 Winner of the Observer Food Monthly Cookbook of the Year 2013. Yotam Ottolenghi and Sami Tamimi are the men behind the bestselling *Ottolenghi: The Cookbook*. Their chain of restaurants is famous for its innovative flavours, stylish

design and superb cooking. At the heart of Yotam and Sami's food is a shared home city: Jerusalem. Both were born there in the same year, Sami on the Arab east side and Yotam in the Jewish west. Nearly 30 years later they met in London, and discovered they shared a language, a history, and a love of great food. Jerusalem sets 100 of Yotam and Sami's inspired, accessible recipes within the cultural and religious melting pot of this diverse city. With culinary influences coming from its Muslim, Jewish, Arab, Christian and Armenian communities and with a Mediterranean climate, the range of ingredients and styles is stunning. From recipes for soups (spicy frikkeh soup with meatballs), meat and fish (chicken with caramelized onion and cardamom rice, sea bream with harissa and rose), vegetables and salads (spicy beetroot, leek and

walnut salad), pulses and grains (saffron rice with barberries and pistachios), to cakes and desserts (clementine and almond syrup cake), there is something new for everyone to discover. Packed with beautiful recipes and with gorgeous photography throughout, Jerusalem showcases sumptuous Ottolenghi dishes in a dazzling setting.

Sweet, intense, and colorful is how Sicilian pastries will appear to the fortunate eyes seeing them for the first time. Those who have time to get to know them well, however, will also find it sensual, dramatic, and irreverent. Making pastries in Sicily is never a purely gastronomic issue; it may be a declaration of love, social ostentation of personal wealth, or even a way of mocking a defeated enemy. It is a gesture that involves countless intentions, coded and described in stories rooted in the mists of time. This anthology collects some of those stories and the most delicious Sicilian sweets, illustrated by poignant images and accompanied by some personal tips. The scents of childhood and cherished memories are bound together by one certainty: In Sicily, a sweet is never something that is just good to eat. It is a magical microcosm, an ancient tale, a legend that demands to be told.

Includes a sneak peek of *Undoctored*—the new book from Dr. Davis! In this #1 New York Times bestseller, a renowned cardiologist explains how eliminating wheat from our diets can prevent fat storage, shrink unsightly bulges, and reverse myriad health problems. Every day, over 200 million Americans consume food products made of wheat. As a result, over 100 million of them experience some form of adverse health effect, ranging from minor rashes and high blood sugar to the unattractive stomach bulges that preventive cardiologist William Davis calls "wheat bellies." According to Davis, that excess fat has nothing to do with gluttony, sloth, or too much butter: It's due to the whole grain wraps we eat for lunch. After witnessing over 2,000 patients regain their health after giving up wheat, Davis reached the disturbing conclusion that wheat is the single largest contributor to the nationwide obesity epidemic—and its elimination is key to dramatic weight loss and optimal health. In *Wheat Belly*, Davis exposes the harmful effects of what is actually a product of genetic tinkering and agribusiness being sold to the American public as "wheat"—and provides readers with a user-friendly, step-by-step plan to navigate a new, wheat-free lifestyle. Informed by cutting-edge science and nutrition, along with case studies from men and women who have experienced life-changing transformations in their health after waving goodbye to wheat, *Wheat Belly* is an illuminating look at what is truly making Americans sick and an action plan to clear our plates of this seemingly benign ingredient.

For fans of *The Hundred-Foot Journey* and *The Altogether Unexpected Disappearance of Atticus Craftsman*, a moving and charming novel from the beloved international author of *Two Out of Two* that follows two entirely different people struggling to make sense of their futures amid the beauty of Provence, France. It's fall in Provence, a season that combines the first chill of winter with a final stretch of warmth that is a last taste of summer. To mark the end of the season, at the local airfield a famous British rock band, the Bebonkers, will hold a concert that is both

for charity and to celebrate charismatic lead singer Nick Cruickshank's third marriage. Preparations are in high gear, everything coming smoothly together under the tight supervision of Aileen, Nick's bride-to-be. In town, there is also a gelateria run by Milena Migliari, who creates, develops, and produces one-of-a-kind ice cream with artistic precision. Milena, who has bid adieu to men, now lives with Viviane. Milena's relationship with Viviane is solid and unwavering, in stark contrast to the delicacy of her ice cream. In a few days Milena will undergo fertility treatments, but she is not entirely convinced. She hesitates to confess her thoughts, however, as does Nick, who wonders when his relationship with Aileen lost its original spark. And so, a British rocker and an Italian artisan find their fates on a collision course and in the space of three days, the chaos intensifies resulting in an inevitable and exhilarating final encore.
