## HAYDEN DAISY

*Media Events — Daniel Dayan, Elihu Katz | Harvard ...* Media Events The Live Broadcasting “Media Events is a feat of scholarship about a medium that tends to defy scholarship. It is a comprehensive, thoughtful, and original delineation of a phenomenon of live television as a powerful social force. This book marks a milestone in the understanding of how we are affected by television.”  
 ...Amazon.com: Media Events: The Live Broadcasting of History ...The final critical feature for live broadcasting for media and event agencies is an online video platform that delivers all of the above features, plus it is fast and easy to use. When you’re launching live streams for a client, you can’t afford to waste time. You need a platform that is fast and simple, allows multiple simultaneous streams, and doesn’t restrict live broadcast length.  
 5 Essential Tools: Live Broadcasting for Media and Event ...Constituting a new television genre, live broadcasts of ‘historic’ events have become world rituals which, according to the authors, have the potential to transform societies even as they transfix viewers around the globe. The authors offer an ethnography of how these events are scripted, negotiated, performed, celebrated, shamanized, and reviewed.  
 Media Events — Daniel Dayan, Elihu Katz | Harvard ...Broadcasting a live event on the Internet requires a host of various resources. Outsourcing all or part of the process can leave you with more

questions than answers. This two-part tutorial will provide an outline and checklist of what you need to know to stay ahead of the game.  
 Broadcasting Live Events: What You Need To Know ...for media to operate efficiently at the event. It details media planning, organisation and structure of media operations, accreditation and field of play operations. A chapter is dedicated to the issues of broadcasting and event websites. The Event Media and Broadcasting Guidelines are applicable to all events  
 Event Media & Broadcasting Guide - Canoe and Kayak  
 Media events, they show, turn television into an icon, but they also give it real power--to declare holidays, to shape collective memory, to integrate and reorganize societies. The authors separate these events into three categories: contest, conquest, and coronation.  
 Media Events - Daniel DAYAN, Elihu Katz - Google Books  
 Teams live events is an extension of Teams meetings, enabling users to broadcast video and meeting content to a large online audience. These are meant for one-to-many communications where the host of the event is leading the interactions and audience participation is primarily to view the content shared by host.
