BEAUTY PRODUCTS FOR BEGINNERS 2nd Edition: The Secret Homemade Recipe Guide Using Essential Oils for Natural Skin Care, Hair Care and Body Care CONCLUSION RIGHT AFTER CONCLUSION Basically, an essential oil contains aroma compounds found in plants. They are extracted from plants and are often fragrant or have distinctive scents that set them apart from artificial oils and products. Distillation is often the process done in order to extract oils from plants. Steam is essential in being able to get the oils out of the plants and in being

able to preserve them well. Throughout history, essential oils have been used for a variety of reasons, such as for medicinal and aesthetic purposes. Using essential oils in beauty products is ideal because they come from plants, which means that they are natural and there are no side effects to using them. Using essential oils is also a form of aromatherapy. Plus, being able to create your own beauty products with the help of different essential oils would be so much fun. Aside from being able to use the products on your own, you may also sell them to your friends and colleagues. Start reading this book now and create your very own natural beauty products! Every woman can accentuate her God-given beauty using the hidden treasures of the ancient Scriptures. Ginger Garrett reveals how every woman can accent her God-given beauty using the hidden treasures of the ancient Scriptures--where every scent and every act of beautification had spiritual and emotional significance. A woman's longing to present herself as physically beautiful is universal. Beauty is extolled throughout the Bible as complementing God's plan for women's lives. There are currently no books that examine the beauty practices of biblical women, the plants and products God created to accent their beauty, and the spiritual roots of feminine rituals. Beautiful women abound in the Bible: Queen Esther, the bride of Solomon, Delilah, Rachel, Sarah, and more. Their beauty was a gift from God, and God also supplied the many foods, spices, and oils that perfected each woman's appearance. In *Beauty Secrets of the Bible*, Ginger Garrett helps readers accent their God-given beauty using these secrets. Women who read the book will understand the essential oils and fragrances mentioned in Scripture (and why they are making a comeback) and will be able to create a regimen based on all-natural ancient products and techniques. *Beauty Secrets of the Bible* gives readers what other beauty books lack: the knowledge that a woman's unique earthly beauty is indeed a blessing from God that can be cultivated.
