For over a hundred years, The Columbia Granger's Index to Poetry in Anthologies has been the preeminent index for answers to questions about the world of poetry, identifying the author of a poem or the anthologies in which it can be found when only a title, first line, or last line is known. This latest edition—a "must have" for libraries—brings its index up to date as of May 31, 2006. This latest version features 85,000 classic and contemporary poems by 12,000 poets. Also included are works in translation and for the first time poetry in Spanish, Vietnamese, and French. The subject organization of the poems is especially useful. Hundreds of new subjects have been added, indexing poems on highly relevant topics such as Osama bin Laden, the war in Iraq, Dick Cheney, the Internet, and Rosa Parks, as well as timeless subjects like the Bill of Rights, unspoken love, faith, and inspiration. Our impressive team of consultants includes J. D. McClatchy, Harvey Shapiro, and former poet laureate Mark Strand. From The Norton Anthology of Poetry (2005 edition) to

Poetry after 9/11 and Garrison Keillor's Good Poems, this new edition puts readers in touch with the best of the latest anthologies and the lasting favorites.

Strong enough to protect her. Bold enough to love her. When good girl Margo Connelly becomes Lamar "Striker" Jennings's latest assignment, she knows she's in trouble. And not just because he's been hired to protect her from an underworld criminal. The reformed bad boy's appeal is breaching all her defenses, and as the threats against her increase, Margo isn't sure which is more dangerous: the gangster targeting her, or the far too alluring protector tempting her to let loose.

Though Striker's now living on the right side of the law, he's convinced his troubled past keeps Margo out of his league. But physical chemistry explodes into full-blown passion when they go on the run together. Surrendering to desire could be a deadly distraction—or finally prove that he's the only man qualified to keep her safe, and win her love.

"Hard as it is to believe, one of the most significant stories of the post-9/11 age is also one of the least known-life at Gitmo, the detention facility for many of the world's worst terrorists. Few individuals are more qualified to tell this story than Montgomery Granger, a citizen soldier, family man, dedicated educator, and Army Reserve medical officer involved in one of the most intriguing military missions of our time. Saving Grace at Guantanamo Bay is about that historic experience, and it relates not only what it was like for Granger to live and work at Gitmo, but about the

sacrifices made by him and his fellow Reservists serving around the world." Andrew Carroll, editor of the New York Times bestsellers War Letters and Behind the Lines Saving Grace at Guantanamo Bay, or "Gitmo: The Real Story," is a "good history of medical, security, and intelligence aspects of Gitmo; also, it will be valuable for anyone assigned to a Gitmo-like facility." Jason Wetzel, Field Historian, Office of Army Reserve History U.S. Army Reserve Captain Montgomery Granger found himself the ranking Army Medical Department officer in a joint military operation like no other before it - taking care of terrorists and murderers just months after the horrors of September 11, 2001. Granger and his fellow Reservists end up running the Joint Detainee Operations Group (JDOG) at Guantanamo Bay's infamous Camp X-Ray. In this moving memoir, Granger writes about his feelings of guilt, leaving his family and job back home, while in Guantanamo, he faces a myriad of torturous emotions and self-doubt, at once hating the inmates he is nonetheless duty bound to care for and protect. Through long distance love, and much heartache, Granger finds a way to keep his sanity and dignity. Saving Grace at Guantanamo Bay is his story.
