Dinotrux Ministerio de Educación Desde la primera proyección cinematográfica hace 125 años, el modo de ver películas no ha dejado de evolucionar. Las salas de cine se resisten a desaparecer, incluso en el contexto desafiante de los últimos confinamientos, pero el visionado de películas y series en casa ha ido creciendo, con las emisiones televisivas, el DVD y el Blu-ray. El último paso del consumo audiovisual doméstico ha sido a través de internet en las plataformas digitales. Aquí se ha posicionado muy bien Netflix, que con poco más de veinte años de existencia ha sabido adaptarse al entorno cambiante, pasando de videoclub a productora, distribuidora y exhibidora, y ofreciendo su producto en los cinco continentes mediante un solo clic.

The Official Companion. Elizabeth II, Winston Churchill, and the making of a young queen, (1947-1955)

Abrams

With their world on the brink of war, three young heroes from opposite sides of the conflict embark on a dangerous quest that could change everything. This beautiful book expands on the events of Season 1 of the hit Netflix show *The Dragon Prince*. WAR IS COMING . . . Four full moons past, humans crossed into the magical lands of Xadia and committed an unspeakable crime: They destroyed the only egg of the Dragon King and Queen. Now a young Moonshadow elf assassin has been sent on her first mission; she will make the humans pay for their heinous act. But before she can complete her task, she and two human

princes make an astonishing discovery . . . a discovery that could change everything. And so the three reluctant allies set off in a desperate attempt to stop the coming war. Their journey won't be easy, but the trio soon learns that the most serious threat to their quest can't be fought with magic or physical strength. Can these young heroes overcome the longstanding hatred between humans and elves, and restore peace to their world? Written by Aaron Ehasz (co-creator of *The Dragon Prince* and head writer of *Avatar: The Last Airbender*) and Melanie McGanney Ehasz, this first canon novel based on the Netflix original series finally gives fans the full story.

Sin Código Postal

Europe is stunning in the summer . . . but NYPD detective Jacob Kanon isn't there for the beauty. He's on a mission: to track down his daughter's killer. NYPD detective Jacob Kanon is on a tour of Europe's most gorgeous cities. But the sights aren't what draw him—he sees each museum, each cathedral, and each cafe through the eyes of his daughter's killer. Kanon's daughter, Kimmy, and her boyfriend were murdered while on vacation in Rome. Since then, young couples in Paris, Copenhagen, Frankfurt, and Stockholm have been found dead. Little connects the murders, other than a postcard to the local newspaper that precedes each new victim. Now Kanon teams up with the Swedish reporter, Dessie Larsson, who has just received a postcard in Stockholm—and they think they know where the next victims will be. With relentless twists and unstoppable action, *The Postcard Killers* may be James Patterson's most vivid and compelling thriller yet.

Netflix's BoJack Horseman has quickly become one of the most critically acclaimed animated comedy series in recent memory. Set in an off-kilter, cynically spun rendering of modern-day Hollywood, the show follows washed-up horse actor BoJack Horseman (voiced by Will Arnett) as he attempts to turn his life around. BoJack Horseman: The Art Before the Horse is the official behind-the-scenes companion to this cult-hit series. Part oral history sourced from original interviews with the show's cast and crew, part art book—including sketches, storyboards, and background art—this book will trace the series from conception to post-production. Beginning with the initial development of creator/showrunner Raphael Bob-Waksberg and production designer Lisa Hanawalt's inimitable aesthetic vision, The Art

Before the Horse goes on to reveal all of the moving parts—direction, writing, casting, animation, and music—that come together to form this uniquely bleak, emotionally potent, very funny show. Also Available: BoJack Horseman 2019 Wall Calendar (ISBN: 978-1-4197-3177-8)

The shocking truth behind the hit Netflix series José Manuel Ferro Veiga

The official companion to the Emmy-winning Netflix drama chronicling the reign of Queen Elizabeth II, and starring Claire Foy and John Lithgow, *The Crown* by Peter Morgan, featuring additional historical background and beautifully reproduced archival photos and show stills Elizabeth Mountbatten never expected her father to die so suddenly, so young, leaving her with a throne to fill and a global institution to govern. Crowned at twenty-five, she was already a wife and mother as she began her journey towards becoming a queen. As Britain lifted itself out of the shadow of

war, the new monarch faced her own challenges. Her mother doubted her marriage; her uncle-in-exile derided her abilities; her husband resented the sacrifice of his career and family name; and her rebellious sister embarked on a love affair that threatened the centuries-old links between the Church and the Crown. This is the story of how Elizabeth II drew on every ounce of resolve to ensure that the Crown always came out on top. Written by the show's historical consultant, royal biographer Robert Lacey, and filled with beautifully reproduced archival photos and show stills, *The Crown: The Official Companion: Volume 1* adds expert and in-depth detail to the events of the series, painting an intimate portrait of life inside Buckingham Palace and 10 Downing Street. Here is Elizabeth II as we've never seen her before.

Tony Evans ayudará a los lectores a descubrir las respuestas a los problemas de la vida diaria al mostrarles que Dios tiene un propósito con su dinero. Evans explica que todo lo que pensamos que nos pertenece, en realidad, le pertenece a Dios. Y cuando pensamos en "nuestro" dinero de esa manera, podemos aprender a ser buenos mayordomos, o administradores, de lo que Él nos ha confiado.

Alcanza la victoria financiera presenta meticulosamente cómo deberíamos abordar el tema vital del dinero. No dudes en leer este libro práctico y conciso.

Tony Evans will help readers discover the answers to everyday financial issues by showing them that God has a purpose for their money. He explains that all we think we own really belongs to God. And

when we think of "our" money that way, we can learn to be good stewards, or managers, of what has been entrusted to us.

Living in Financial Victory carefully lays out how we should approach the vital topic of money. Take the journey through this concise and practical book.

La obra aborda las claves que han llevado al éxito de Netflix, cómo la misma cambió el mercado del entretenimiento y el modo de relacionarnos con la televisión y el cine desde una plataforma tecnológica creativa e innovadora, llevando un servicio simple y sencillo de consumir. El autor desvela los secretos de una auténtico impero mundial en la

generación de contenidos a través de internet y el esquema de aplicación de una potente plataforma tecnológica, la que funciona sin reconocer horarios. Además, describe el nacimiento y la esencia del pensamiento de la empresa, explicando el funcionamiento del algoritmo mágico con el que se avanzó de manera exitosa en su negocio y lo sigue haciendo generando la admiración de los productores, directores y actores de Hollywood y del mundo entero. Se detallan los condimentos que se utilizan en la cocina de la organización y la metodología de la utilización del software, así como la manera de operar de un conjunto de profesionales especializados en el diseño, producción y comercialización de películas, series, animés y documentales. Gerardo Molina explica de modo sencillo pero en profundidad, el paso a paso de la estrategia del coloso, mostrando el detrás de escena de su cultura corporativa, cuyo reconocimiento empresarial se distingue por ser la más ágil, eficaz y autorregulada en el mercado de los medios de comunicación global. En síntesis, a través de una detallada investigación, se describen las fortalezas y las debilidades de un auténtico imperio colosal, sin dejar de marcar un conjunto de sugerencias sobre su realidad actual y de las posibles amenazas futuras que podrían hacer peligrar su liderazgo.

A Handbook for Visionaries, Game Changers, and Challengers Becker & Mayer

The New York Times bestseller
Shortlisted for the 2020 Financial Times & McKinsey Business Book of the Year
Netflix cofounder Reed Hastings reveals for the first time the unorthodox culture behind one of the world's most innovative, imaginative, and successful

companies There has never before been a company like Netflix. It has led nothing short of a revolution in the entertainment industries, generating billions of dollars in annual revenue while capturing the imaginations of hundreds of millions of people in over 190 countries. But to reach these great heights, Netflix, which launched in 1998 as an online DVD rental service, has had to reinvent itself over and over again. This type of unprecedented flexibility would have been impossible without the counterintuitive and radical management principles that cofounder Reed Hastings established from the very beginning. Hastings rejected the conventional wisdom under which other companies operate and defied tradition to instead build a culture focused on freedom and responsibility, one that has allowed Netflix to adapt and innovate as the needs of its members and the world have simultaneously transformed. Hastings set new standards, valuing people over process, emphasizing innovation over efficiency, and giving employees context, not controls. At Netflix, there are no vacation or expense policies. At Netflix, adequate performance gets a generous severance, and hard work is irrelevant. At Netflix, you don't try to please your boss, you give candid feedback instead. At Netflix, employees don't need approval, and the company pays top of market. When Hastings and his team first devised these unorthodox principles, the implications were unknown and untested. But in just a short period, their methods led to unparalleled speed and boldness, as Netflix quickly became one of the most loved brands in the world. Here for the first time, Hastings and Erin Meyer, bestselling author of *The Culture Map* and one of the world's most

influential business thinkers, dive deep into the controversial ideologies at the heart of the Netflix psyche, which have generated results that are the envy of the business world. Drawing on hundreds of interviews with current and past Netflix employees from around the globe and never-before-told stories of trial and error from Hastings's own career, *No Rules Rules* is the fascinating and untold account of the philosophy behind one of the world's most innovative, imaginative, and successful companies.

Con esta iniciación a la forensia Informática podrá introducirse en los conocimientos fundamentales y básicos para realizar esta labor con éxito y conocerá aspectos tan importantes como lo son la ciberseguridad y la cibercriminalidad. El Principio de Locard se suele expresar así: Siempre que dos objetos entran en contacto transfieren parte del material que incorporan al otro objeto. El Principio de Locard tiene plena validez en el ámbito informático y las pruebas digitales. Delito informático, delito cibernético o cibercrimen es toda aquella acción antijurídica que se realiza en el entorno digital, espacio digital o de Internet. Ante el extendido uso y utilización de las nuevas tecnologías en todas las esferas de la vida (economía, cultura, industria, ciencia, educación, información, comunicación etc) y el creciente número de usuarios, consecuencia de la globalización digital de la sociedad, la delincuencia también se ha expandido a esa dimensión. Gracias al anonimato y a la información personal que se guarda en el entorno digital, los delincuentes han ampliado su campo de acción y los delitos y amenazas a la seguridad se han incrementado exponencialmente.
