Through strength of character, Isabel wins her husband's grudging respect, but finds the Welsh court backward and barbaric, and is soon engaged in a battle of wills against Gwirion, the king's oldest, oddest, and most trusted friend. Before long, however, Gwirion and Isabel's mutual animosity is abruptly transformed, and the king finds himself as threatened

by loved ones as by the enemies who menace his crown. A masterful novel by a gifted storyteller, *The Fool's Tale* combines vivid historical fiction, compelling political intrigue, and passionate romance to create an intimate drama of three individuals bound -- and undone -- by love and loyalty.

Sean Flanagan
has spent a
lifetime alone

and rejected, constantly hiding who he really is. With a father who deserted him and a mother who despised him, Sean didn't think things could get much worse ... until he was kicked out of home for being gay. Now he's discovered he has three half-sisters on the other side of the world. This might be his last chance to find people who will love and accept him. But he's terrified that if they find out who he really is then they'll

reject him like the rest of his family. Sean arrives in Houston and is stunned by the warm welcome he receives from his sisters. He begins to hope that maybe this time things will be different. That's when he meets Hayden Johnson. To follow his heart means risking everything with his newfound family. Hayden is tired of endless dating. He's looking for a

man to love, someone to spend the rest of his life with. His boss's new brother ticks all the boxes on the attraction scale, but there's just one problem - he's not gay. Will Sean let his fears rule him, or will he let in the chance of love and find a place where he belongs? Senandung Talijiwo Forever Gail Carson Levine charmed the world with Ella Enchanted, her spirited retelling of the Cinderella

story. Now this award-winning author turns her attention to two more classic fairy tales, and deftly turns them upside down and inside out with her trademark wit and hilarity. In *The Fairy's Mistake*, two very different sisters have two very different encounters with the fairy Ethelinda. Rosella is kind and helpful. Her reward: Jewels and gems tumble out of her mouth whenever she

speaks. Myrtle is rude and spiteful. Her punishment: Bugs and vipers slither out of her mouth. The fairy Ethelinda feels she's meted out justice just right--until she discovers Rosella has been locked up by a greedy prince and Myrtle is having the time of her life! In *The Princess Test*, King Humphrey has decided it's time for his son, Prince Nicholas, to marry. But he must make sure the bride

is a real princess. So he devises a series of princess tests, designed to weed out the phonies and the fakes. Meanwhile, Nicholas has fallen in love with Lorelei, a mere blacksmith's daughter. She's no princess, but he wants to marry her all the same--but how will she ever pass the terrible tests? In these first two delightfully entertaining, laugh-out-loud *Princess Tales*, Gail Levine gently spoofs

the notion that fairies are always right and that tests can ever prove a person's worth, but holds fast to the notion that true love will always win in the end.

Danielle Evans is widely acclaimed for her blisteringly smart voice and X-ray insights into complex human relationships. With *The Office of Historical Corrections*, Evans zooms in on particular moments and relationships in her characters’ lives in a way that allows them to speak to larger issues of race, culture, and history. She introduces us to Black and multiracial characters who are experiencing the universal confusions of lust and love, and getting walloped by grief—all while exploring how history haunts us, personally and collectively. Ultimately, she provokes us to think about the truths of American history—about who gets to tell them, and the cost of setting the

record straight. In “Boys Go to Jupiter,” a white college student tries to reinvent herself after a photo of her in a Confederate-flag bikini goes viral. In “Richard of York Gave Battle in Vain,” a photojournalist is forced to confront her own losses while attending an old friend’s unexpectedly dramatic wedding. And in the eye-opening title novella, a black scholar from

Washington, DC, is drawn into a complex historical mystery that spans generations and puts her job, her love life, and her oldest friendship at risk. *A Novel* Northwestern University Press

The urban classic

coming-of-age story about sex, drugs, and basketball Jim Carroll grew up to become a renowned poet and punk rocker. But in this memoir of the mid-1960s, set during his coming-of-age from 12 to 15, he was a rebellious teenager making a place and a name for himself on the unforgiving streets of New York City.

During these years, he chronicled his experiences, and the result is a diary of

unparalleled candor that conveys his alternately hilarious and terrifying teenage existence. Here is Carroll prowling New York City-- playing basketball, hustling, stealing, getting high, getting hooked, and searching for something pure. The Basketball Diaries was the basis for the film of the same name starring Leonardo DiCaprio. "I met him in 1970, and already he

was pretty much universally recognized as the best poet of his generation. . . . The work was sophisticated and elegant. He had beauty." -- Patti Smith
Place to Belong
 Gollancz
 Introducing a new star of her generation, an electric debut story collection about mixed-race and African-American teenagers, women, and men struggling to

find a place in their families and communities. When Danielle Evans's short story "Virgins" was published in *The Paris Review* in late 2007, it announced the arrival of a major new American short story writer. Written when she was only twenty-three, Evans's story of two black, blue-collar fifteen-year-old girls' flirtation with adulthood for one night was startling in its pitch-perfect examination of race, class, and the

shifting terrain of adolescence. Now this debut short story collection delivers on the promise of that early story. In "Harvest," a college student's unplanned pregnancy forces her to confront her own feelings of inadequacy in comparison to her white classmates. In "Jellyfish," a father's misguided attempt to rescue a gift for his grown daughter from an apartment collapse

magnifies all he doesn't know about her. And in "Snakes," the mixed-race daughter of intellectuals recounts the disastrous summer she spent with her white grandmother and cousin, a summer that has unforeseen repercussions in the present. Striking in their emotional immediacy, the stories in *Before You Suffocate Your Own Fool Self* are based in a world where inequality is reality but

where the insecurities of adolescence and young adulthood, and the tensions within family and the community, are sometimes the biggest complicating forces in one's sense of identity and the choices one makes. *Supernova* Typhoon Media Ltd Prowling the seedy red-light districts, the underground club circuit and the house parties of wealthy Indonesian

society, Moammar Emka offers a unique glimpse into the underbelly of modern, urban Jakarta. This is the book that took Indonesia by storm. Moammar Emka is Jakarta's answer to Carrie Bradshaw; this is "'Sex and the City'" Indonesian-style! *The Basketball Diaries* Grove/Atlantic, Inc. From the international bestselling author comes a "taut, entertaining

archaeological murder-mystery-meets-spy-thriller” (Kirkus Reviews). When journalist Rivka Kleinberg is brutally murdered in a Jerusalem cathedral, it’s a complicated case for detective Arie Ben-Roi. Kleinberg had racked up a wide array of enemies exposing corruption in the halls of power—from international corporations and the Russian mob to the Israeli

government. Learning that Kleinberg was working on a story involving Egypt, Ben-Roi enlists the help of his old friend Yusuf Khalifa of the Luxor Police. Together they discover something far more sinister than a single murder. Kleinberg was chasing a mystery spanning centuries—a timeless search for an incredible treasure that has cost countless people their lives, and a modern-day conspiracy

that now threatens to add Ben-Roi and Khalifa to the tally of the dead. From a highly respected archaeologist and international-bestselling author comes “a well-researched tale combining an archaeological puzzler with contemporary Middle Eastern concerns” (Financial Times). “An absolutely top-notch thriller.” —Daily Mail *The Knight, The Princess and the Falling Star*

He finds himself on a grueling three-day bus ride from Sumatra to

United by punishment, he quickly becomes friends with five boys from across the archipelago, and together they become known as the Fellowship of the Manara. Beneath the mosque's minaret, the boys gaze at

Ajo Kawir, a lower-class Javanese teenage boy

excited about sex, likes to spy on fellow villagers in flagrante, but one night he ends up witnessing the savage rape of a beautiful crazy woman by two policemen. Deeply traumatized, he becomes impotent. His efforts to get his virility back all fail, and Ajo Kawir turns to fighting as a way to vent his frustrations. He gets such a fearsome reputation as a brawler that he is hired to kill a thug

named The Tiger, but instead Ajo Kawir falls in love with Iteung, a gorgeous female bodyguard who works for the local mafia. Alas, the course of true love never did run smooth... Fast-forward a decade. Now a truck driver, Ajo Kawir has reached a new equanimity, thinking that his penis may be trying to teach him a lesson and even consulting it in many situations as if it were his

guru—love may yet triumph. Vengeance Is Mine, All Others Pay Cash shows Eka Kurniawan in a gritty, comic, pungent mode that fans of Quentin Tarantino will appreciate. But even with its liberal peppering of fights, high-speed car chases, and ladies heaving with desire, the novel continues to explore Kurniawan's familiar themes of female agency in a violent male world

dominated by petty criminals and a corrupt police state. [Mengungkap Fakta dari Kematian Bung Karno Sampai Kematian Munir](#) Bentang Pustaka The Dutch people are some of the happiest in the world. Their secret? They are masters of nixsen, or the art of doing nothing. Nixsen is not a form of meditation, nor is it a state of laziness or boredom. It's not scrolling

through social media, or wondering what you're going to cook for dinner. Rather, to niks is to make a conscious choice to sit back, let go, and do nothing at all. With this book, learn how to do nothing in the most important areas of your life, such as:

AT HOME: Find a comfy nook and sit. No technology or other distractions.

AT WORK: Stare at your computer. Take in the view from

your office. Close your eyes. **IN PUBLIC:** Forget waiting for the bus, enjoy some relaxing niks time. Backed with advice from the world's leading experts on happiness and productivity, this book examines the underlying science behind niks and how doing less can often yield so much more. Perfect for anyone who feels overwhelmed, burnt out, or exhausted, **NIKSEN** does not tell you to

work harder. Instead, it shows you how to take a break from all the busyness while giving you sincere, heartfelt permission to do nothing.
