MARIANA MATA

The Epic Fail of Arturo Zamora HarperCollins

Hearing the life story of a mysterious old woman in a Little Havana bar, Cuban-American Cecilia learns about three generations of a family of diverse origins that includes such members as a reverent Chinese widow, an African slave, and a Spanish matriarch

The House of the Spirits Simon and Schuster

What happens inside Latin American prisons? How does the social organisation of prisoners relate to the political structures beyond the walls? Is it possible to resist corrupt penal regimes? In Prison Writing of Latin America, Joey Whitfield turns to those best placed to answer these questions: people who have been imprisoned themselves. Drawing on a century of material produced by Latin American prisoners from Mexico, Cuba, Costa Rica, Colombia, Peru, Bolivia and Brazil, Whitfield weaves readings of novels, memoirs and testimonial texts with social and political analysis. Rather than distinguishing between dictatorial and democratic periods of government, he shows that from the point of view of the prisoner, all states are authoritarian in nature. In the face of oppression, however, prisoners both 'political' and 'criminal' have found ways not only to resist but also to create alternative communities both real and imagined, sometimes in collaboration with each other.

Macmillan

The most successful and controversial Cuban Science Fiction writer of all time, Yoss (aka José Miguel Sánchez Gómez) is known for his acerbic portraits of the island under Communism. In his bestselling A Planet for Rent, Yoss pays homage to Ray Bradbury’s The Martian Chronicles and 334 by Thomas M. Disch. A critique of Cuba in the nineties, after the fall of the Soviet Union and the dissolution of the Warsaw Pact, A Planet for Rent marks the debut in English of an astonishingly brave and imaginative Latin American voice. Praise for Yoss “One of the most prestigious science fiction authors of the island.” —On Cuba Magazine "A gifted and daring writer." —David Iaconangelo "José Miguel Sánchez [Yoss] is Cuba’s most decorated science fiction author, who has cultivated the most prestige for this genre in the mainstream, and the only person of all the Island’s residents who lives by his pen.” —Cuenta Regresiva Born José Miguel Sánchez Gómez, Yoss assumed his pen name in 1988, when he won the Premio David Award in the science fiction category for Timshel. Together with his peculiar pseudonym, the author's aesthetic of an impentinent rocker has allowed him to stand out amongst his fellow Cuban writers. Earning a degree in Biology in 1991, he went on to graduate from the first ever course on Narrative Techniques at the Onelio Jorge Cardoso Center of Literary Training, in the year 1999. Today, Yoss writes both realistic and science fiction works. Alongside these novels, the author produces essays, Praise for, and compilations, and actively promotes the Cuban science fiction literary workshops, Espiral and Espacio Abierto. When he isn't translating, David Frye teaches Latin American culture and society at the University of Michigan. Translations include First New Chronicle and Good Government by Guaman Poma de Ayala (Peru, 1615); The Mangy Parrot by José Joaquín Fernandez de Lizardi (Mexico, 1816), for which he received

a National Endowment for the Arts Fellowship; Writing across Cultures: Narrative Transculturation in Latin America by Ángel Rama (Uruguay, 1982), and several Cuban and Spanish novels and poems.

La isla de los hombres solos HarperCollins

The New York Times bestselling author of The House of the Spirits and A Long Petal of the Sea tells the story of one unforgettable woman—a slave and concubine determined to take control of her own destiny—in this sweeping historical novel that moves from the sugar plantations of Saint-Domingue to the lavish parlors of New Orleans at the turn of the 19th century “Allende is a master storyteller at the peak of her powers.”—Los Angeles Times The daughter of an African mother she never knew and a white sailor, Zarité—known as Tété—was born a slave on the island of Saint-Domingue.

Growing up amid brutality and fear, Tété found solace in the traditional rhythms of African drums and the mysteries of voodoo. Her life changes when twenty-year-old Toulouse Valmorain arrives on the island in 1770 to run his father’s plantation, Saint Lazare. Overwhelmed by the challenges of his responsibilities and trapped in a painful marriage, Valmorain turns to his teenaged slave Tété, who becomes his most important confidant. The indelible bond they share will connect them across four tumultuous decades and ultimately define their lives.

The Island of Sea Women Prabhat Prakashan

Esmeralda Santiago's story begins in rural Puerto Rico, where her childhood was full of both tenderness and domestic strife, tropical sounds and sights as well as poverty. Growing up, she learned the proper way to eat a guava, the sound of tree frogs in the mango groves at night, the taste of the delectable sausage called morcilla, and the formula for ushering a dead baby's soul to heaven. As she enters school we see the clash, both hilarious and fierce, of Puerto Rican and Yankee culture. When her mother, Mami, a force of nature, takes off to New York with her seven, soon to be eleven children, Esmeralda, the oldest, must learn new rules, a new language, and eventually take on a new identity. In this first volume of her much-praised, bestselling trilogy, Santiago brilliantly recreates the idyllic landscape and tumultuous family life of her earliest years and her tremendous journey from the barrio to Brooklyn, from translating for her mother at the welfare office to high honors at Harvard.

A Novel Grand Central Publishing

The Trueba family embodies strong feelings. This family saga starts at the beginning of the 20th century and continues through the assassination of Allende in 1973.

Un Mundo Perdido James Kaiser

THE NEW YORK TIMES BESTSELLER “A mesmerizing new historical novel” (O, The Oprah Magazine) from Lisa See, the bestselling author of The Tea Girl of Hummingbird Lane, about female friendship and devastating family secrets on a small Korean island. Mi-ja and Young-sook, two girls living on the Korean island of Jeju, are best friends who come from very different backgrounds. When they are old enough, they begin working in the sea with their village’s all-female diving collective, led by Young-sook’s mother. As the girls take up their positions as baby divers, they know they are beginning a life of excitement and responsibility—but also danger. Despite their love for each other, Mi-ja and Young-sook find it impossible to ignore their differences. The Island of Sea Women takes place over many decades, beginning during a period of Japanese colonialism in the 1930s and 1940s, followed by World War II, the Korean War, through the era of cell phones and wet suits for the women divers. Throughout this time, the residents of Jeju find themselves caught between warring empires. Mi-ja is the daughter of a Japanese collaborator. Young-sook was born into a long line of haenyeo and will inherit her mother’s position leading the divers in their village. Little do the two

friends know that forces outside their control will push their friendship to the breaking point. “This vivid...thoughtful and empathetic” novel (The New York Times Book Review) illuminates a world turned upside down, one where the women are in charge and the men take care of the children. “A wonderful ode to a truly singular group of women” (Publishers Weekly), *The Island of Sea Women* is a “beautiful story...about the endurance of friendship when it’s pushed to its limits, and you...will love it” (Cosmopolitan).

The Box-Car Children The Floating Press

Golding’s iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

Surprise Island Penguin

Although *The Mysterious Island* is technically a sequel to Verne’s enormously popular *Twenty Thousand Leagues Under the Sea*, this novel offers a vastly different take on similar thematic motifs. As with all of Verne’s best-known works, *The Mysterious Island* is a masterpiece of the action-adventure genre, with a heaping dash of science fiction influence thrown in for good measure.

El Chavo: Una aventura a lo grande / A Great Big Adventure (Bilingual) Penguin

The “story of a family, a ... portrait of a town, and one boy’s quest to save both”--Amazon.com.

Alice’s Island Da Capo Press

From Finland to Newfoundland and Jelling to Jerusalem, follow in the wake of the Vikings—a transformative story of a people that begins with paganism and ends in Christendom. In AD 800, the Scandinavians were just barbarians in longships. Though they held sway in the north, their power meant little more than the ability to pillage and plunder, which they did to bolster their status at home. But as these Norse warriors left their strongholds to trade, raid, and settle across wide areas of Europe, Asia, and the North Atlantic, their violent and predatory culture left a unique imprint on medieval history. The twist that no one predicted, however, was a much slower, insidious takeover than any the Vikings would execute, and by a turn of the tide, they themselves became its target. For as they made their mark on Europe, Europe made its mark on them. By the year 1200, what remained of the Vikings’ pagan origins floated beneath the surface and the strong, strange territories of the north had become a part of Latin Christendom. *Northmen* is there to tell the tale, to pay homage to what was lost and celebrate what was won. Focusing on key events, including the sack of Lindisfarne in 793 and the Battle of Stamford Bridge in 1066, medieval history expert John Haywood recounts the saga of the Viking Age, from the creation of the world through to the dwindling years of halfhearted raids and elegiac storytelling in the thirteenth century. He does so with meticulous research, engaging narrative, and sensitivity for his subject, shedding light and blood along the way.

La Dama de la media almendra Simon and Schuster

This stunning wordless graphic novel follows a young girl in the 1960s who immigrates from Cuba to the United States and must redefine what home means to her. Marisol loves her colorful island home. Cuba is vibrant with flowers and food and people...but things are changing. The home Marisol loves is no longer safe—and then it’s no longer her home at all. Her parents are sending her to the United States. Alone. Nothing about Marisol’s new life in cold, gray Brooklyn feels like home—not the language, school, or even her foster parents. But Marisol starts to realize that home isn’t always a place. And finding her way can be as simple as staying true to herself.

La Isla de Los Hombres Rojos Penguin

“One of the most adventurous and rewarding collections since the publication of Cortázar’s own *Blow-up*.” —Los Angeles Times A traffic jam outside Paris lasts for weeks. Che Guevara and Fidel Castro meet on a mountaintop during the Cuban Revolution. A flight attendant becomes obsessed with a small Greek island, resulting in a surreal encounter with death. In *All Fires the Fire*, Julio Cortázar (author of *Hopscotch* and the short story “*Blow-Up*”) creates his own mindscapes beyond space and time, where lives intersect for brief moments and situations break and refract. *All Fires the Fire* contains some of Julio Cortázar’s most beloved stories. It is a classic collection by “one of the world’s great writers” (Washington Post).

A Father and Son Sail Around Cape Horn Bloomsbury Publishing USA

A New York Times Top Ten Book of the Year and National Book Award finalist, *Pachinko* is an “extraordinary epic” of four generations of a poor Korean immigrant family as they fight to control their destiny in 20th-century Japan (San Francisco Chronicle). NEW YORK TIMES NOTABLE BOOK OF 2017 * A USA TODAY TOP TEN OF 2017 * JULY PICK FOR THE PBS NEWSHOUR-NEW YORK TIMES BOOK CLUB NOW READ THIS * FINALIST FOR THE 2018 DAYTON LITERARY PEACE PRIZE * WINNER OF THE MEDICI BOOK CLUB PRIZE Roxane Gay’s Favorite Book of 2017, Washington Post NEW YORK TIMES BESTSELLER * #1 BOSTON GLOBE BESTSELLER * USA TODAY BESTSELLER * WALL STREET JOURNAL BESTSELLER * WASHINGTON POST BESTSELLER “There could only be a few winners, and a lot of losers. And yet we played on, because we had hope that we might be the lucky ones.” In the early 1900s, teenaged Sunja, the adored daughter of a crippled fisherman, falls for a wealthy stranger at the seashore near her home in Korea. He promises her the world, but when she discovers she is pregnant—and that her lover is married—she refuses to be bought. Instead, she accepts an offer of marriage from a gentle, sickly minister passing through on his way to Japan. But her decision to abandon her home, and to reject her son’s powerful father, sets off a dramatic saga that will echo down through the generations. Richly told and profoundly moving, *Pachinko* is a story of love, sacrifice, ambition, and loyalty. From bustling street markets to the halls of Japan’s finest universities to the pachinko parlors of the criminal underworld, Lee’s complex and passionate characters—strong, stubborn women, devoted sisters and sons, fathers shaken by moral crisis—survive and thrive against the indifferent arc of history. *Includes reading group guide*

A Critical Edition University of Chicago Press

Treasure Island, published in 1883, popularized the now familiar characters of pirates and brought them to rum-swilling life. When an old sailor named Billy Bones dies in the inn belonging to young Jim Hawkins’s parents, he leaves a greasy old map on which an “X” marks the spot where treasure is buried. Jim joins the crew of a ship in pursuit of Bones’s treasure, and on the seas meets up with Long John Silver, a peg-legged pirate who has infiltrated their ranks. Jim must survive mutinies and counter-mutinies, face hand-to-hand combat with drunken sailors, and outwit double-crossing thieves before the treasure can be his.
