Rediscover the faith lessons of the Gospel of John through this captivating commentary collection from James Montgomery Boice. Now in paper!

*The Gospel of John in Cultural and Rhetorical Perspective* Wm. B. Eerdmans Publishing Company  
 Part of the genius of the Gospel of John comes from how the author infuses the gospel message into every part of the Gospel. In *The Gospel of John: A Thematic Approach*, Jackson Painter investigates John's literary-theological strategy by identifying seven key themes and showing the reader how to detect them in any portion of the Gospel as well as how to see the themes interacting with one another to create John's distinct theological message about Jesus Christ, the Son of God. The author gives numerous examples of the elements and motifs that comprise the themes and presents three studies that illustrate how the themes interact. Students of the Gospel of John will come away with a newfound ability to understand and interpret the Gospel of John.

**John** Presbyterian Publishing Corp

John, the Maverick Gospel has long been regarded as one of the most trustworthy introductions to the Fourth Gospel, paying special attention to the literary and theological dimensions of this Gospel without neglecting historical and other approaches. Robert Kysar, an international expert on John's Gospel, has now revised this useful classroom tool to bring the scholarly discussions up to date and to add sections on women in the Gospel of John as well as postmodern approaches to the Gospel. This classic text provides an accessible entry into the important critical issues of John's Gospel, both on its own terms and in comparison to the Synoptic Gospels, offering a sure foundation for scholarly study of the book as well as theological interpretation and preaching.

[Life lessons](#) Harper Collins

This excellent commentary by Herman Ridderbos engages seriously the host of twentieth-century interpretations of John while also developing its own integral understanding of John in which the Gospel emerges as a profoundly theological work. Ridderbos presents John in its distinctively apostolic character and includes important criteria for the literary and homiletical exegesis of the Fourth Gospel.

[Expository Thoughts on the Gospels ... St. Mark](#) Wm. B. Eerdmans Publishing

The command to love is central to the Gospel of John. Internationally respected scholar Francis Moloney offers a thorough exploration of this theme, focusing not only on Jesus's words but also on his actions. Instead of merely telling people that they must love one another, Jesus acts to make God's love known and calls all who follow him to do the same. This capstone work on John's Gospel uses a narrative approach to delve deeply into a theme at the heart of the Fourth Gospel and the life of the Christian church. Uniting rigorous exegesis with theological and pastoral insight, it makes a substantive contribution to contemporary Johannine scholarship.

**The Gospel of John** Abingdon Press

This commentary seeks above all to explain the text of John's Gospel to those whose privilege and responsibility it is to minister the Word of God to others, to preach and to lead Bible studies. I have tried to include the kind of information they need to know, but to do so in such a way that the informed layperson could also use the work in personal study of the Bible, exclusively for purposes

of personal growth in edification and understanding. In particular, I have attempted: (1) To make clear the flow of the text. (2) To engage a small but representative part of the massive secondary literature on John. (3) To draw a few lines towards establishing how the Fourth Gospel contributes to biblical and systematic theology. (4) To offer a consistent exposition of John's Gospel as an evangelistic Gospel. - Preface.

**John** Liturgical Press

Keener's commentary explores the Jewish and Greco-Roman settings of John more deeply than previous works, paying special attention to social-historical and rhetorical features of the Gospel. It cites about 4,000 different secondary sources and uses over 20,000 references from ancient literature. - Publisher.

*The Gospel of John* Wm. B. Eerdmans Publishing Company

This new commentary part of Eerdmans's acclaimed NICNT series gives primary attention to John's gospel in its present form rather than the sources or traditions behind it. J. Ramsey Michaels assumes that the John who authored the book is someone very close to Jesus and, therefore, that the gospel is a testimony to events that actually happened in the life of Jesus. Yet Michaels does not ignore the literary character of the gospel of John or its theological contribution to the larger Christian community from its own time to the present day. Through a detailed verse-by-verse commentary, Michaels reveals how the gospel of the disciple whom Jesus loved is a unified composition, intertwined with the synoptics, yet drawing on material none of them cover.

**John** Oxford University Press

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

[Challenging Perspectives on the Gospel of John](#) Wm. B. Eerdmans Publishing

The *Knowing the Bible* series is a new resource designed to help Bible readers better understand and apply God's Word. Each 12-week study leads participants through one book of the Bible and is made up of four basic components: (1) Reflection questions designed to help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlighting the gospel of grace throughout the book; (3) "Whole-Bible Connections" showing how any given passage connects to the Bible's overarching story of redemption culminating in Christ; and (4) "Theological Soundings" identifying how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from a wide array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. In this study of John's Gospel, pastor and author Justin Buzzard helps readers understand the most theologically and philosophically profound account of Jesus's life, death, and resurrection in the New Testament. From revealing his cosmic identity as being with the Father "in the beginning," to recounting the many miraculous signs attesting to his divinity, Buzzard illuminates John's unmatched portrait of Jesus Christ, the unique Son of God, sent from heaven to save all who would turn to him. This insightful guide encourages Christians to worship Christ as Lord and follow him on mission to the world.

*John* Zondervan Academic

Originally published in 1948, this now-classic study by Merrill Tenney treats the Gospel of John as a literary unit and provides a straightforward analysis of the text. Tenney first outlines the structure of the Gospel, then offers a careful exposition of John's text according to six major periods of Christ's life, and finally presents a topical analysis of the Gospel. Not a critical commentary but, rather, a well-organized guidebook complemented by helpful charts and diagrams, Tenney's *John: The Gospel of Belief*, reissued in this new format, will continue helping pastors, teachers, students, and other Bible readers grasp the aim and major themes of John.

*Jesus Research* InterVarsity Press

Concentrate on the biblical author's message as it unfolds. Designed to assist the pastor and Bible

teacher in conveying the significance of God's Word, the Zondervan Exegetical Commentary on the New Testament series treats the literary context and structure of every passage of the New Testament book in the original Greek. With a unique layout designed to help you comprehend the form and flow of each passage, the ZECNT unpacks: The key message. The author's original translation. An exegetical outline. Verse-by-verse commentary. Theology in application. While primarily designed for those with a basic knowledge of biblical Greek, all who strive to understand and teach the New Testament will benefit from the depth, format, and scholarship of these volumes.

**The Gospel According to John** Canongate Books

While there are numerous studies of God in the Old Testament, the concept of God has largely been ignored as a subject of inquiry in contemporary New Testament theology. As this superb work by Marianne Meye Thompson shows, however, an understanding of the identity of God is central to the New Testament, particularly to the Gospel of John. Thompson here offers the first comprehensive study of the concept of God in John's Gospel. She shows that one must first grasp the importance of God to John before one can properly appreciate the Gospel's Christology and overarching message. By arguing that John is rightly understood to be a "theocentric" work, Thompson challenges the prevailing theory that John is primarily concerned with Christology. While Thompson uses traditional historical and exegetical approaches to the New Testament and ancient sources, her study is mainly theological in scope. She asks how John portrays God and how, after reading the Gospel, we ought to speak of the identity of God. Unlike many recent studies of John, this one does not try to reconstruct the history behind the text but, rather, tries to fully illumine the theological content of John's message. A seminal study with lasting implications for New Testament theology, The God of the Gospel of John will become a standard text for students of the New Testament.

*The Gospel of John* Ignatius Press

When you read detective stories, you quickly learn that what may look like an irrelevant little detail may actually be the clue to solving the mystery. A good writer will put in all kinds of detail; nothing is there by accident. Nothing in John's Gospel is there by accident either. And all the details in John

are designed ultimately to come together. In these studies we discover the clues John gives that we might see even more clearly the reality of who Jesus is, the new creation he inaugurates and the difference that all makes.

*The Gospel of John* Mohr Siebeck

The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation. Cambridge University Press

This popular verse-by-verse exposition of John, based on Bruce's own translation of the Gospel, reflects Bruce's customary ability to make the benefits of his scholarship accessible to the general reader. Footnotes and bibliography are included, pointing the reader to resources for further study.

*The Gospel of John* Zondervan

Keener's commentary explores the Jewish and Greco-Roman settings of John more deeply than previous works, paying special attention to social-historical and rhetorical features of the Gospel. It cites about 4,000 different secondary sources and uses over 20,000 references from ancient literature.

*The Gospel According to John* Wipf and Stock Publishers

"A Michael Glazier book." Includes bibliographical references and indexes.

*The Gospel of John* Wm. B. Eerdmans Publishing

In this addition to the Catholic Commentary on Sacred Scripture, two well-respected New Testament scholars interpret the Gospel of John in its historical and literary setting as well as in light of the Church's doctrinal, liturgical, and spiritual tradition. They unpack the wisdom of the Fourth Gospel for the intellectual and spiritual transformation of its readers and connect the Gospel with a range of witnesses throughout the whole history of Catholicism. This volume, like each in the series, is supplemented by features designed to help readers understand the Bible more deeply and use it more effectively in teaching, preaching, evangelization, and other forms of ministry.
