes of secession, internal dissent and anti-war opposition in the North and the South, and the reasons for the Union's victory. The book's title refers to the sentiments that informed both the Northern and Southern views of the conflict: the South seceded in the name of

that freedom of self-determination and self-government for which their fathers had fought in 1776, while the North stood fast in defense of the Union founded by those fathers as the bulwark of American liberty. Eventually, the North had to grapple with the underlying cause of the war--slavery--and adopt a policy of emancipation as a second war aim. This "new birth of freedom," as

Lincoln called it, constitutes the proudest legacy of America's bloodiest conflict. This authoritative volume makes sense of that vast and confusing "second American Revolution" we call the Civil War, a war that transformed a nation and expanded our heritage of liberty. A Chain of Thunder Modern Library Presents a collection of three novels that present a fictionalized

account of the battles of the Civil War.

The Last Full Measure

Gramercy In the last years of the Civil War, General William Tecumseh Sherman marched 60,000 Union troops through Georgia and the Carolinas, cutting a 60-mile wide swath of pillage and destruction. That event comes back in this magisterial novel. High school & older.

Causes Won,

Lost, and Forgotten

Simon and Schuster
 This is the fascinating story of Joshua Chamberlain and his volunteer regiment, the Twentieth Maine. This classic and highly acclaimed book tells how Chamberlain and his men fought at Antietam, Fredericksburg, and Chancellorsville on their way to the pivotal battle of Gettysburg. There, on July 2, 1863, at Little Round Top, they

heroically saved the left flank of the Union battle line. The Twentieth Maine's remarkable story ends with the surrender of Lee's troops at Appomattox. Considered by Civil War historians to be one of the best regimental histories ever written, this beloved standard of American history includes maps, photographs, and drawings from the original edition.

For Love of the Game

Univ of North Carolina Press
 In the Pulitzer prize-winning classic *The Killer Angels*, Michael Shaara created the finest Civil War novel of our time. *The Last Full Measure* tells the epic story of the events following the Battle of Gettysburg and brings to life the final two years of the Civil War. Jeff Shaara dramatizes the escalating confrontation between Robert E. Lee and Ulysses S.

Grant—complicated, heroic, and deeply troubled men. For Lee and his Confederate forces, Gettysburg has been an unspeakable disaster, but he is determined to fight to the bitter end; he faces Grant, the decisive, hard-nosed leader the Union army so desperately needs in order to turn the tide of the war. From the costly Battle of the Wilderness to the agonizing seizure of Petersburg to

Lee's epoch-making surrender at Appomattox, Shaara portrays the riveting conclusion of the Civil War through the minds and hearts of the individuals who gave their last full measure. BONUS: This edition includes an excerpt from Jeff Shaara's *Blaze of Glory*. Angelfire Macmillan + ORM PULITZER PRIZE WINNER • NEW YORK TIMES BESTSELLER • The "remarkable"

(Ken Burns), "utterly absorbing" (Forbes) Civil War classic that inspired the film *Gettysburg*, with more than three million copies in print "My favorite historical novel . . . a superb re-creation of the Battle of Gettysburg, but its real importance is its insight into what the war was about, and what it meant."—James M. McPherson In the four most bloody and courageous days of our

nation's history, two armies fought for two conflicting dreams. One dreamed of freedom, the other of a way of life. Far more than rifles and bullets were carried into battle. There were memories. There were promises. There was love. And far more than men fell on those Pennsylvania fields. Bright futures, untested innocence, and pristine beauty were also the

casualties of war. Michael Shaara's Pulitzer Prize-winning masterpiece is unique, sweeping, unforgettable—the dramatic story of the battleground for America's destiny.

The fate of our
nation will be

decided in a few square miles of fields. Following a tough Confederate sergeant from the Blue Ridge, a bitter Irish survivor of the Great Famine, a German political refugee, and gun crews in blue and gray, Cain at Gettysburg is as grand in scale as its depictions of combat are unflinching. For three days, battle rages. Through it all, James Longstreet is haunted by a vision of war

that leads to a fateful feud with Robert E. Lee. Scheming Dan Sickles nearly destroys his own army. Gallant John Reynolds and obstreperous Win Hancock, fiery William Barksdale and dashing James Johnston Pettigrew, gallop toward their fates.... There are no marble statues on this battlefield, only men of flesh and blood, imperfect and courageous. From New York Times bestselling author and

former U.S. Army officer Ralph Peters, Cain at Gettysburg is bound to become a classic of men at war. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. *To The Last Man* HarperCollins UK This fictional re-creation of the battle of Shiloh in April 1862 is a stunning work of imaginative history, from Shelby Foote, beloved historian of

the Civil War. Shiloh conveys not only the bloody choreography of Union and Confederate troops through the woods near Pittsburg Landing, Tennessee, but the inner movements of the combatants' hearts and minds. Through the eyes of officers and illiterate foot soldiers, heroes and cowards, Shiloh creates a dramatic mosaic of a critical moment in the

making of America, complete to the haze of gunsmoke and the stunned expression in the eyes of dying men. Shiloh, which was hailed by The New York Times as "imaginative, powerful, filled with precise visual details...a brilliant book" fulfills the standard set by Shelby Foote's monumental three-part chronical of the Civil War. Sickles at Gettysburg Ballantine Books In this

sweeping epic of the northernmost American frontier, James A. Michener guides us through Alaska's fierce terrain and history, from the long-forgotten past to the bustling present. As his characters struggle for survival, Michener weaves together the exciting high points of Alaska's story: its brutal origins; the American acquisition; the gold rush; the tremendous growth and

exploitation of the salmon industry; the arduous construction of the Alcan Highway, undertaken to defend the territory during World War II. A spellbinding portrait of a human community fighting to establish its place in the world, Alaska traces a bold and majestic saga of the enduring spirit of a land and its people. BONUS: This edition includes an

excerpt from James A. Michener's Hawaii. Praise for Alaska "Few will escape the allure of the land and people [Michener] describes. . . . Alaska takes the reader on a journey through one of the bleakest, richest, most foreboding, and highly inviting territories in our Republic, if not the world. . . . The characters that Michener creates are

bigger than life."—Los Angeles Times Book Review "Always the master of exhaustive historical research, Michener tracks the settling of Alaska [in] vividly detailed scenes and well-developed characters."—Boston Herald "Michener is still, sentence for sentence, writing's fastest attention grabber."—The New York Times
