AUBREE COOK

Whose Baby Butt? Orca Book Publishers
Because Everything Looks Better with a Butt In Brian Cook's debut collection of fun, offbeat illustrations, beers have rears, Tetris® becomes Butris and balloons bear backsides. Hot dog buns have buns of their own, and condiments are down-right cheeky. Shatter your assumptions about who and what can rock a rump because with a little imagination, anything is possible. Whether you're seeking a good

chuckle, are into unconventional art or are simply looking to get to the bottom of an eccentric curiosity, you won't want to put this gem of a book down.

[Bear's Big Bottom](#) Courier Dover Publications

An inspiring and empowering picture book about the small things kids do that have the potential to change the world! Meet some of the world's most beloved movers, shakers, scientists, activists, dreamers, and doers from the past and present who model what every childhood first can lead to! Neil Armstrong, Misty Copeland, Ruth Bader Ginsburg, and more were once

kids—they grew up to lead us to the moon, dance in the ballet, and break barriers. From first steps to solving puzzles and learning the alphabet, all the small things are only the beginning: they can lead to future activism and innovation that just might change the world! Featuring fresh and accessible text paired with vibrant illustrations, *We Move the World* gives young readers a chance to see how much is possible just because of the things they already do. Includes robust backmatter that gives further context on each figure and historical moment, including the most recent COVID-19 pandemic.

I need a new bum Adventure Publications

A story about a smelly donkey with a gas problem, which will have you and your children laughing out loud! Suitable for both boys and girls aged 3 years old up to 8 years old

Bird Trivia Adventure Boardbooks

Laugh while you learn about baby animals. From fuzzy to feathery, baby animal butts are the silliest sights in nature. This hilarious book is the perfect companion to *Whose Butt?*, an acclaimed picture book by award-winning wildlife photographer Stan Tekiela. Readers are shown a baby animal's behind and asked to guess, "Whose baby butt is this?" Then it's time to turn the page and discover the answer! Features: Interactive text Sensational photographs *Whose Baby Butt?* will have kids laughing out loud as they're introduced to a new variety of North American critters.

Animals Should Definitely Not Act Like People Penguin

Children form teams, build a pitch, and play a joyous game of soccer in a book with English and Creole (as spoken in Saint Lucia) vocabulary words.

Poopendous! Greystone Books Ltd

For a wide variety of wildlife subjects, McDonald shows how to create an image that not only captures the wary animal in its natural environment but is also well designed.

We Move the World Capstone

The inventive young hero from the bestselling *I Need a New Butt!* is back and this time he has accidentally glued a serving tray to his behind — and it's great for sliding down hills, surfing big waves, and other booty-full fun. Now all his friends want one too!

Where's My Tushy? Bloomsbury USA Childrens

I need a new butt!: A rhyming story about a young boy who, upon noticing that his butt has a huge crack, sets off to find a new butt.

Butts Are Everywhere Simon and Schuster

Can you find the hidden critters in these photographs? Animals aren't always easy to spot. Some hide while they hunt. Others hide to avoid being hunted. Many critters don't need to hide—their colors match their surroundings. Wildlife photographer Stan Tekiela is also good at hiding. He

hides from animals to take pictures of them! In *Hidden Critters*, the award-winning author presents his amazing wildlife images that prove animals are great at hiding. Look closely. Do you see the animals? Study each picture in the book, and try to spot the critter. Then read the clues and guess which animal it is. When you have an answer, turn the page and find out if you're right! *Hidden Critters* is an engaging, interactive introduction to North American animals. Finding them is sure to become your family's favorite game! Features: Full-color photos of real animals Engaging text to interest young readers Fun facts about the natural world *Whose Bum?* Carolrhoda Books ® Everyone's favorite character from the bestselling *I Need a NEW BUTT!* and *I Broke MY BUTT!* is back with a new problem — his butt is too noisy! Follow our hero's hilarious adventures in the latest and loudest sequel by Dawn McMillan and Ross Kinnaird.

Designing Wildlife Photographs Hyperion You know what? What? Chicken butt! The classic schoolyard joke has been recast as an irreverent picture book, with call-and-response parts for parent and child. The

word repetition in Erica S. Perl's text, and wonderfully comic illustrations by beloved artist Henry Cole, make this a particularly inviting book for new readers, as does the opportunity to "trick†? a parent or other adult into participating in a very silly joke. The humor builds to a surprising and satisfying conclusion. Warning: Kids will want to read this one over and over and over again! "An unhinged piece of slap-happy rhyming...rocket-propelled artwork...the romp is a powerful piece of cacophony, more frenetic by the moment.†?—Kirkus Reviews

Butts on Things Courier Dover Publications

Spectacular nature photography: Weird and wonderful, as only nature can be! Explores a question unasked by any other book for young readers: What can we learn about nature and evolution from the bizarre and exotic ways some animals have evolved to get life-giving oxygen? An inquiry-based book designed to stimulate active minds; a STEM standout from a celebrated nature photographer and writer.

Hidden Critters Running Press Kids

A funny and interactive book that explains

the surprising science behind everyday kid questions Why is your elbow called your funny bone? How could you escape the grip of a crocodile's jaw? Which animal can breathe through its butt? This book uncovers the amazing scientific explanations behind all sorts of questions that can pop into our heads. Can an egg bounce? How can a giraffe's ridiculously long neck contain the same number of bones as a human's? How much does the Internet weigh? With delightful interactive features that invite readers to guess answers to questions and make links between different scientific concepts, this is a great book for reluctant readers and STEAM lovers alike.

Belches, Burps and Farts, Oh My! Triangle Interactive, Inc.

Rhyming couplets feature Professor Poopdeck and two young friends as he takes them on a type of poop safari. Words for poop (i.e. guano, number two, ca-ca), its forms and styles (cubes, tubular, wet and dry), and myriad of uses (i.e. souvenirs, fertilizer, fuel) are all conveyed with humor and a certain demand for respect. Full color.

Blowholes, Book Gills, and Butt-Breathers: How Animals Get Their Oxygen (How Nature Works) Simon and Schuster

Animals should definitely not act like people. ...because it would be foolish for a fish, so silly for a sheep, and preposterous for a panda -- as Ron Barrett's wonderfully detailed drawings show. This book will show children a new way of looking at animals and people, even as they laugh.

Seagull Sid Bloomsbury Children's Books

Do you know where your butt is? Morty the

penguin has no idea! He's pretty sure he has one, but where IS it? So he does what any reasonable penguin would do: ask. But no one around him can help, so he goes on a wild trip--all the way to outer space--to find the answer. Morty's crazy

adventures will make kids laugh their butts off!
Amphoto Books
Tall butts, short butts, round butts, flat butts. Butts on mummies and butts on mommies. Butts on giraffes and elephants and dogs and... FISH? Yes, even fish butts

are celebrated in this tribute to backsides, rumps, tushies, keisters, heinies, and derrieres. Dozens of funny rhymes and pages of laugh-out-loud pictures pay homage to a body part that keeps kids and grown-ups giggling with glee. Bottoms up!
