I'd spent my life as a plaything. A toy to be used by powerful and deadly men in whatever way they pleased. So I was just as surprised as anyone else that I had feelings left. Feelings that lead me to fight for true love while damning myself. And that's just where this story begins. Desperate and alone I turned back to my childhood home. The first wicked place I'd known with the darkest villain among them. My stepfather. But I could weather his storm in exchange for safety. I had to. What I didn't expect to find was Niall McDonough. The only man I'd ever really loved had reappeared only to become one of them. Someone ruthless and cruel. He wants to ruin me. As my stepfather's savage soldier he might just do it. But then again, twelve years ago a fortune teller predicted I'd need just such a soldier to save both my heart and soul. ***this book can be read as a complete stand-alone or following Twisted Secrets/as the fifth book in the Twisted world*****This book contains graphic sex, violence, uncomfortable sexual encounters, and

Brave the Wild Wind St. Martin's Press

For Phyllis Bivins, extreme poverty, hunger, and homelessness were just a part of growing up in 1960s Virginia. Her mother could only afford to raise her on a part-time basis, passing Phyllis around to family members and friends while seeking whatever work was fitting for a woman with a sixth-grade education. Some of the impromptu foster homes were nicer than others, but they didn't quell the revulsions that constantly tormented her from childhood into young adulthood-like the unspeakable horrors of repeated sexual abuse and domestic violence. While enduring the devastating traumas of poverty, abandonment, and abuse, Phyllis somehow found solace in her passionate love for education. School was her sanctuary, providing a relief that a life of pain and scarcity had stolen from her. The endearing words of her third-grade teacher implanted a seed of hope into Phyllis's heart that grew with her, even through her stepfather's savage beatings and an unexpected teen pregnancy. Phyllis was special, with a spirit too bold to be broken, and she was determined to carve out a path for herself that would lead her far away from the only life she'd ever known.

H is for Hawk meets The Duke of Deception in this wry, moving story of a young man who, as his estranged father is dying, saves a baby magpie only to find that caring for the mischievous bird has, in fact, saved him. One spring day, a baby magpie falls out of its nest and into Charlie Gilmour's hands. Magpies, he soon discovers, are as clever and mischievous as monkeys. They are also notorious thieves, and this one quickly steals his heart.

By the time the creature develops shiny black feathers that inspire the name Benzene, Charlie and the bird have forged an unbreakable bond. While caring for Benzene, Charlie comes across a poem written by his biological father, an eccentric British poet named Heathcote Williams who vanished when Charlie was six months old. As he grapples with Heathcote's abandonment, Charlie is drawn to the poem, in which Heathcote describes how an impish young jackdaw—like magpies, also a member of the crow family—fell from its nest and captured his affection. Over time, Benzene helps Charlie unravel his fears about repeating the past—and embrace the role of father himself. A bird falls, a father dies, a child is born. Featherhood is the unforgettable story of a love affair between a man and a bird. It is also a beautiful and affecting memoir about childhood and parenthood, captivity and freedom, grief and love.

NATIONAL BESTSELLER The true story of two African-American brothers who were kidnapped and displayed as circus freaks, and whose mother endured a 28-year struggle to get them back. The year was 1899 and the place a sweltering tobacco farm in the Jim Crow South town of Truevine, Virginia. George and Willie Muse were two little boys born to a sharecropper family. One day a white man offered them a piece of candy, setting off events that would take them around the world and change their lives forever. Captured into the circus, the Muse brothers performed for royalty at Buckingham Palace and headlined over a dozen sold-out shows at New York’s Madison Square Garden. They were global superstars in a pre-broadcast era. But the very root of their success was in the color of their skin and in the outrageous caricatures they were forced to assume: supposed cannibals, sheep-headed freaks, even "Ambassadors from Mars." Back home, their mother never accepted that they were "gone" and spent 28 years trying to get them back. Through hundreds of interviews and decades of research, Beth Macy expertly explores a central and difficult question: Where were the brothers better off? On the world stage as stars or in poverty at home? TRUEVINE is a compelling narrative rich in historical detail and rife with implications to race relations today.

[Devil's Knot](#) Penguin

Lo Moving to River's Edge was supposed to be a fresh start. Away from chaos. Away from bad influences and worse relationships. All I wanted was to give my little brother more of a chance than I ever had. It should've been simple. I didn't count on my transgressions following me. And I definitely didn't count on meeting Dare. Tall, tortured, and tattooed. A Lost Boy through and through. Falling for someone like him was asking for heartache. But I was a sucker for punishment. Dare I had a routine. Eat, work, sleep, repeat, only ever doing the bare minimum to keep up appearances. I kept my circle small and my guard high. I spent years making sure I didn't repeat the mistakes of my past, forming an impenetrable layer of ice around my heart. Then Logan showed up in my town, in my tattoo shop, testing my patience along with my self-control. She was fire and I was ice. I should've stayed away. But I had been cold for far too long.

A Novel Delacorte Press

Based on a true story, this edition of Devil's Knot will tie-in to a major motion picture starring Academy Award winners Reese Witherspoon and Colin Firth. This riveting portrait of a small Arkansas town recounts the all-too-true story of a brutal triple murder and the eighteen-year imprisonment of three innocent teenagers. For weeks in 1993, after the grisly murders of three eight-year-old boys, police in West Memphis, Arkansas, seemed stumped. Then suddenly, detectives charged three teenagers - alleged members of a satanic cult - with the killings. Despite the witch-hunt atmosphere of the trials and a case that included stunning investigative blunders, the teenagers, who became known as the West Memphis Three, were convicted. Jurors sentenced Jason Baldwin and Jessie Misskelley to life in prison and Damien Echols, the accused ringleader, to death. The guilty verdicts were popular in their home state - even upheld on appeal - and all three remained in prison until their unprecedented release in August 2011. In Devil's Knot, award-winning investigative journalist Mara Leveritt presents the most comprehensive, insightful reporting ever done on this story -

one of the greatest miscarriages of justice in American legal history. In-depth research, meticulous reconstruction of the investigation and close-up views of its key participants unravel the many tangled knots of this endlessly shocking case.
