<p>Anglistik - Literatur, Note: 1, Ludwig-Maximilians-Universität München (Institut für Englische Philologie), Veranstaltung: Reactions to Terrorism - Criticism and Literature after 9/11, Sprache: Deutsch, Anmerkungen: Ihre Arbeit überzeugt nicht nur durch die interessante und präzise Fragestellung, sondern auch durch einen klaren Aufbau. Die Argumentation ist stets zielgerichtet und insgesamt von hoher Überzeugungskraft. Positiv hervorzuheben ist darüber hinaus, dass Sie zu wirklich spannenden Beobachtungen und Ergebnissen gelangen. Ich habe ihre ausserst eigenständige Arbeit, die schon recht souverän eine Vielzahl relevanter literatur- und kulturwissenschaftlicher Kontexte heranzieht, über weite Strecken weniger als Korrektorin, sondern mit echtem Interesse gelesen., Abstract: Die katastrophalen Anschläge vom 11. September 2001 haben Menschen auf der ganzen Welt schockiert. Noch bevor sich die Staubwolke gelegt hatte und das Aus-mass des bislang heftigsten terroristischen Angriffs sichtbar wurde, war jedem ein-zeln, ob New</p>	<p>Yorker oder nicht, bewusst, dass dieses Ereignis weitreichende Folgen haben wurde. Kurz nach den Terroranschlägen konnte bereits beobachtet werden, wie sich diese schreckliche Tat, gerade im Zeitalter der Globalisierung, auf viele Bereiche des gesellschaftlichen Zusammenlebens auswirkt. Bis heute, nur wenige Jahre nach den Anschlägen, sind zahlreiche Bücher, Dokumentationen und auch Kinofilme erschienen, die diese weltweite historische Zäsur thematisieren. Der Verarbeitungsprozess ist längst nicht abgeschlossen und somit lassen sich vor allem in den jüngsten Werken der Weltliteratur interessante Beobachtungen zur amerikanischen Post-9/11-Gesellschaft machen. Mohsin Hamids Novelle <i>The Reluctant Fundamentalist</i> zeigt auf besonders interessante Art und Weise wie sich die Anschläge vom 11. September auf die amerikanische Gesellschaft auswirken. Bemerkenswert ist nicht nur, dass <i>The Reluctant Fundamentalist</i> <u>The Oriental Other Within</u> Anchor Canada</p>	<p>"Changez is living an immigrant's dream of America. But in the wake of September 11, Changez finds his position in his adopted city suddenly overturned and his relationship with Erica eclipsed by the reawakened ghosts of her past. also contends with extremes of poverty, inequality, and political and religious violence. This accessible and vividly written book presents a new interpretation of India's history, focusing particular attention on the impact of British imperialism on Independent India. Maria Misra begins with the rebellion against the British in 1857 and tracks the country's advance to the present day. India's extremes persist, the author argues, because its politics rest upon a peculiar foundation in which traditional ideas of hierarchy, difference, and privilege coexist to a remarkable degree with modern notions of equality and democracy. The challenge of India's leaders today, as in the last sixty years, is to weave together the disparate threads of the nation's ancient culture, colonial legacy, and modern experience.

FINALIST FOR THE BOOKER PRIZE & WINNER OF THE L.A. TIMES BOOK PRIZE FOR FICTION and THE ASPEN WORDS LITERARY PRIZE "It was as if Hamid knew what was going to happen to

America and the world, and gave us a road map to our future... At once terrifying and ... oddly hopeful." —Ayelet Waldman, *The New York Times Book Review*
"Moving, audacious, and indelibly human." —*Entertainment Weekly*, "A" rating *The New York Times* bestselling novel: an astonishingly visionary love story that imagines the forces that drive ordinary people from their homes into the uncertain embrace of new lands, from the author of *The Reluctant Fundamentalist* and the forthcoming *The Last White Man*. In a country teetering on the brink of civil war, two young people meet—sensual, fiercely independent Nadia and gentle, restrained Saeed. They embark on a furtive love affair, and are soon cloistered in a premature intimacy by the unrest roiling their city. When it explodes, turning familiar streets into a patchwork of checkpoints and bomb blasts, they begin to hear whispers about doors—doors that can whisk people far away, if perilously and for a price. As the violence escalates, Nadia and Saeed decide that they no longer have a choice. Leaving their homeland and their old

lives behind, they find a door and step through. . . . *Exit West* follows these remarkable characters as they emerge into an alien and uncertain future, struggling to hold on to each other, to their past, to the very sense of who they are. Profoundly intimate and powerfully inventive, it tells an unforgettable story of love, loyalty, and courage that is both completely of our time and for all time.

Fans of *Bridgerton* will love this "exuberant novel of manners for our own gilded age" (Stacy Schiff, author of *Cleopatra*) as we follow the Wilcox family's journey through riches and ruin. Among New York City's Gilded Age elite, one family will defy convention. Helen Wilcox has one desire: to successfully launch her daughters into society. From the upper crust herself, Helen's unconventional--if happy--marriage has made the girls' social position precarious. Then her husband gambles the family fortunes on an elevated railroad that he claims will transform the face of the city and the way the people of New York live, but will it ruin the Wilcoxes first? As

daughters Jemima and Alice navigate the rise and fall of their family-- each is forced to re-examine who she is, and even who she is meant to love. From the author of *To Marry an English Lord*, an inspiration for *Downton Abbey*, comes a charming and cutthroat tale of a world in which an invitation or an avoided glance can be the difference between fortune and ruin.

 Research Paper
 (postgraduate) from the year 2016 in the subject American Studies - Literature, , language: English, abstract: The focus of this paper is the plight the Muslims of the world, especially those living in America, face due to religious discriminations. This discrimination is the result of the religious profiling of the media and the institutions which are working to spread the ideology of the West to the rest of the world. Everything is under their control so they manipulate the facts. Many Asian writers have tried to portray the true picture of the scene but it remains a great crisis need to be resolved. This paper will examine the core issues resulting from

the religious profiling with the references from the novel "The Reluctant Fundamentalist", written by Mohsin Hamid in the context of post-9/11 milieu of the world, especially about the dealing with the Muslims. GRIN Verlag

 The Man Booker-shortlisted, thrillingly provocative international bestseller - adapted to a major motion picture starring Kiefer Sutherland - from the author of *Exit West* 'Excuse me, sir, but may I be of assistance? Ah, I see I have alarmed you. Do not be frightened by my beard. I am a lover of America . . . ' So speaks the mysterious stranger at a Lahore cafe as dusk settles. Invited to join him for tea, you learn his name and what led this speaker of immaculate English to seek you out. For he is more worldly

than you might expect; better travelled and better educated. He knows the West better than you do. And as he tells you his story, of how he embraced the Western dream -- and a Western woman -- and how both betrayed him, so the night darkens. Then the true reason for your meeting becomes abundantly clear . . . Challenging, mysterious and thrillingly tense, Mohsin Hamid's masterly *The Reluctant Fundamentalist* is a vital read teeming with questions and ideas about some of the most pressing issues of today's globalised, fractured world.

ABOUT THE BOOK “I wonder now, sir, whether I believed at all in the firmness of the foundations of the new life I was attempting to construct for myself in New York.” Americans remember where they were on September 11, 2001, a day that has become a permanent fixture in the calendar. As retaliation for the attack the US launched a war in Afghanistan called “Operation Enduring Freedom” with the goal of dismantling the Taliban. Currently, the Afghanistan war has become America's longest war, even longer than the war in Vietnam. Given the duration of the war and how it began, it is surprising to note that many people in Afghanistan don't know why the war started. Considering that 42% of the population is under 14 and that 72% is illiterate, it's not surprising that this event doesn't register. In addition the scarcity of electricity, also explains ignorance of the event American “foreigners” call

September 11th. As a result most people from Afghanistan don't understand why the U.S. invaded their country, causing more than than 12,000 civilian deaths since the war started. The disparity of the two worldviews continues to contribute to the tensions between the two countries. Similarly, the average American knows very little about the Afghani people and the politics of this area. In an Angus Reid Public Opinion Poll half of American respondents said they don't understand what the war in Afghanistan is about. One of the reasons for this might be because the U.S. media doesn't focus on this war as much as on the Kardashians. This tension and lack of understanding creates a perfect opening for *The Reluctant Fundamentalist* by Mohsin Hamad to educate Americans about the other side. The *Reluctant Fundamentalist* is about a Pakistani living in New York who reevaluates his successful American life after the September 11 attacks. The book's main advantage is that it is so topical. Given the heavy involvement of the U.S. in the Middle East, as well as neighbouring Afghanistan

and Pakistan, it seems no region is more important to American welfare. EXCERPT FROM THE BOOK “Students like me were given visas and scholarships, complete financial aid, mind you and invited into the ranks of the meritocracy. In return we were expected to contribute our talents to your society, the society we were joining. And for the most part we were happy to do so. I certainly was, at least at first.” (pg.4) It is worth describing the author's background, which can be found on his website, because it bears many similarities to the main character of the novel, Changez. From the ages of 9 to 18, the author lived in Lahore, Pakistan. Hamid studied at Princeton University and graduated summa cum laude. He then went Harvard Law School. Upon graduation he got a job at the elite McKinsey and Company and used his free time to complete his first novel. This novel, *Moth Smoke*, took seven years to complete, but became a bestseller in India and Pakistan. The *Reluctant Fundamentalist* is his second book and also took seven years to complete. On BBC Radio Hamid explains that the

reason it took him so long to write both books is that he is figuring them out as he writes them. Quicklet on Mohsin Hamid's *The Reluctant Fundamentalist* *The Reluctant Fundamentalist* is the story of Changez who comes from Pakistan to study at Princeton University. At Princeton he excels and is rewarded with a job at the prestigious valuation firm "Ultrawood Samson." He uses his sign on bonus to pay for a trip to Greece with his classmates. In Greece he falls in love with an all American girl named Erica. He is attracted to her beauty and she is attracted to his old fashioned manners. As he gets to know her Changez finds out that her ex boyfriend, Chris, died of lung cancer a year earlier.

aftermath A jury gathers

in Manhattan to select a memorial for the victims of a devastating terrorist attack. Their fraught deliberations complete, the jurors open the envelope containing the anonymous winner's name—and discover he is an American Muslim. Instantly they are cast into roiling debate about the claims of grief, the ambiguities of art, and the meaning of Islam. Their conflicted response is only a preamble to the country's. The memorial's designer is an enigmatic, ambitious architect named Mohammad Khan. His fiercest defender on the jury is its sole widow, the self-possessed and mediagenic Claire Burwell. But when the news of his selection leaks to the press, she finds herself under pressure from outraged family members and in collision with hungry journalists, wary activists, opportunistic politicians, fellow jurors, and Khan himself—as unknowable as he is gifted. In the fight for both advantage and their ideals, all will bring the emotional weight of their own histories to bear on the urgent question of how to remember, and understand, a national tragedy. In this deeply humane novel, the

breadth of Amy Waldman's cast of characters is matched by her startling ability to conjure their perspectives. A striking portrait of a fractured city striving to make itself whole, *The Submission* is a piercing and resonant novel by an important new talent.

The Reluctant Fundamentalist Penguin Orientalism refers to the imitation of aspects of Eastern cultures in the West, and was devised in order to have authority over the Orient. The concept of Re-Orientalism maintains the divide between the Orient and the West. However, where Orientalism is based on how the West constructs the East, Re-Orientalism is grounded on how the cultural East comes to terms with an orientalised East. This book explores various new forms, objects and modes of circulation that sustain this renovated form of Orientalism in South Asian culture. The contributors identify and engage with recent debates about postcolonial South Asian identity politics, discussing a range of different texts and films such as *The White Tiger*, *Bride & Prejudice* and *Kama Sutra: A Tale of*

Love. Providing new theoretical insights from the areas of literature, film studies and cultural and discourse analysis, this book is an stimulating read for students and scholars interested in South Asian culture, postcolonial studies and identity politics.

The House of Hunger

GRIN Verlag Seminar paper from the year 2017 in the subject Literature - Comparative Literature, grade: 2,0, University of Bonn, language: English, abstract: This paper aims to show how a genre can be utilised in order to clarify specific struggles of a fictional character and make them universally accessible to any reader, which proves that Postcolonialism is not only a discussion about the past, but still influences people all over the world as colonialism finds its new ways to establish itself in many parts of the world as the colonial "legacies continue to inflect contemporary geo-political realities and conflicts around the world and impact upon how different people (are forced to) live today". Hamid's "The Reluctant Fundamentalist", one of the most well-known 21st

century novels written by a Pakistani author intelligently combines the elements of the Bildungsroman and concepts of Postcolonialism. Changez is the protagonist of a modern Bildungsroman who experiences the power of a new form of colonialism and is made aware of his role as a colonised subject by his journeys throughout a crucial phase of identity formation in his life. *An Obedient Father* Penguin Books India In the tradition of *A History of Reading*, this book is an account of Manguel's astonishment at the variety, beauty and persistence of our efforts to shape the world and our lives, most notably through something almost as old as reading itself: libraries. *The Library at Night* begins with the design and construction of Alberto Manguel's own library at his house in western France - a process that raises puzzling questions about his past and his reading habits, as well as broader ones about the nature of categories, catalogues, architecture and identity. Thematically organized and beautifully illustrated, this book considers libraries as treasure

troves and architectural spaces; it looks on them as autobiographies of their owners and as statements of national identity. It examines small personal libraries and libraries that started as philanthropic ventures, and analyzes the unending promise – and defects – of virtual ones. It compares different methods of categorization (and what they imply) and libraries that have built up by chance as opposed to by conscious direction. In part this is because this is about the library at night, not during the day: this book takes in what happens after the lights go out, when the world is sleeping, when books become the rightful owners of the library and the reader is the interloper. Then all daytime order is upended: one book calls to another across the shelves, and new alliances are created across time and space. And so, as well as the best design for a reading room and the makeup of Robinson Crusoe's library, this book dwells on more "nocturnal" subjects: fictional libraries like those carried by Count Dracula and Frankenstein's monster; shadow libraries of lost and censored books;

imaginary libraries of books not yet written. The Library at Night is a fascinating voyage through the mind of one of our most beloved men of letters. It is an invitation into his memory and vast knowledge of books and civilizations, and throughout – though mostly implicitly – it is also a passionate defence of literacy, of the unique pleasures of reading, of the importance of the book. As much as anything else, The Library at Night reminds us of what a library stands for: the possibility of illumination, of a better path for our society and for us as individuals. That hope too, at the close, is replaced by something that fits this personal and eclectic book even better: something more fragile, and evanescent than illumination, though just as important.

Mohsin Hamid's The Reluctant Fundamentalist
Penguin

Corrosive, funny, and frightening--one of the year's most absorbing first novels "My general incompetence and laziness at work had been apparent for so long that I now think it was arrogant of Mr. Gupta to pick me as his money man. I am the type of person who does

not make sure that a file includes all the pages it must have or that the pages are in the right order. I refuse to accept even properly placed blame, lying outright that somebody else misplaced the completed forms or spilled tea on them, even though I was the last one to sign them out, or had the soggy papers still on my desk." As an inspector for the Physical Education Department in the Delhi school system, Ram Karan supports his widowed daughter and eight-year-old granddaughter by collecting bribes for a small-time Congress Party boss. On the eve of Rajiv Gandhi's assassination, one reckless act bares the lifetime of violence and sexual shame behind Ram's dingy public career and involves him in a farcical, but terrifying, political campaign that could cost him his life. An astonishing character study, a portrait of a family--and a country--tormented by the past, Akhil Sharma's *An Obedient Father* recalls Dostoyevsky's guilt-ridden anti-heroes in this fully formed debut novel.

The reluctant fundamentalist The Reluctant Fundamentalist "Mr. Hamid reaffirms his place as one of his

generation's most inventive and gifted writers." –Michiko Kakutani, *The New York Times* "A globalized version of *The Great Gatsby* . . . [Hamid's] book is nearly that good." –Alan Cheuse, NPR "Marvelous and moving." –*TIME Magazine* From the internationally bestselling author of *The Reluctant Fundamentalist* and *Exit West*, the boldly imagined tale of a poor boy's quest for wealth and love His first two novels established Mohsin Hamid as a radically inventive storyteller with his finger on the world's pulse. How to Get *Filthy Rich in Rising Asia* meets that reputation—and exceeds it. The astonishing and riveting tale of a man's journey from impoverished rural boy to corporate tycoon, it steals its shape from the business self-help books devoured by ambitious youths all over "rising Asia." It follows its nameless hero to the sprawling metropolis where he begins to amass an empire built on that most fluid, and increasingly scarce, of goods: water. Yet his heart remains set on something else, on the pretty girl whose star rises along with his, their

paths crossing and recrossing, a lifelong affair sparked and snuffed and sparked again by the forces that careen their fates along. How to Get *Filthy Rich in Rising Asia* is a striking slice of contemporary life at a time of crushing upheaval. Romantic without being sentimental, political without being didactic, and spiritual without being religious, it brings an unflinching gaze to the violence and hope it depicts. And it creates two unforgettable characters who find moments of transcendent intimacy in the midst of shattering change. *A Novel* Tindal Street Press
