The Theology of the Book of

Revelation Wipf and Stock Publishers

The Law of Freedom: Justice and Mercy in the Practice of Law examines the legal and theological roots of the concept of equity, and the implications that the diminishment of equity as a legal concept has for the moral dilemmas faced by the practicing lawyer. Meditating on the book of Micah, the book argues that the Christian duty asks for both strict justice and gracious

mercy, with the prophet's third value--humility--essential for both the individual lawyer and the legal system as a whole to balance strict justice and mercy.

Exploring Christian Heritage Kregel Academic

A Clear, Comprehensive Introduction to Basic Biblical Doctrines Experts in their respective fields provide an authoritative perspective on the fundamentals of theology. Extensive treatment of all the classic areas of theological concern--God, Jesus, the Holy Spirit, man, sin, salvation, sanctification, the Scriptures, the church, and more. Contributing authors include:

Robert Gromacki Earl Radmacher John Witmer Robert Saucy John Walvoord Robert Lightner J. Carl Laney Robert Pyne Ed Hayes Henry Holloman
Biblical Theology University of Chicago Press

The church in the Western world is largely faltering in its spiritual and missional vitality. There's a crisis of piety--or the devout life--heartfelt devotion to Christ and his cause. The Pietist movement of the seventeenth and eighteenth centuries grew into a revolutionary torrent of spiritual renewal that influenced the Moravians, the Methodists, the great

awakenings, and global evangelicalism as we know it today. The Devout Life explores and expands on ten key features of Pietism to plunge the depths of spiritual renewal for today.

God, the Bible, Truth and Christian Theology Fordham Univ Press

Dallas Seminary Professors Make Basic Theology Accessible for All Theology doesn't have to be complicated. In this book, trusted Dallas Seminary professors present a concise systematic theology that distills the essential spiritual truths in a way that makes sense to readers-- students, lay people, and pastors. Here are introductions, overviews, and reviews of key tenets of orthodox protestant evangelical doctrines. The book also includes an annotated list of key applicable Bible texts, a quick-paced story of doctrine throughout church history, heresies or distortions to be aware of, and more. Exploring Christian Theology is useful for discipleship, catechism, membership training, preview or review of doctrine, or quick personal reference. It can also be used by ministry training programs, Bible colleges, or seminaries as an introductory primer to orient students

in preparation for a more in-depth study of theology.

Christian Theology Princeton University Press

Originally published in 1949 and then revised in 1979, this comprehensive introduction to systematic theology has well served countless students and pastors for more than half a century. In this paperback edition it will continue to instruct serious students of the Bible and theology. Following two introductory chapters delineating the nature, necessity, possibility, and divisions of theology, Henry Clarence Thiessen systematically address a wide range of subjects in eight major sections -- Theism, Bibliology, Theology, Anthropology, Soteriology, Ecclesiology, Angelology, and Eschatology. Also included are two specialized indexes for further study -- an Index of Subjects and an Index of Scriptural References that includes over 4,000 entries.

Light from the Ancient Past, Vol. 1

Introduction to Christian Theology

A new edition of leading theologian Millard Erickson's classic text.

Christianity, Book-Burning and Censorship in Late Antiquity Cambridge University

Press

One of the thorniest problems in theological study is the relationship between biblical studies on the one hand, and constructive theology on the other. Theologians know that the Bible is the core source document for theological construction, and hence that they must be in conversation with the best in critical study of Scripture. For many biblical scholars, the point of what they do is to help the biblical text speak to today's church and world, and hence they would do well to be in conversation with contemporary theology. Yet too often the two groups fail to engage each other's work in significant and productive ways. The purpose of the Library of Biblical Theology, and this introductory volume to it, is to bring the worlds of biblical scholarship and constructive theology together. It will do so by reviving biblical theology as a discipline that describes the faith of the biblical periods on the one hand, and on the other hand articulates normative understandings of modern faith and practice. In this volume the authors begin by providing an overview of the history and possible future of biblical

theology. They introduce biblical theology as a fundamentally contrastive discipline, one that is neither dogmatic theology (seeking to explain the official teachings of a particular Christian tradition), nor is it a purely historical approach to Scripture, eschewing questions of the Bible's contemporary message and meaning. Rather, biblical theology takes seriously both the need to understand the message of Scripture in its particular historical context, and the need to address that message to questions that confront contemporary human life.

Essentials of Christian Theology Wipf and Stock Publishers

Biblical Eschatology provides what is not found in any other single volume on eschatology: it analyzes all the major eschatological passages (including the Olivet Discourse and the book of Revelation), issues (including the second coming of Christ, the millennium, the rapture, and Antichrist), and positions (including all the major views of the millennium) in a clear, but not superficial, way. The book concludes with a chapter showing how eschatology is relevant for our lives. Biblical Eschatology makes

understanding eschatology easier by including chapters on how to interpret prophecy and apocalyptic literature, by showing the history of eschatological thought, and by placing eschatology in the context of the Bible's overall story line and structure. Clarity and understanding are enhanced by the use of comparative tables and appendices. Subject and Scripture indexes are included. The book interacts with the best of Evangelical and Reformed scholarship, and the extensive bibliography (which includes the web addresses of many online resources) provides an excellent source for the reader's further study. This is a perfect resource for intelligent Christians, including pastors, students, and teachers, who desire to understand eschatology and to see how it fits together with the rest of the Bible.

[The Modern Theologians](#) Eerdmans Publishing Company

The Book of Revelation is a work of profound theology. But its literary form makes it impenetrable to many modern readers and open to all kinds of misinterpretations. Richard Bauckham explains how the book's imagery conveyed

meaning in its original context and how the book's theology is inseparable from its literary structure and composition.

Revelation is seen to offer not an esoteric and encoded forecast of historical events but rather a theocentric vision of the coming of God's universal kingdom, contextualised in the late first-century world dominated by Roman power and ideology. It calls on Christians to confront the political idolatries of the time and to participate in God's purpose of gathering all the nations into his kingdom. Once Revelation is properly grounded in its original context it is seen to transcend that context and speak to the contemporary church. This study concludes by highlighting Revelation's continuing relevance for today.

Understanding Christian Theology
Langham Publishing

In the past one hundred years alone, more than 200 million people have been killed as a consequence of systematic repression, political revolutions, or ethnic or religious war. The legacy of such violence lingers long after the immediate conflict. Drawing on the author's experiences of his native El Salvador,

Liberation through Reconciliation builds on Jon Sobrino's thought to construct a Christian spirituality and theology of reconciliation that overcomes conflict by attending to the demands of truth, justice, and forgiveness.

David Van Leeuwen

"Our Reasonable Faith" is an accessible digest of the author's famous four volume "Reformed Dogmatics" and clearly presents the fundamental doctrines of Biblical theology. A practical handbook of theology, it is an outstanding and comprehensive statement of Christian faith and doctrine. Fully supported by Scriptural references, this book provides students, teachers, pastors, and lay readers with a readable, thorough, and systematic presentation of God's revelation.

Liberation through Reconciliation Baker Academic

With over 550 entries ranging from Abba to Zwingli composed by leading contemporary theologians from around the world, The Cambridge Dictionary of Christian Theology represents a fresh, ecumenical approach to theological reference. Written with an emphasis on

clarity and concision, all entries are designed to help the reader understand and assess the specifically theological significance of the most important concepts. Clearly structured, the volume is organized around a small number of 'core entries' which focus on key topics to provide a general overview of major subject areas, while making use of related shorter entries to impart a more detailed knowledge of technical terms. The work as a whole provides an introduction to the defining topics in Christian thought and is an essential reference point for student and scholars.

Reign of God Baker Academic
Asian Christian Theology provides a survey of contextually reflective, robustly evangelical theology for students to engage with the core doctrines of Christianity and their outworking in different cultures across Asia. The contributors of the chapters come from all corners of Asia to systematically examine traditional doctrinal themes and contemporary concerns for the Asian church. Ideal for use as a companion textbook in Asian seminaries and institutions, this book will also provide

excellent further reading for those outside of Asia seeking global theological perspectives, and for those in contexts of significant Asian diaspora. Many excellent books surveying theology exist, but this book is a major step forward for students and scholars seeking to understand the dynamic environment of evangelical theology in Asia.

Homiletics and Hermeneutics John Wiley & Sons

It is estimated that only a small fraction, less than 1 per cent, of ancient literature has survived to the present day. The role of Christian authorities in the active suppression and destruction of books in Late Antiquity has received surprisingly little sustained consideration by academics. In an approach that presents evidence for the role played by Christian institutions, writers and saints, this book analyses a broad range of literary and legal sources, some of which have hitherto been little studied. Paying special attention to the problem of which genres and book types were likely to be targeted, the author argues that in addition to heretical, magical, astrological and anti-Christian books, other less obviously

subversive categories of literature were also vulnerable to destruction, censorship or suppression through prohibition of the copying of manuscripts. These include texts from materialistic philosophical traditions, texts which were to become the basis for modern philosophy and science. This book examines how Christian authorities, theologians and ideologues suppressed ancient texts and associated ideas at a time of fundamental transformation in the late classical world. *The Invention of Sodomy in Christian Theology* Cambridge University Press

This new edition of *Systematic Theology* by Wayne Grudem is one of the most important resources for helping you understand Scripture and grow as a Christian. The most widely used resource of the last 25 years in its area, *Systematic Theology* has been thoroughly revised and expanded for the first time while retaining the features that have made it the standard in its field: clear explanations, an emphasis on each doctrine's scriptural basis, and practical applications to daily life. With nearly 250 pages of new content and revisions, this new edition now includes the following distinctive features:

Updated analysis of recent controversies within evangelical theology, including the eternal relationship between the Father and the Son in the Trinity, the role of women in the church, miraculous gifts of the Holy Spirit, and contemporary worship music. New discussion and critiques of recent theological controversies situated outside of traditional evangelical theology, such as open theism, the "new perspective on Paul," Molinism (or "middle knowledge"), "Free Grace" theology, and the preterist view of Christ's second coming. Completely revised chapter on the clarity of Scripture. Completely revised chapter on creation and evolution, including a longer critique of theistic evolution and an extensive discussion on the age of the earth. New discussion of how biblical inerrancy applies to some specific "problem verses" in the Gospels. Additional material explaining evangelical Protestant differences with Roman Catholicism, Protestant liberalism, and Mormonism. Completely updated bibliographies. All Scripture quotations updated from RSV to ESV. Updated section on contemporary worship music. Numerous other updates and corrections.

Part of the brilliance of *Systematic Theology* has been its simplicity and ease of use. Each chapter follows the same structure: discussion of the doctrine being considered, an explanation of that doctrine's biblical support and possible objections, followed by personal application and key terms to know for personal growth. Chapters also include a Scripture memory passage, references to other literature on the topic, and suggested hymns and worship songs. If you think theology is hard to understand or boring, then this new edition of *Systematic Theology* will change your mind.

Book of Mormon Student Manual

Abingdon Press

Regarded as the leading text in Christian theology for the last 25 years, Alister E. McGrath's *The Christian Theology Reader* is now available in a new 5th edition featuring completely revised and updated content. Brings together more than 350 readings from over 200 sources that chart 2,000 years of Christian history. Situates each reading within the appropriate historical and theological context with its own introduction, commentary, and study

questions Includes new readings on world Christianity and feminist, liberation, and postcolonial theologies, as well as more selections by female theologians and theologians from the developing world Contains additional pedagogical features, such as new discussion questions and case studies, and a robust website with new videos by the author to aid student learning Designed to function as a stand-alone volume, or as a companion to *Christian Theology: An Introduction*, 6th edition, for a complete overview of the subject

[Practical Christian Theology](#) Wiley-Blackwell

In *Christian Theology*, author Christopher W. Morgan presents an accessible introduction to the core areas of systematic theology, including God, revelation, humanity, sin, Christ and his work, the church, and the future. Each chapter highlights Scripture's teaching on a topic as it unfolds in the Bible's story line, intentionally connecting readers to the doctrines with a focus on personal application and missional living.

Our Reasonable Faith Baker Academic
Scott Gibson and Matthew Kim, both experienced preachers and teachers, have brought together four preaching experts--Bryan Chapell, Kenneth Langley, Abraham Kuruvilla, and Paul Scott Wilson--to present and defend their approaches to homiletics. Reflecting current streams of thought in homiletics, the book offers a robust discussion of theological and hermeneutical approaches to preaching and encourages pastors and ministry students to learn about preaching from other theological traditions. It also includes discussion questions for direct application to one's preaching.

Introduction to Christian Theology

B&H Publishing Group

Leading evangelical scholar Millard Erickson offers a new edition of his bestselling textbook, now substantially updated and revised throughout. This edition takes into account feedback from professors and students and reflects current theological conversations, with added material on the atonement, justification, and divine foreknowledge.

Erickson's comprehensive introduction is biblical, contemporary, moderate, and fair to various positions, and it applies doctrine to Christian life and ministry.
