 4! Corporate Finance B40 - New York University The essential corporate finance text, updated with new data. Corporate Finance has long been a favourite among both students and professionals in the field for its unique blend of theory and practice with a truly global perspective. The fact that the authors are well-known academics and professionals in the world of mergers and acquisitions (M&A) and investment explains this popularity. Corporate Finance | Wiley Online Books This text is intended for the Corporate Finance course at the MBA level, but it can also be appropriate for undergraduates at higher level schools. Aswath Damodaran is nationally recognized for his teaching approach, using theory and the models that flow from it to understand, analyze and solve problems. He treats corporate finance as a living discipline by making it much more applied than ...
