...I found Better than a Dream to be more real in a sense than many other works coming out of DMP. It has to do with Yuuki's relationship with his friend and his newfound relationship with the strange and mysterious Kamishiro. Yuuki is still healing from the death of his lover Tsukada, an adventurous risk taker who dies in an avalanche.  Better Than a Dream turned out to be an okay read. While I do think there are lots of better books out there, if you're going to try one of DMI's "yaoi novel"

offerings, this wouldn't be a bad place to start.
 Aspects of the book that worked for me: -
 Sakuragi's fresh take on the "grieving widow/widower/lover" trope.
