Selected especially for appeal to upper-elementary and middle-school students, each story has been crafted through multiple performances in school and library settings. Stories include traditional folktales, local legends, and original stories; some have historical settings and some are set in current times. All are sure to engage the most reluctant reader.

Scary Stories to Tell in the Dark: Three Books to Chill Your Bones HarperCollins

They take place on desolate highways, in a dark and lonely wood, in ordinary neighborhoods just like your own. Tales of everyday people caught up in indomitable situations. Dread-inducing moments with an air of plausibility-while you hope to god they aren't actually true. Urban legends, modern folklore, or creepypasta. Whatever you call them, they represent shards of our deepest anxieties as individuals, as a society. CORPSE COLD: NEW AMERICAN FOLKLORE evokes the spirit of the campfire tales you heard as a kid. This 20-story anthology offers refreshing, mature reinterpretations of time-tested stories, and wholly original legends that explore the twisted labyrinth of modern myth. Each tale is brought to life and made all the more unsettling by the striking, grisly illustrations of artist Chad Wehrle.
