Colum McCann's  
Everything in This  
Country Must, a writer  
of fierce originality and  
haunting lyricism, turns

to the troubles in  
Northern Ireland and  
reveals the  
reverberations of  
political tragedy in the  
most intimate lives of  
men and women,  
parents and children.  
In the title story, a  
teenage girl must  
choose between  
allegiance to her

Catholic father and gratitude to the British soldiers who have saved the family's horse. The young hero of Hunger Strike, a novella, tries to replicate the experience of his uncle, an IRA prisoner on hunger strike. And in Wood, a small boy does his part for the Protestant marches, concealing his involvement from his blind father. Writing in a new form, but with the skill and force and sparkling poetry that have brought him international acclaim, Colum McCann has delivered masterful, memorable short fiction.

Set in New York in the Depression, this is the story of Jim Braddock, who takes up boxing to

make money to feed his family, and eventually goes up against champ Max Baer, notorious for having killed two men in the ring. James J. Braddock, born in New York City, was known locally for his thunderous right hand and successful amateur boxing career. After turning professional, he defeated foe after foe, and his rapid rise from obscurity earned him the nickname, the Cinderella Man. He was given a shot at the world light heavyweight title against champion Tommy Loughran in 1929, but lost in a 15-round decision. Following that defeat and the stock market crash of 1929, Jim Braddock struggled to win fights and provide

for his young family. Eventually Jim's luck turned. In 1934 he had upset wins against Corn Griffin and John Henry Lewis. With these two wins, Braddock set himself up for another shot at the world title - against heavyweight champion, Max Baer. On 13 June 1935, as a 10 to 1 underdog, Jim took the world title from Max Baer in what was described as, 'the greatest fistic upset since the defeat of John L. Sullivan by Jim Corbett'. Braddock would lose his heavyweight title two years later in an eight-round KO to 'The Brown Bomber', Joe Louis. Jim was inducted into the Ring Boxing Hall of Fame in 1964, the Hudson County Hall of Fame in 1991 and the International

Boxing Hall of Fame in 2001.

The Great Depression and the New Deal. For generations, the collective American consciousness has believed that the former ruined the country and the latter saved it. Endless praise has been heaped upon President Franklin Delano Roosevelt for masterfully reining in the Depression's destructive effects and propping up the country on his New Deal platform. In fact, FDR has achieved mythical status in American history and is considered to be, along with Washington, Jefferson, and Lincoln,

one of the greatest presidents of all time. But would the Great Depression have been so catastrophic had the New Deal never been implemented? In FDR's Folly, historian Jim Powell argues that it was in fact the New Deal itself, with its shortsighted programs, that deepened the Great Depression, swelled the federal government, and prevented the country from turning around quickly. You'll discover in alarming detail how FDR's federal programs hurt America more than helped it, with effects we still feel today, including:

- How Social Security actually increased unemployment
- How higher taxes undermined good businesses
- How new labor laws threw

people out of work • And much more This groundbreaking book pulls back the shroud of awe and the cloak of time enveloping FDR to prove convincingly how flawed his economic policies actually were, despite his good intentions and the astounding intellect of his circle of advisers. In today's turbulent domestic and global environment, eerily similar to that of the 1930s, it's more important than ever before to uncover and understand the truth of our history, lest we be doomed to repeat it.

The remarkable behind-the-scenes story of one of the most iconic clashes in sports and world history. In 1936, against a backdrop of swastikas flying and storm troopers goose-stepping, an African-American athlete won a staggering four Olympic gold medals. Jesse Owens, the son of sharecroppers, had single-handedly crushed Hitler's myth of Aryan supremacy. The story of Jesse Owens at the 1936 games is that of a high-profile athlete giving a performance that transcends sports. But it is also the intimate and complex tale of the courage of one remarkable man. This is the incredible

true story of one of the moment a black athlete beat Hitler at his own games. Cinderella Man Robson Books Limited Awarded an Asian/Pacific American Award for Literature Picture Book Honor, this stunning picture book brings to life the imagination of Japanese American artist, Isamu Noguchi. (Cover image may vary.) If you are Isamu, stones are the most special of all. How can they be so heavy? Would they float if they had no weight? Winner of the Theodor Seuss Geisel Award in 2020 for *Stop! Bot!*, James Yang imagines a day in the boyhood of Japanese American artist, Isamu Noguchi. Wandering through an outdoor market, through the forest, and

then by the ocean, Isamu sees things through the eyes of a young artist . . .but also in a way that many children will relate. Stones look like birds. And birds look like stones. Through colorful artwork and exquisite text, Yang translates the essence of Noguchi so that we can all begin to see as an artist sees.

"A fictional, idealized life story of boxing champion Jack Johnson, here called Jack Jefferson. Acting as a lens focused on a racist society, *The Great White Hope* explores

The Untold Tale of a Mineral That Transforms Lives and Heals the Brain Head of Zeus

Published in 1948, "How to Box" was the first instructional book developed and written by one of the greatest fighters of his time, Joe Louis. The nuts and bolts of Louis' brilliant engineering are here in this book. Legend has it that before beginning the fighter-trainer relationship that would help define him, Louis worked with one Holman Williams who is credited by some with supplying Louis with

perhaps the most precious gift he ever received-his jab. But Williams is also said to have taught Louis the rudiments of the defense and was supposedly the first man to encourage Louis to punch in combination. "Boxing is built upon punching and footwork," says How to Box. "If the stance is too narrow for balance, move the right foot a few inches to the right to widen the stance; if too wide, glide the right foot forwards a few inches. Don't lock the left leg but keep it straight."Freddie Roach described Joe Louis as the "best textbook fighter of all time." Here we see the first great foundation of that inch-perfect style. Louis hardly ever made small adjustments with

his left foot. His left jab is always perched over that lead foot, ready to be thrown. A boxing training manual intent on conveying the art of boxing, physical fitness knowledge, and the power of the sport to the general public. A great historical reference and a valuable addition to any library concerned with the history of boxing and martial arts.

A hero's feats? Ever since he was a baby, Becan's only worry has been his big feet--until his widowed father remarries. His new stepmother and her three daughters feed him crusts of bread and banish him to work in the fields. So Becan runs away. With the

help of his only friend, a magical bull, he defeats a giant, slays a dragon, and rescues a princess. But before she can thank him, Becan disappears, leaving behind him one of his enormous boots. The princess scours the kingdom for the owner of the giant boot. Will Becan's feet give him away? And what will his fate be if they do? Folklorist Shirley Climo retells an age-old Irish tale that is an unusual twist on the popular Cinderella story. Just like his female counterpart, Becan has a mean stepmother and stepsisters. Unlike Cinderella, Becan has large feet and a magical bull for a fairy godmother. He defeats a sword-swinging giant, slays a fire-breathing dragon, and rescues a princess. But

before the princess can thank him, he runs off, leaving her with only an enormous boot to aid her in the search for her rescuer. And, as in all Cinderella stories, true love prevails.

The Cinderella Man

Little, Brown Books for Young Readers

Tagline: One man's extraordinary fight to save the family he loved. Plot Synopsis: During the Great Depression, a

common-man hero, James J. Braddock-- a.k.a. the Cinderella Man--was to become one of the most surprising sports legends in history. By the early 1930s, the impoverished ex-prizefighter was seemingly as broken-down, beaten-up and out-of-luck as much of the rest of the American populace who had hit rock bottom. His career appeared to be finished, he was unable to pay the bills, the only thing that mattered to him--his family--was in danger, and he was even forced to go on Public Relief. But deep inside, Jim Braddock never relinquished his determination. Driven by love, honor and an incredible dose of grit, he willed an impossible

dream to come true. In a last-chance bid to help his family, Braddock returned to the ring. No one thought he had a shot. However Braddock, fueled by something beyond mere competition, kept winning. Suddenly, the ordinary working man became the mythic athlete. Carrying the hopes and dreams of the disenfranchised on his shoulders, Braddock rocketed through the ranks, until this underdog chose to do the unthinkable: take on the heavyweight champ of the world, the unstoppable Max Baer, renowned for having killed two men in the ring.

In the wake of the

bombing of Pearl Harbor, the 1942 Rose Bowl was moved from Pasadena to Durham, North Carolina, out of fear of Japanese attacks on the West Coast. It remains the only Rose Bowl game to ever be played outside of Pasadena. Duke University, led by legendary coach Wallace Wade Sr., faced off against underdog Oregon State College, with both teams preparing for a grueling fight on the football field while their thoughts wandered to the battlefields they would soon be on. As the players and coaches prepared for the game, America was preparing for war. President Franklin D. Roosevelt and British Prime Minister Winston Churchill met to discuss the Allied

strategy in Europe; a discussion that would change the lives of the boys and men on the field in Durham. Finally, on New Year's Day 1942, under dark gray skies and occasional rain, the two teams clashed on the gridiron in front of a crowd of 56,000, playing one of the most unforgettable games in history. Shortly afterward, many of the players and coaches entered the military and would quickly become brothers on the battlefield. Scattered around the globe, the lives of Rose Bowl participants would intersect in surprising ways, as they served in Iwo Jima and Normandy, Guadalcanal and the Battle of the Bulge. Four players from that

Rose Bowl game would lose their lives, while many more were severely wounded. In one powerful encounter on the battlefield, OSC's Frank Parker saved the life of Duke's Charles Haynes as he lay dying on a hill in Italy. And one OSC player, Jack Yoshihara, a Japanese-American, never had the chance to play in the game or serve his country, as he was sent to an internment camp in

Idaho. In this riveting an emotional tale, Brian Curtis sheds light on a little-known slice of American history and captures in gripping detail an intimate account of the teamwork, grit, and determination that took place on both the football fields and the battlefields of World War II. It was a game created by infamy and a war fought by ordinary boys who did the extraordinary.
