COCHRAN HAILEY

Broken April Pan Publishing

Two destinies intersect in this novel -- that of Gjorg, a young mountaineer who has just killed a man in order to avenge the death of his older brother, and who expects to be killed himself in keeping with the code of the highlands; and that of a young couple who have come to study the age-old customs, including the blood feud.

The Successor Anchor Canada

It's the late 1940s in Skopje, Yugoslavia, in the critical year leading to Tito's break with Stalin. Pushed to leave mountain villages to become the new proletariat in urban factories, a flood of peasants crowds into Skopje—and with them, all of their goats. Suffering from hunger, Skopje's citizens welcome the newcomers. But municipal leaders are faced with a dilemma when the central government issues an order calling for the slaughter of the country's goat population. With food so scarce, will they hide the outlawed animals? Or will they comply with the edict and endure the bite of hunger? *The Time of the Goats* is the second novel in

Luan Starova's acclaimed multivolume Balkan saga. It follows the main characters from *My Father's Books* and the tragicomic events of their lives in Skopje as the narrator's intellectual father and the head goatherd become friends. As local officials clumsily carry out absurd policies, Starova conveys the bonds of understanding and mutual support that form in Skopje's poorest neighborhoods. At once historical and allegorical, folkloric and fantastic, *The Time of the Goats* draws lyrically on Starova's own childhood.

"THE CODE OF LEKE DUKAGJINI is a great cultural treasure, comparable to the chapters of The Old Testament." "It provides deep insights into the ancient society of the Albanians, their somber dignity & their magnificent sense of honor."--David Binder, *The New York Times*. "This legal system was established & passed on to future generations as a common law by Leke Dukagjini, a co-fighter of the legendary Skenderbeg." "The 'Besa' or the 'word of honor' as stated in THE CODE OF LEKE DUKAGJINI which means peace & protection to those whom it is given, has become today an important fighting tool in the political struggle of Kosovo's Albanians against Serb oppression."--Victor Meier, *The Frankfurter Allgemeine Zeitung*. "The legal Code of the Albanians known by them for a thousand years, is one of the most original in the history of mankind. Among the basic pillars of this code are the equality of men before the code & the non-abuse of justice." "The entire essence of the legal code of the Albanians is an unparalleled rigorous respect for this basic principle: non-violation of the dignity of a man- his honor, home, & life."--Ismail Kadare, Albanian writer.

Let's Speak Rusyn NYU Press

In the early 1990s, Albania, arguably Europe's most closed and repressive state, began a startling transition out of forty years of self-imposed Communist isolation. Albanians who were not allowed to practice religion, travel abroad, wear jeans, or read "decadent" Western literature began to devour the outside world. They opened cafés, companies, and newspapers. Previously banned rock music blared in the streets. Modern Albania offers a vivid history of the Albanian Communist regime's fall and the trials and tribulations that led the country to become the state it is today. The book provides an in-depth look at the Communists' last Politburo meetings and the first student revolts, the fall of the Stalinist regime, the outflows of refugees, the crash of the massive pyramid-loan schemes, the war in neighboring Kosovo, and Albania's relationship with the United States. Fred Abrahams weaves together personal experience from more than twenty years of work in Albania, interviews with key Albanians and foreigners who played a role in the country's politics since 1990—including former Politburo members, opposition leaders, intelligence agents, diplomats, and founders of the Kosovo Liberation Army—and a close examination of hundreds of previously secret government records from Albania and the United States. A rich, narratively-driven account, *Modern Albania* gives readers a front-row seat to the dramatic events of the last battle of Cold War Europe.

The first historical heroic epic authored by a woman, Scanderbeide recounts the exploits of fifteenth-century Albanian warrior-prince George Scanderbeg and his war of resistance against the Ottoman sultanate. Filled with scenes of intense and suspenseful battles contrasted with romantic episodes, Scanderbeide combines the action and fantasy characteristic of the genre with analysis of its characters' motivations. In selecting a military campaign as her material and epic poetry as her

medium, Margherita Sarrocchi (1560?-1617) not only engages in the masculine subjects of political conflict and warfare but also tackles a genre that was, until that point, the sole purview of men. First published posthumously in 1623, *Scanderbeide* reemerges here in an adroit English prose translation that maintains the suspense of the original text and gives ample context to its rich cultural implications.

The Time of the Goats Austrian Academy of Sciences Press
By the early-1980s Kosovo had reached a state of permanent crisis and military occupation, and it became the main focus for the revival of Serbian nationalism. This book traces the history of Kosovo, examining the Yugoslavian conflict, and the part played by Western Europe in its destruction. 'This is a profound and important book, essential reading for those who wish to understand either the complex history or the present politics of Yugoslavia.' Hugh Trevor-Roper, *SUNDAY TELEGRAPH* 'A dreadnought of a book, all big guns, covering the whole history of Kosovo, with an authority that is often breathtaking and never oppressive.' Norman Stone, *SUNDAY TIMES*

The Autobiography of the People in Verse
The Complete Book of Sea Kayaking

From Ismail Kadare, winner of the inaugural Man Booker International Prize – a novelist in the class of Coetzee, Pamuk, Márquez, and Rushdie – the stunning new translation of one of his major works. In the early fifteenth century, as winter falls away, the people of Albania know that their fate is sealed. They have refused to negotiate with the Ottoman Empire, and war is now inevitable. Soon enough, dust kicked up by Turkish horses is spotted from a citadel. Brightly coloured banners, hastily constructed minarets, and tens of thousands of men fill the plain below. From this moment on, the world is waiting to hear that the fortress has fallen. The *Siege* tells the enthralling story of the weeks and months that follow – of the exhilaration and despair of the battlefield, the constantly shifting strategies of war, and those whose lives are held in the balance, from the Pasha himself to the artillerymen, astrologer, blind poet, and harem of women who accompany him. "Believe me," the general said. "I've taken part in many sieges but this," he waved towards the castle walls, "is where the most fearful carnage of our times will take place. And you surely know as well as I do that great massacres always give birth to great books. You really do have an opportunity to write a thundering chronicle redolent with pitch and blood, and it will be utterly different from the graceful whines composed at the fireside by squealers who never went to war." Brilliantly vivid, as insightful as it is compelling, *The Siege* is an unforgettable account of the clash of two great civilisations, and a portrait of war that will resonate across the centuries.

Scanderbeide McGraw-Hill/Irwin

This revised and expanded edition of *Let's Speak Rusyn - Bisyiduime po rusyn'sky* is an introduction to the Rusyn language for English speakers who want to learn the language of their ancestors and gain entry into the dynamic cultural world of Carpathian Rus'. *Let's Speak Rusyn - Bisyiduime po rusyn'sky* contains: Useful phrases in English and Rusyn, both in the Cyrillic and Roman (Latin) alphabets 26 chapters organized around a particular theme, such as greetings, introductions, requests, weather, time expressions, food and meals, entertainment, family and friends, church and ceremonies, health, civic affairs, and colloquial phrases A new chapter on the natural world Updated vocabulary that reflects new linguistic, political, and technological realities The new Rusyn literary standard adopted for Slovakia's Presov Region in 2005 An introduction to Rusyn grammar, including the case system, conjugation and declension paradigms, and verbal aspect Two detailed maps that illustrate

dialects in Carpathian Rus' and ethnographic divisions among Carpatho-Rusyns

The West and Islam John Wiley & Sons

This book focuses on the trials and tribulations of Albania's efforts to create a democratic political order. It assesses the degree and significance of changes since the early 1990s, providing a detailed account of the transition from Communist Party rule to multiparty competition.

Structural Grammar of Albanian French & European Publications

In 1945, Albania was an extremely under-developed nation compared to other countries in Europe. So in studying Enver Hoxha's forty-year reign (1945-85) it is necessary to recognize him as a leader who accomplished great things for Albania while concurrently enmeshing the country in policies that were not only counterproductive but self-destructive. This book studies a wide range of areas pertaining to Hoxha's impact upon Albania's development. O'Donnell shows that, while it is necessary to give Hoxha a mixed report card, he nonetheless enabled a small nation with a multitude of limitations to maintain its sovereignty and modernize through unorthodox methods.

Life is War University of Chicago Press

In this work, acclaimed Jungian James Hillman examines the concepts of myth, insights, eros, body, and the mytheme of female inferiority, as well as the need for the freedom to imagine and to feel psychic reality. By examining these ideas, and the role they have played both in and outside of the therapeutic setting, Hillman mounts a compelling argument that, rather than locking them away in some inner asylum or subjecting them to daily self-treatment, man's "peculiarities" can become an integral part of a rich and fulfilling daily life. Originally published by Northwestern University Press in 1972, this work had a profound impact on a nation emerging self-aware from the 1960s, as well as on the era's burgeoning feminist movement. It remains a profound critique of therapy and the psychological viewpoint, and it is one of Hillman's most important and enduring works.

On Racine Rowman & Littlefield

A Stanford University Press classic.

The Complete Book of Sea Kayaking A&C Black

An old woman is awoken in the dead of night by knocks at her front door. The woman opens it to find her daughter, Doruntine, standing there alone in the darkness. She has been brought home from a distant land by a mysterious rider she claims is her brother Konstandin. But unbeknownst to her, Konstandin has been dead for years. What follows is chain of events which plunges a medieval village into fear and mistrust. Who is the ghost rider?

Standard Albanian Organisation of Islamic Conference Research Ce

"This, Ismail Kadare's most recent novel, is a fictional inquiry into the still-unexplained death of Mehmet Shehu, the man who for decades was the designated Number Two political figure in Communist dictator Enver Hoxha's ironfisted and increasingly paranoid regime." "On the night of December 13, 1981, the so-called Successor was shot dead, sometime between midnight and early morning. Did he commit suicide or was he murdered? This is the burning question. There are a number of potential murderers: the architect in charge of renovating the Successor's new quarters, who knew of the secret underground passage to his home; a rising political figure, Adrian Hasoëbeu, who if the current successor were to disappear would surely be named Number Two; the dictator himself - known to his countrymen as the Guide - now ailing and almost blind, unable to countenance even the idea of being replaced; and, incredibly, the Successor's wife." "The Successor combines a tantalizing mystery with a historical novel (Who killed Mehmet Shehu?), a psychological examination (How do you live in a world where nothing is sure?), and an analysis of a dictatorship so repressive that its followers treat it as a religious faith, where love, and indeed all personal relations, are subject to the whims and demands of the state."--BOOK JACKET.
