Standard Level Chemistry Oxford University Press, USA

Our bestselling IB study guide has been updated to meet the needs of students taking the IB Diploma Programme physics from 2007. It is highly illustrated and concepts are precisely and clearly described. Higher level material is clearly indicated and all new option material is covered. Students can use this book not only as a revision and practice guide for the exam but for learning and

reinforcing concepts throughout the course. New edition available now - ISBN 978-0-19-839003-9

IB Test Review for the International BaccaLaureate Diploma Programme OUP Oxford

Chemistry for the IB Diploma, Second edition, covers in full the requirements of the IB syllabus for Chemistry for first examination in 2016.

Prentice Hall

Our latest titles offer specific support for Paper 3 of the 2015 History curriculum. Each textbook provides comprehensive coverage of the appropriate topics, equipping students with the knowledge and skills needed to successfully answer essay questions on Paper Three. Written and developed by experienced IB teachers, who also have experience in examining and leading workshops, these new books will help students prepare thoroughly and methodically for their exams. Each of our history textbook is supported by an enhanced eText, giving four years access to online materials such as worksheets, quizzes and enlarged source material to develop examination skills and extend studying. Each textbook provides: A clear overview and analysis of key events. Practice in analysing source material, including photographs, cartoons, letters, speeches and other documents. Support throughout for new curriculum features, including key concepts, ATL, and international mindedness. Approaches to learning highlighted in each activity throughout the book. Focus on the examination requirements, with 'hints for success' throughout, as well as quizzes on the eText. Theory of Knowledge section, matching the latest syllabus, and questions throughout to help with wider research and discussion.

English B for the IB Diploma Coursebook Heinemann Educational Publishers
