### **Forming a Goodness Culture That Resists Abuses of Power and Promotes Healing**

Teachers College Press

How is it that cultures come into existence at all? How do cultures develop particular customs and characteristics rather than others? How do cultures persist and change over time? Most previous attempts to address these questions have been descriptive and historical. The purpose of this book is to provide answers that are explanatory, predictive, and relevant to the emergence and continuing evolution of cultures past, present, and future. Most other investigations into "cultural psychology" have focused on the impact that culture has on the psychology of the individual. The focus of this book is the reverse. The authors show how questions about the origins and evolution of culture can be fruitfully answered through rigorous and creative examination of fundamental characteristics of human cognition, motivation, and social interaction. They review recent theory and research that, in many different ways, points to the influence of basic psychological processes on the collective structures that define cultures. These processes operate in all sorts of different populations, ranging from very small interacting groups to grand-scale masses of people occupying the same demographic or geographic category. The cultural effects--often unintended--of individuals' thoughts and actions are demonstrated in a wide variety of customs, ritualized practices, and shared

mythologies: for example, religious beliefs, moral standards, rules for the allocation of resources, norms for the acceptable expression of aggression, gender stereotypes, and scientific values. The Psychological Foundations of Culture reveals that the consequences of psychological processes resonate well beyond the disciplinary constraints of psychology. By taking a psychological approach to questions usually addressed by anthropologists, sociologists, and other social scientists, it suggests that psychological research into the foundations of culture is a useful--perhaps even necessary--complement to other forms of inquiry.

**Momentum** Little, Brown Books for Young Readers

WHEN IT COMES TO DOING BUSINESS AND LIFE, THERE'S A BETTER WAY... Are you tired of hearing all the promises about the "abundant life", getting the life sucked out of you in your own efforts to attain it? Are you stressed and wearing yourself out trying to get results in your business? The bad news is that your limited human thinking and abilities will do little to end this vicious cycle. But there's Good News In fact, it's almost "too good to be true" news... In this book, Ryan Haley uses his remarkable life story and personal experiences to provide a unique and life-giving revelation of God's unconditional grace. Through powerful testimonies and scriptural illustrations, A Better Way brings to life eternal truths about the truly Good News of the Gospel that will show you how to: Have less stress, but more success in your business and personal life Embrace the liberating cessation of self-effort Transfer your focus and burdens from yourself to Jesus-with much better results Benefit from God's grace and rest in bottom-line,

measurable ways Experience deeper personal fulfillment and greater professional effectiveness Live a life that demands a supernatural explanation A wealth of practical exercises and resources are included to take you from head knowledge to personally experiencing "where the supernatural meets the practical". You can have it your way, or a better way-invest in rest for God's best "If you're serious about pursuing success in business, and in life, but you want to follow biblical principles and do it the Lord's way...read this book." -Tony Dungy, Super Bowl Winning NFL Coach, New York Times Bestselling Author

"Finding Home in Schools is primarily written to those readers who are BITOC as they negotiate and navigate the teaching profession, from pathway programs, to teacher education, and into the teaching profession. Along with academic concepts that assist those readers in making sense of their own experiences, it provides loving advice to those BITOC readers in the hopes that this will sustain them into and through the teaching profession"--

### **How a Cultural Ideal Has Shaped the American Psyche**

Loving On Purpose Nationalism is on the rise across the Western world, serving as a rallying cry for voters angry at the unacknowledged failures of the consensus in favor of globalization that has dominated politics and economics since the end of the Cold War. In *After Nationalism*, Samuel Goldman trains a sympathetic but skeptical eye on the trend, highlighting the deep challenges that face any contemporary effort to revive social cohesion at the national level. Noting the many obstacles standing in the way of

basing any political project on widely shared values and beliefs, Goldman points to three pillars of mid-twentieth-century nationalism, all of which are absent today: coercive Americanization, total mobilization for war, and widespread religious faith. Most of today's nationalists fail to recognize these necessary underpinnings of any renewed nationalism, or the potentially troubling activities and consequences that they would engender (including extensive state activism in Americanization efforts and the massive growth of government that tends to accompany military mobilization). For that reason, Goldman concludes, those worried about the need for social cohesion should move in the opposite direction--toward support for political projects grounded in local communities. *Early Childhood Educators Honor Children with Practices for Equity and Change* Graywolf Press

It is the heart of God for Revivals and Movements to continue from generation to generation. Momentum confronts some of the issues that have hindered personal and corporate Revivals from continuing. The authors share their own perspectives and experiences that they have seen in their own lives on this topic. Every believer has access to live in a momentum that was initiated from the beginning of time. So let's embrace our inheritance and step into the momentum of the Kingdom!

[Growing Into Early Literacy Through Read-Aloud Conversations](#) Culture of Honor Sustaining a Supernatural Environment

Here is a fresh look at the age-old role of parenting. *Loving Our Kids on Purpose* brings the principles of the Kingdom of God and revival into our strategy as parents. 2 Corinthians 3:17 tells us that

Where the Spirit of the Lord is there is freedom. Most parenting approaches train children to learn to accept being controlled by well meaning parents and adults. Unfortunately, God is not going to control us as we gain independence from our parents. We must learn to control ourselves. This book will teach parents to train their children to manage their freedoms and protect their important heart to heart relationships.

*After Nationalism* Destiny Image Pub 96Normal0falsefalsefalseEN-USX-NONEX-NONE Do you want to grow in your ability to lead and build relationships, teams, and organizations through the powerful practices of honor? In *The Pathway to Powerful*, Danny Silk (Culture of Honor, Keep Your Love On) teams up with Carla Chud to offer a practical roadmap for becoming a more powerful, healthy leader. Drawing from the journey Carla and her leadership team have taken to transform themselves and their organization, she and Danny lay out the steps to overcome fear-driven, dysfunctional leadership and establish the core values and practices of honor in their lives, team dynamics, and organizational culture. Readers of *The Pathway to Powerful* will:

- Identify where they default to powerlessness and self-protection in the face of relational pain.
- Discover how to overcome fear – the root of powerless behavior.
- Confront the lies of insecurity and insignificance.
- Learn how to protect relationships when scary and painful things happen.
- Discover how to view people through the lens of honor.
- Become equipped to receive and give healthy feedback.
- Learn how to be a leader who builds a team of powerful people.
- Identify how to create, protect and expand a culture of trust and accountability. If you are or aspire to be

a leader or simply want to grow in understanding how to build a healthy relational culture in your family, church or workplace, *The Pathway to Powerful* will encourage and equip you for growth and success!

*The Duel in European History* BenBella Books

For centuries, duelling played an integral role in the preservation of the aristocratic order in Europe, defying attempts by both church and state to ban the practice. Moreover, the romance and drama of the duel has made it an enduring fixture in films, literature, and the theatre. In *The Duel in European History*, renowned historian Victor Kiernan writes with his characteristic wit and insight of duelling's evolution from its medieval origins – when it was regarded as a badge of rank – to the early twentieth century, by which time it was seen as an irrational anachronism. In doing so, he shows how the duelling tradition was something unique to Europe and its colonies, and, in its contribution to the development of the officer corps, played a key part in shaping European military power. Drawing on a vast range of historical and cultural sources, this is the definitive account of a violent ritual that continues to fascinate even today.

#### **A Church Called Tov** Newtype

“Chris Gore is a powerfully anointed minister of healing. In his book, truth and testimony are blended in an exciting, entertaining, educating way.” – Randy Clark, author of *There is More* and founder of Global Awakening Walking in God’s healing power is easier than you imagined. Have you ever imagined, I believe God heals people. But healing ministry? That’s for...someone on a platform? Someone who is super spiritual? Someone who has their act

together? In *Walking in Supernatural Healing Power*, Chris Gore demystifies God's supernatural power, showing how you can be effectively trained, equipped, and activated into a lifestyle of walking in healing and miracles. Get ready to: Build a foundation for healing by knowing God's character—He is good Overcome doubts and offense—Roadblocks to walking in healing power Be encouraged by reading exciting testimonies of God's power at work—In everyday life Rely on God's grace to accomplish the supernatural—It's Him, not you *Ambitious Science Teaching Loving On Purpose*

*Culturally Sustaining Pedagogies* raises fundamental questions about the purpose of schooling in changing societies. Bringing together an intergenerational group of prominent educators and researchers, this volume engages and extends the concept of culturally sustaining pedagogy (CSP)—teaching that perpetuates and fosters linguistic, literate, and cultural pluralism as part of schooling for positive social transformation. The authors propose that schooling should be a site for sustaining the cultural practices of communities of color, rather than eradicating them. Chapters present theoretically grounded examples of how educators and scholars can support Black, Indigenous, Latinx, Asian/Pacific Islander, South African, and immigrant students as part of a collective movement towards educational justice in a changing world. Book Features: A definitive resource on culturally sustaining pedagogies, including what they look like in the classroom and how they differ from deficit-model approaches. Examples of teaching that sustain the languages, literacies, and

cultural practices of students and communities of color. Contributions from the founders of such lasting educational frameworks as culturally relevant pedagogy, funds of knowledge, cultural modeling, and third space. Contributors: H. Samy Alim, Mary Bucholtz, Dolores Inés Casillas, Michael Domínguez, Nelson Flores, Norma Gonzalez, Kris D. Gutiérrez, Adam Haupt, Amanda Holmes, Jason G. Irizarry, Patrick Johnson, Valerie Kinloch, Gloria Ladson-Billings, Carol D. Lee, Stacey J. Lee, Tiffany S. Lee, Jin Sook Lee, Teresa L. McCarty, Django Paris, Courtney Peña, Jonathan Rosa, Timothy J. San Pedro, Daniel Walsh, Casey Wong "All teachers committed to justice and equity in our schools and society will cherish this book." —Sonia Nieto, professor emerita, University of Massachusetts, Amherst "This book is for educators who are unafraid of using education to make a difference in the lives of the most vulnerable." —Pedro Noguera, University of California, Los Angeles "This book calls for deep, effective practices and understanding that centers on our youths' assets." —Prudence L. Carter, dean, Graduate School of Education, UC Berkeley Poems University of Pennsylvania Press Open your pure eyes. whatever things are true, whatever things are noble, whatever things are just, whatever things are pure, whatever things are lovely, whatever things are of good report, if there is any virtue and if there is anything praiseworthy—meditate on these things (Philippians 4:8). After struggling with sexual temptation for years, author Jonathan Welton devoted himself to finding a way to be completely free from sexual sin. He read books, attended 12-step groups, and participated in counseling—with no success. Spurred on by countless friends

and acquaintances who shared a similar broken struggle and longed for freedom, the author searched Scripture—there he found the answer and shares it with you in a compassionate, nonjudgmental way. *Eyes of Honor* helps you understand how to live a life of purity by realizing: Your personal identity. How to view the opposite sex correctly. Recognizing your enemies. *Eyes of Honor* is honest and refreshing, offering hope and complete freedom and deliverance from sexual sin. Jesus' sacrifice on the cross and your salvation guarantee rescue from the appetite of sin. Your true identity empowers you to stop agreeing with the lies of the enemy that ensnare you.

**Broadcasting Happiness** Zed Books Ltd.

This book highlights the journeys, challenges, and unfolding stories of transformation that reside within university/community partnerships focused on cultural and linguistic revitalization through schooling.

*American Harvest* Destiny Image Publishers

An epic story of the American wheat harvest, the politics of food, and the culture of the Great Plains For over one hundred years, the Mockett family has owned a seven-thousand-acre wheat farm in the panhandle of Nebraska, where Marie Mutsuki Mockett's father was raised. Mockett, who grew up in bohemian Carmel, California, with her father and her Japanese mother, knew little about farming when she inherited this land. Her father had all but forsworn it. In *American Harvest*, Mockett accompanies a group of evangelical Christian wheat harvesters through the heartland at the invitation of Eric Wolgemuth, the conservative farmer who has cut her family's fields for decades. As Mockett follows

Wolgemuth's crew on the trail of ripening wheat from Texas to Idaho, they contemplate what Wolgemuth refers to as "the divide," inadvertently peeling back layers of the American story to expose its contradictions and unhealed wounds. She joins the crew in the fields, attends church, and struggles to adapt to the rhythms of rural life, all the while continually reminded of her own status as a person who signals "not white," but who people she encounters can't quite categorize. *American Harvest* is an extraordinary evocation of the land and a thoughtful exploration of ingrained beliefs, from evangelical skepticism of evolution to cosmopolitan assumptions about food production and farming. With exquisite lyricism and humanity, this astonishing book attempts to reconcile competing versions of our national story.

*Unpunishable* Psychology Press

On the surface, Bob Hasson's life in business has followed a storyline many entrepreneurs dream of writing for themselves. Over forty years, he successfully grew his solo startup venture as a house painter into one of the largest and most respected commercial paint companies in the Western U.S. Yet the true story of this growth and success, both in business and in life, lies not a classic recipe of hard work, talent, and great opportunities, but in something deeper: his journey of learning to live as a person of honor in business.

**Reparations** Loving On Purpose

For years, Danny Silk has been teaching, writing, speaking, and coaching on honor and how to express it in our families, churches, organizations, and communities. And for years, he has received the same feedback and questions around this powerful, challenging, and frequently

misunderstood and misapplied concept, such as: · "You say that people of honor must be powerful, but to a lot of people, 'powerful' means dominating and selfish. What does it mean to be powerful?" · "If respecting our freedom and the freedom of others is crucial to practicing honor, what do we do when people cannot handle their freedom?" · "We tried to honorably confront someone, and the person refused to 'clean up his mess.' What do we do now?" · "I really don't like confrontation. Doesn't honor mean we should get along without conflict?" · "If we're all trying to honor one another equally, does that mean there shouldn't be any leaders?" · "Why does 'honor' always seem to turn into 'entitlement'?" The Foundations of Honor Study Guide addresses these questions and more through a comprehensive study of the core values, practices, and cultural effects of honor. Clear biblical teaching and illustrations, along with provoking questions and targeted action points, equip and train readers to examine their own foundations and build a solid foundation of honor in their lives, homes, businesses, churches, and communities. The Foundations of Honor Study Guide is designed to work with the Foundations of Honor Teaching Series as a 10-session course suitable for both individuals and groups.

*Creating a Home in Schools* Baker Books  
A young boy rides the bus across town with his grandmother and learns to appreciate the beauty in everyday things. By the author of the celebrated picture book *A Nation's Hope: The Story of Boxing Legend Joe Louis*. Tyndale House Publishers, Inc.  
Demonstrating equitable practices and strategies that move toward culturally sustaining teaching such as translanguaging, explorations of

children's literature, alternative modes of literacy assessment, photography and arts integration, student-driven poetry units, and more, this book shares the stories of four teacher-teacher dyads who worked together across university-school contexts to study, generate, and evaluate culturally relevant and sustaining literacy practices in early childhood classrooms across the country. Highlighting the voices and roles of children, families, community members, and teachers of Color, this book suggests new ways for all teachers to build and sustain relationships that are relevant and work toward being sustaining; and anticipates and offers solutions for challenges that arise in these contexts. Insightful and instructive, the narratives in this collection model how to create positive and mutually beneficial dynamics among teachers, children, and their families and communities. This book offers a timely resource for pre-service teachers, teachers, scholars, faculty, and graduate students in language and literacy education, early childhood education, and culturally relevant, responsive, and sustaining teaching.

*Last Stop on Market Street* Emerald Group Publishing

Most human cultures govern through the fear of punishment. Yet the New Testament calls the body of Christ to a very different style of government--the government of mature love, which drives out the fear of punishment (1 John 4:18), and leads people who sin on a journey of repentance, restoration, and reconciliation. Unpunishable lays out a roadmap for making this cultural shift, challenging all believers, and especially leaders, to leave the familiar tools of punishment behind and learn the practices that empower people to walk

in the light of freedom and love, own and clean up their messes, and mature into sons and daughters who look like their Heavenly Father.

Language, Culture, and Power Baker Books

2018 Outstanding Academic Title, Choice Ambitious Science Teaching outlines a powerful framework for science teaching to ensure that instruction is rigorous and equitable for students from all backgrounds. The practices presented in the book are being used in schools and districts that seek to improve science teaching at scale, and a wide range of science subjects and grade levels are represented. The book is organized around four sets of core teaching practices: planning for engagement with big ideas; eliciting student thinking; supporting changes in students' thinking; and drawing together evidence-based explanations. Discussion of each practice includes tools and routines that teachers can use to support students' participation, transcripts of actual student-teacher dialogue and descriptions of teachers' thinking as it unfolds, and examples of student work. The book also provides explicit guidance for "opportunity to learn" strategies that can help scaffold the participation of diverse students. Since the success of these practices depends so heavily on discourse among students, Ambitious Science Teaching includes chapters on productive classroom talk. Science-specific skills such as modeling and scientific argument are also covered. Drawing on

the emerging research on core teaching practices and their extensive work with preservice and in-service teachers, Ambitious Science Teaching presents a coherent and aligned set of resources for educators striving to meet the considerable challenges that have been set for them.

*Restoring the Heart of Business* Loving On Purpose

Honor? In Today's World? A one-of-a-kind book in both subject and perspective! The Practice of Honor is about reformation of honor—it is intended to disrupt your current model of authority! Jesus put it like this, "You know that the rulers of the Gentiles lord it over them, and those who are great exercise authority over them. Yet it shall not be so among you; but whoever desires to become great among you, let him be your servant" (Matthew 20:25-26). In some realms, honor is something defended to the death. However you have defined and cultivated honor up to now, The Practice of Honor may require a significant paradigm shift in your thinking. Based on the revival culture of the very spiritually successful Bethel Church in Redding, California, this book is also a template to help any leader develop an environment that brings out the very best in people. The Practice of Honor is a recipe for introducing the Spirit of God, and all of His freedom, and how to host and embrace that freedom as a community of believers. Those with power must learn how to empower those around them—or Heaven on the earth will never be realized as God intended.
