## GIOVANNY MOHAMMED

---

**Sex, Priests, and Secret Codes** Routledge  
In the fourth century, clerics began to distinguish themselves from members of the laity by virtue of their augmented claims to holiness. Because clerical celibacy was key to this distinction, religious authorities of all stripes—patristic authors, popes, theologians, canonists, monastic founders, and commentators—became progressively sensitive to sexual

scandals that involved the clergy and developed sophisticated tactics for concealing or dispelling embarrassing lapses. According to Dyan Elliott, the fear of scandal dictated certain lines of action and inaction, the consequences of which are painfully apparent today. In *The Corrupter of Boys*, she demonstrates how, in conjunction with the requirement of clerical celibacy, scandal-averse policies at every conceivable level of the ecclesiastical hierarchy have enabled the widespread sexual abuse of boys and male adolescents within the Church. Elliott examines more than a millennium's worth of doctrine and practice to uncover the origins of a culture of secrecy and concealment of sin. She charts the continuities and changes, from late antiquity into the high Middle Ages, in the use of boys

as sexual objects before focusing on four specific milieus in which boys and adolescents would have been especially at risk in the high and later Middle Ages: the monastery, the choir, the schools, and the episcopal court. *The Corrupter of Boys* is a work of stunning breadth and discomfiting resonance, as Elliott concludes that the same clerical prerogatives and privileges that were formulated in late antiquity and the medieval era—and the same strategies to cover up the abuses they enable—remain very much in place.

*Sexual Violence and the Violence of Silence* Harper Perennial Authors offer several perspectives on the nature and scope of the problem of child sexual abuse in the Catholic Church and debate whether the laity of the Catholic Church should have a greater voice in church policy.

*Perversion of Power* CreateSpace

Comments The following are unsolicited comments. Only a first name was used and may be a pseudonym for the victim who wrote the comment after reading my poems. This is typical behavior when dealing with survivors. I want you to carry the warm glow of knowing you done real good there with you all day. Now, get that book out there for all those other people who need it, already. Alexandra! May I say again, Vinnie, thank you--for your talents and support. I've read several of the poems and I must say that I admire anyone who can put into print and art feelings regarding sexual abuse. Garnett I am grateful that you are able to put into words what I have been having difficulty expressing to the point of tears. I hope that, in sharing your words, it will release others' suffering. Thanks, Sue I was surfing and ran across your poetry and artwork. It is so undecipherable. I want to say awesome and deep and well written, but that sounds so trivial because of the pain it shelters. I can really relate to the first poem, "Paradox of the Abused." Sheila Description The poems in "Silent Screams" have helped survivors on their road to healing. Some of these poems were written to help the author get over his own anger, frustration and pain. Others were written specifically to help survivors he has met on Internet Survivor Sites get over theirs. It was the moving survivor's responses to these poems that led to the publication of this book. There are two reasons for the existence of Silent Screams: 1. To help survivors and their families on their long arduous road to recovery. 2. To create a permanent record of the pain and suffering of those who have had the misfortune of being sexually abused. "Silent Screams", Poetry Born of Clergy Abuse is destined to become a permanent witness to the devastating effects of clergy abuse. It takes to task the evil of the priests who purported to dedicate their lives to God and the hypocrisy of the church that protected them. The poetry alternates between riveting satire and a uniquely honest portrayal of the pain and anguish suffered by survivors of clerical sexual abuse. These poems offer no excuses; they make no apologies and take no prisoners when dealing with the Catholic Church and the Clergy Sexual Abuse Scandal. Silent Screams rips open the curtain of silence surrounding survivors thereby exposing their deep wounds and terrible suffering. The poetry exudes gut wrenching emotion as it deals with the anger generated by pain, the devastating impact of the survivor's suffering and its effects on victims and their families. There is compassion and tenderness for the victims and an ample dose of contempt for those who would cover-up the crimes committed by priests. Through his poetry, Nauheimer offers a unique insight into the emotional upheaval caused by clerical sexual abuse. He has put that pain into words for all to witness. One poem will shine a spotlight on a tortured soul while another will let you experience the heartbreaking lament of a parent over their child's suffering and the next will upbraid the church in focused satirical rhyme rarely seen. Powerful emotions

are stirred whether the author is firing a canon loaded with satire against the church or allowing the reader to glimpse the incredible anguish experienced by the tortured soul called a survivor. Either way, this poetry will move you. This is must read for survivors of clergy abuse, their families, and friends. It should be mandatory for all clergy and it is certainly a worthwhile read for anyone with more than a passing interest in the effects of clerical sexual abuse.

**The Altar Boys** Page Publishing Inc

Taking on a still-controversial topic, a diverse group of experts, including victims and clergy, offers reflections on the sexual abuse crisis in the Catholic Church, examining what the church has done—and what it still needs to do—to protect children.

*How the Crisis Changed U. S. Catholic Church-State Relations* Broussard Press

Yes, Catholic priests terribly abused minors, and bishops failed to stop the unspeakable harm. That is an undeniable truth. Nothing justifies such an evil. However, major media outlets are unfairly attacking the Catholic Church, and this fast-paced, compelling book has the shocking evidence to prove it. This book addresses numerous topics, including: ... appalling cases of abuse and cover-ups happening today - but they're not happening in the Catholic Church ... proof that Catholic clergy do not offend more than teachers or those of other religious denominations ... data that shows that the Catholic clergy scandal is not about "pedophilia" ... affirmation that the Catholic Church may be the safest environment for children today ... research that uncovers the shady relationships between SNAP (Survivors Network of Those Abused by Priests), lawyers, and the media ... the alarming roots of SNAP's attacks on the Church ... the surprising truth about "repressed memories" ... unheard, agonized priests who deny the accusations against them ... evidence of how the "documentary" Deliver Us From Evil deceived moviegoers plus much more. Double Standard covers topics that the major media won't. There is no other book about the Catholic Church abuse narrative like this one.

*Before Dallas* Palgrave Macmillan

The sexual exploitation of a child by one who has been recognized as a representative of God is a sinister assault on that person's psychosocial and spiritual well-being. Many survivors of such abuse present with a range of symptoms consistent with Posttraumatic Stress Disorder as well as common co-occurring problems, including substance abuse, affective lability, and relational conflicts. Yet there are additional themes, particularly the impact of the abuse and institutional betrayal on the family, profound alteration in individual spirituality, and changes in individual and family religious practices, which differentiate this abuse from other traumas. Understanding the profound and multidimensional effects of clergy perpetrated sexual abuse and the betrayal of trust by religious leaders on individuals, families and communities requires the collective wisdom of many voices. This book brings together the perspectives of survivors, practitioners and scholars to examine this unique form of interpersonal violence from theoretical, clinical and spiritual perspectives with consideration given to future research needs. This book was published as a special issue of the Journal of Child Sex Abuse.

*Dismantling the Culture of Cover Ups* Oxford University Press

"Charles L. Bailey, Jr. and his book "In the Shadow of the Cross" are in the 2015 Sundance Film Festival's movie "Call Me Lucky" about Barry Crimmins by Bobcat Goldthwait . Here is a link to the Festival: <http://www.callmeluckymovie.com/>" In a matter of seconds, author Charles L. Bailey, Jr.'s, childhood innocence was destroyed. At the tender age of ten, Bailey became a victim of continuous sexual abuse by his family's Roman Catholic priest.

"In the Shadow of the Cross: The True Account of My Childhood Sexual and Ritual Abuse at the Hands of a Roman Catholic Priest" details Bailey's personal journey of recovery. With candid and shocking details, Bailey reveals how his ill-treatment forever destroyed his innocence and robbed him of identity and faith. Bailey also explains how family and friends were impacted by the tragedy, how his development from child to adult was full of pitfalls, and how he struggled with issues of intimacy. But there is also hope in Bailey's story. Through his work with support groups, such as SNAP, (Survivors Network of those Abused by Priests), individual counseling, and his renewed faith in God, Bailey has confronted his past and has become an advocate for those impacted by clergy sexual abuse. "In the Shadow of the Cross" shares his compelling true story and serves as a stark reminder of the haunting legacy of abuse in the church. Charles is an award winning author, winning Honorable Mention in the recently announced 2011 London Book Festival

**Clerical Sexual Abuse** ATF Press

This book shows how Popes John Paul II and Benedict XVI mandated inconsistent policies on clerical sexual abuse. It examines the possibility of change by articulating the positive outreach of Pope Francis to the victims of abuse and his implementation of systematic actions for young people's protection.

**Predatory Priests, Silenced Victims** Crossland Foundation Press

The Corrupter of Boys Sodomy, Scandal, and the Medieval Clergy University of Pennsylvania Press

*Healing from Clerical Sexual Abuse* Routledge

Thoughtfully examines the Catholic Clergy Sexual Abuse Scandal and its impacts using the paradigm of a "wicked problem," in order to truthfully demonstrate its complexities and causal factors. Only by understanding the phenomenon accurately can Catholics and Church leaders understand reform as both interior conversion and needed and concrete change.

**Catholic Priests and the Sexual Abuse of Children** Routledge

Presents an account of sexual abuse of children by priests in the Catholic Church and how these crimes were covered-up by senior church officials.

*The Crisis in the Catholic Church* Liturgical Press

Since the mid-1980s, the Catholic Church has been embroiled in a profound crisis of clerical sexual abuse. In many Western countries, paedophile priests have been exposed and convicted, and the Church's moral and social standing has suffered deeply. Scandals in Ireland and America have been extensively documented and much debated. The English Catholic Church has also been shaken to its roots by allegations of abuse, but until now the situation in England has not been fully examined. This book, by one of the UK's leading lawyers in the field, is a shocking exposé of Catholic sex abuse cases in England over the past forty years. Exploring the many facets of the crisis, it analyses the ways in which the English Church has responded - and the ways in which it has failed. The author considers the causes of abuse, allegations of cover-ups, campaigns led by victims, battles within the Church, the legal dimensions and the debate around the laicisation ('defrocking') of individual priests. He attempts to answer the following questions: How serious has the problem been in the English Catholic Church? How effectively has the Church responded? Can it hope to recover from this scandal - and, crucially, can it deal credibly and effectively with future allegations of abuse?

*The Sexual Abuse Crisis and the Catholic Church* Routledge  
Church-State relations have undergone a dramatic political sea change since the landmark clerical sexual abuse scandals of

2001. Where instances of child molestation by men of the cloth were once routinely denied by the Catholic Church, United States civil authorities have taken bold steps to hold clerics accountable for abuse under civil law. From secret payoffs, cover-ups, and clerical reassignments; to civil investigations demanding transparency and justice, Formicola explores key abuse cases and how state authorities moved to protect American children without violating the First Amendment. Clerical Sexual Abuse provides a detailed examination of how rampant sexual crimes cost the Catholic Church both its political clout and its public image in a wave of outrage-fueled reform.

**Scientific and Legal Perspectives : Proceedings of the Conference "Abuse of Children and Young People by Catholic Priests and Religious" : Vatican City, April 2-5, 2003** Springer Nature

In May, 2015, contrary to all expectations, Fr. Doyle was named as a consultant for the Vatican's highest Commission, charged with investigating clergy sexual abuse of victims. This action marks the culmination of Doyle's thirty year career of speaking out on behalf of survivors, against bishops and their attorneys, in the U.S., Canada, and Europe. Tom Roberts of NCR reported the story in the July 25th issue of the paper. A Letter to the Editor by NCR reader John Fitzgerald stated, "To say that Tom Doyle was a thorn in the side of the Vatican would be an understatement. He was more like an attacking rhinoceros. Now he is finally appointed to advise a Pontifical Commission that reports directly to the Pope. Tom is just one step from the ear of Pope Francis. And it's official... Unbelievable." Access the NCR article by this Q.R. Code. This striking sign of approval by Pope Francis and other Vatican officials underscores the perduring support Doyle has also received from members of his own Dominican Order. This was highlighted in 2004 when Master General Br. Carlos Azpiroz Costa O.P. gave him an award for "Prophetic Ministry to Victims and Perpetrators." As a young priest in the early 1980s, Tom Doyle, seemingly, had everything: 3 PhDs in Canon Law, his pilot's license, and a prestigious job at the Vatican Embassy in Washington, D.C.. He was a Republican, and a strong supporter of Pope John Paul II's doctrinaire agenda. But then, in 1984, it all began to unravel when he was asked to investigate rumors about a priest in Louisiana who was abusing teenage boys. The rumors were true, cases multiplied, and Doyle was fired. The bishops stone walled. Doyle became a chaplain -- and began testifying for victims. For the next 25 years. This is his story, from the inside. The book contains a Dedication by Tom Doyle, an Epilogue by Tom Fox of the National Catholic Reporter, and dozens of Quick Reference QR codes for Smart Phones and Tablets providing access to articles and other resources focusing on clerical sexual abuse. All profits will be donated to charities assisting victims of clerical abuse.

*Betrayal and Recovery* The Corrupter of Boys Sodomy, Scandal, and the Medieval Clergy

The book discusses the changing relationship between American Catholic Bishops and civil authorities in the United States, as civil authority has eclipsed traditional Catholic ecclesiastical privilege and clerical exemption resulting from the hierarchical mismanagement and cover-up of clerical sexual abuse in the United States.

**Lead Us Not Into Temptation** iUniverse

The sexual abuse scandal in the Catholic Church captured headlines and mobilized public outrage in January 2002. But much of the commentary that immediately followed was reductionistic, focusing on single "causes" of clerical abuse such as mandatory celibacy, homosexuality, sexual repressiveness or sexual permissiveness, anti-Catholicism, and a decadent secular culture. *Predatory Priests, Silenced Victims: The Sexual Abuse*

Crisis and the Catholic Church, a collection of groundbreaking articles edited by Mary Gail Frawley-O'Dea and Virginia Goldner, eschews such one-size-fits-all theorizing. In its place, the abuse situation is explored in all its troubling complexity, as contributors take into account the experiences, respectively, of the victim/survivor, the abuser/perpetrator, and the bystander (whether family member, professional/clergy, or the community at large). Setting polemics to the side, *Predatory Priests, Silenced Victims* provides a sober and sobering analysis of the interlacing historical, doctrinal, and psychological issues that came together in the sexual abuse scandal. It is mandatory reading for all who seek thoughtful, informed commentary on a crisis long in the making and yet to be resolved.

*Sexual Abuse in the Catholic Church* Bonus Books, Inc.

It started with a Tootsie Roll. The day then-18-year-old Faith Hakesley was to testify in court against the well-liked Catholic priest who had raped her, a court guard pressed a Tootsie Roll into her hand. It was the first glimmer. The little piece of candy reminded her of the Scripture about "faith the size of a mustard seed," and this bit of encouragement, by way of the guard, but really from God, gave her the courage she needed to endure the trial. In *Glimmers of Grace: Moments of Peace and Healing Following Sexual Abuse*, Faith shares what she has learned about the gifts God wants to give victims throughout their journey of healing. Practical, personal, and versatile, *Glimmers of Grace* accompanies readers step by step from acceptance to true freedom. In each reflection, you'll explore the healing gifts God offers, including: Hope Kindness Perseverance Self-compassion Joy Each reflection includes a gratitude prompt, positive affirmation, achievable to-dos, and journaling questions to help you embrace each gift. Like Faith, you can learn, slowly but surely, to see where and how God is speaking to you and find hope and healing after sexual abuse. *Glimmers of Grace* can also help spouses, friends, loved ones, or anyone who works with abuse victims gain perspective and understanding. ABOUT THE AUTHOR Faith Hakesley is a wife, homeschooling mother of three, and blogger. In 2008, she was one of five victims of clerical abuse to meet privately with Pope Benedict XVI during his trip to Washington, D.C. She is passionate about sharing her personal story of healing in order to offer hope, healing, and peace to those who are suffering. Visit her website [www.faithhakesley.com](http://www.faithhakesley.com) for more information.

**Abuse of Trust** Oxford University Press, USA

Boys with everything to live for ... A community betrayed ... The whistle-blower priest who paid the ultimate price \*\*Shortlisted for the 2020 Walkley Book Award\*\* \*\*Shortlisted for the 2021 NSW Premier's Community and Regional History Prize\*\* \*\* Shortlisted for the 2021 Prime Minister's Award\*\* Glen Walsh and Steven Alward were childhood friends in their tight-knit working-class community in Newcastle, NSW. Both proud altar boys at the local

Catholic church, they went on to attend the city's Catholic boys' high schools: Glen to Marist Brothers, Hamilton, and Steven to St Pius X. Both did well: Steven became a journalist; Glen a priest. But their lives came to be burdened by secrets kept and exposed. Glen discovered that another priest was sexually abusing boys and reported the offender to police, breaking his vows to the Catholic 'brotherhood' in the process. His decision to give evidence regarding the cover-up of clerical abuse at a landmark trial ended in tragedy. Meanwhile, Steven was fighting his own battle to overcome a traumatic past, a battle that also ended in tragedy. Ensuing investigations revealed that at least 60 men in the region had taken their own lives. What had happened, and why were so many of those men from the three Catholic high schools in the area? By six-time Walkley Award-winning investigative reporter Suzanne Smith and shortlisted for the 2020 Walkley Book Award, *The Altar Boys* is the explosive expose of widespread and organised clerical abuse of children in one Australian city, and how the cover-up in the Catholic Church in Australia extended from parish priests to every echelon of the organisation. Focusing on two childhood friends, their families and community, this gripping story is backed by secret documents, diary notes and witness accounts, and details a deliberate church strategy of using psychological warfare against witnesses in key trials involving paedophile priests.

[Child Sexual Abuse and the Catholic Church](#) ATF Press

The authors present a disturbing survey of sexual abuse of children by the Catholic Church that stretches back to the origins of the Church, culling official and unofficial documents for evidence of these horrific crimes.
