LESTER KOCH

*A Grammar of the Greek New Testament
in the Light of Historical Research*
HarperCollins UK

The premier reference in obstetrics for more than a century - now even more relevant to today's practice Williams Obstetrics is the most detailed, comprehensive, and rigorously referenced text on the subject. Written by an author team from the world-renowned Parkland

Hospital, the hallmarks of this classic are its thoroughness, scientific basis, and practical applicability for the obstetrician at the bedside. This edition of Williams Obstetrics continues to emphasize the scientific-based underpinnings and evidence-based practices of the specialty. This is accomplished by using incorporating more than 3,000 new literature citations and guidelines from the most trusted professional and academic organizations. One of the important features of the twenty-fourth edition is a greater focus on the fetus as a patient and

an expanded discussion of fetal diagnosis and therapy. This is complemented by more than 100 new sonographic and MR images of common fetal abnormalities. A new reorganization of the text enables the book to highlight more effectively the myriad disorders that may complicate pregnancy. Williams Obstetrics provides a convenient, clinically relevant text of value to the busy practitioner. The book summarizes important new data that has influenced evidence-based management to improve pregnancy outcomes. Much of this data is conveniently distilled into

newly created tables and diagnostic and treatment algorithms. During discussion, numerous sources are cited to provide evidence-based options for patient management. Additionally, nearly 900 images complement the text, many of which are new or enhanced. These include sonograms, MR images, photographs, diagrams, and graphs. This edition of Williams Obstetrics continues to provide clinicians with everything they need to know about the practice of obstetrics with a level of authority and quality of presentation not found in any other resource.

The Dallas Women's Guide to Gold Digging with Pride Pi Kids

By design, Volume One is of an introductory nature, which will help lay the foundation for the path ahead, and explain a bit more about where we're going. Our contributor list includes Charles Post (Guest Editor), Chris Douglas (Guest Editor), Jillian Lukiwski, John Dunaway, Eamon Waddington, Travis Gillett, Camrin Dengel, Kaleb White, Tanner Johnson, Nicole Belke and Dusan & Lorca Smetana, Adam Foss as well as stories from our Creative Director, Tyler Sharp, and a

column from Simon Roosevelt.

A Study of the Attributes of God

Crossway

In *Encountering God*, Kelly Minter explores how essential spiritual disciplines are to our faith experience and everyday lives. She'll unpack the biblical foundation for these sacred habits along with approachable ways to practice disciplines like prayer, study, worship, rest, simplicity, hospitality, and celebration. Over 8 sessions, you'll discover that spiritual disciplines aren't just one more thing to add to your to-do list, but they can actually create more margin in your life, resulting in deeper peace, communion, and rest. And perhaps most importantly, cultivating habits of faith help you know God more, as you release control to Him, express your need for Him, and walk in glad submission and worship of Him. Features: Personal study segments with homework to complete between 8 weeks of group sessions Leader helps to guide questions and discussions within small groups Teaching videos, approximately 30 minutes per session, available for purchase or rent Explanations of the history and progression of spiritual

disciplines from origins to present day along with their biblical roots Practical guidance and activities to live out the various spiritual disciplines at home Benefits: Demystify spiritual disciplines and be empowered to practice them as you draw closer to God. Understand how spiritual disciplines strengthen the Body of Christ, both in communities and individual lives. Reframe your perspective on rest and renewal.

Experiencing God Melville House

A modern classic--revised with more than 70 percent new material--is based on seven Scriptural realities that teach Christians how to develop a true relationship with the Creator.

A Novel McGraw Hill Professional

Each page of this lavish book brings out the uniquely American icon of the smiling cowgirl, set among the stories and symbols of ancient mythologies.

First Aid for the USMLE Step 3 Wm. B. Eerdmans Publishing

Nearly 3.6 million Americans have their vision surgically corrected annually; it is the most commonly performed surgery in the nation. Even so, many people find themselves feeling anxious about the

procedure. Author Robert K. Maloney is an experienced ophthalmologist who has performed thousands of vision correction surgeries. Not only is he an expert at performing these surgeries, he is a compassionate physician who understands the kinds of questions and concerns people have. In this book he covers LASIK and PRK surgeries, the differences between RLE and ICL, the implantable contact lens, refractive lens exchanges, how to choose a surgeon, and the newest vision correction surgery techniques.

This commentary on Ephesians, redesigned with a new cover and updated ESV Scripture references, celebrates our full redemption in Christ and explores the mystery of the church. Part of the popular Preaching the Word series.

Hope for the Hurting Sterling Publishing (NY)

Winner of the PEN Center USA Literary

Award for Research Nonfiction Named one of the Top 3 JFK Books by Parade Magazine. Named 1 of The 5 Essential Kennedy assassination books ever written by The Daily Beast. Named one of the Top Nonfiction Books of 2013 by Kirkus Reviews. In the months and weeks before the fateful November 22nd, 1963, Dallas was brewing with political passions, a city crammed with larger-than-life characters dead-set against the Kennedy presidency. These included rabid warriors like defrocked military general Edwin A. Walker; the world's richest oil baron, H. L. Hunt; the leader of the largest Baptist congregation in the world, W.A. Criswell; and the media mogul Ted Dealey, who raucously confronted JFK and whose family name adorns the plaza where the president was murdered. On the same stage was a compelling cast of marauding gangsters, swashbuckling politicians, unsung civil rights heroes, and a stylish millionaire anxious to save his doomed city. Bill Minutaglio and Steven L. Davis ingeniously explore the swirling forces that led many people to warn President Kennedy to avoid Dallas on his fateful trip to Texas. Breathtakingly paced, DALLAS

1963 presents a clear, cinematic, and revelatory look at the shocking tragedy that transformed America. Countless authors have attempted to explain the assassination, but no one has ever bothered to explain Dallas-until now. With spellbinding storytelling, Minutaglio and Davis lead us through intimate glimpses of the Kennedy family and the machinations of the Kennedy White House, to the obsessed men in Dallas who concocted the climate of hatred that led many to blame the city for the president's death. Here at long last is an accurate understanding of what happened in the weeks and months leading to John F. Kennedy's assassination. DALLAS 1963 is not only a fresh look at a momentous national tragedy but a sobering reminder of how radical, polarizing ideologies can poison a city-and a nation.

Not a Fan Tyndale House Publishers, Inc. Invite your children to celebrate Jesus' resurrection with this Easter read-aloud Bible story by Sarah Young, bestselling author of Jesus Calling® and Jesus Always. This board book is a simple retelling of the wonder of the resurrection and includes Easter-themed prayers, helping little ones

Some of her other children's books include *Jesus Calling Little Book of Prayers* *Jesus Calling for Little Ones* *Jesus Calling My First Bible Storybook* *Jesus Calling: The Story of Easter* *Jesus Calling: The Story of Christmas*

Knowing and Doing the Will of God

Random House Digital, Inc.

This entertaining and readable book provides a solid, comprehensive introduction to contemporary electronics. It's not a "how-to-do" electronics book, but rather an in-depth explanation of how today's integrated circuits work, how they are designed and manufactured, and how they are put together into powerful and sophisticated electronic systems. In addition to the technical details, it's packed with practical information of interest and use to engineers and support personnel in the electronics industry. It even tells how to pronounce the alphabet soup of acronyms that runs rampant in the industry. Written in conversational, fun style that has generated a strong following for the author and sales of over 14,000 copies for the first two editions The Third Edition is even bigger and better, with lots of new material, illustrations, and an expanded glossary Ideal for training incoming engineers and technicians, and for people in marketing or other related fields or anyone else who needs to familiarize themselves with electronics terms and technology

The Nassau Herald Multnomah

In a 25th anniversary, behind-the-scenes account of the making of the cult-classic film, the lead actor shares never-before-told stories and exclusive photographs as well as interviews with Robin Wright, Billy Crystal and more. 100,000 first printing. *The Cookbook* B&H Publishing Group Written in conversational style, *The Senses of Preaching* is a thought-provoking book using anecdotes to take a careful look at the relationship between preachers and congregations. Thomas Long provides insight into faith and life as well as preaching and homiletics. He offers preachers a better understanding of the whole concept of their craft and complements it with sermon-starter ideas. This compact volume shows preachers how to develop and implement a preaching experience that encourages the hearing of the gospel. Cultivating Habits of Faith Through the Spiritual Disciplines Biblical Studies Press "Whether it's piquant chili con carne or watermelon soup, there's nothing quite like Texas cuisine. Now, Edible Communities celebrates the Lone Star State's culinary traditions through a close-

up look at Dallas and Fort Worth. Here are recipes and specialties straight from the region's best chefs, growers, and food purveyors--farm-to-table fare like indigenous herbs and chiles; down-home grits, collard greens, and fried green tomatoes; mesquite-grilled meats; and fruit cobblers. "--
Dallas 1963 B&H Publishing Group
 Did you know that the leading killer in America, cardiovascular disease, is directly linked to meat consumption? Or that you save more water by not eating one pound of beef than you would by not showering for a whole year? Diet for a New America simply and eloquently documents these ecological concerns and more, as well as the little-known horrors that animals experience during factory farming. Few of us are aware that the act of eating can be a powerful statement of commitment to our own well-being, and at the same time to the creation of a healthier world. In Diet for a New America, you will learn how your food choices can provide ways to enjoy life to the fullest, while making it possible that life, itself, might continue. Heeding this message is without a doubt one of the most practical,

economical, and potent things you can do today to heal not only your own life, but also the ecosystem on which all life depends. Reading this book will change your life.

Ephesians Good Book Company

An Unconventional Guide to Electronics
 Abingdon Press

Marriage Course, developed by Nicky and Sila Lee, is a seven-session study for couples to obtain the tools to build a strong and healthy relationship that lasts a lifetime. The manual highlights the key points from the talks and contains all of the exercises with plenty of room for making notes. The course covers: An Introduction to Marriage Course Building Strong Foundations The Art of Communication Resolving Conflict Forgiveness The Impact of Family - past and present Good Sex Love in Action Marriage Course Party Coping with Times of Separation (optional session) Marriage

Course serves as a bridge between the church and local community by recognizing the need to go beyond the social, as well as physical, walls of the church to help couples with their relationships. The courses are easy to run, and the talks are also available on DVD (sold separately). If you enjoy hosting people and have a passion for strengthening family life, you could run a course!

Cowgirl Rising HarperChristian Resources

The first true people's history of modern India, told through a seven-year, 9,000-mile journey along its many contested borders Sharing borders with six countries and spanning a geography that extends from Pakistan to Myanmar, India is the world's largest democracy and second most populous country. It is also the site of the world's biggest crisis of statelessness, as it strips citizenship from hundreds of thousands of its people--especially those living in disputed border regions. Suchitra Vijayan traveled India's vast land border to explore how these populations live, and

document how even places just few miles apart can feel like entirely different countries. In this stunning work of narrative reportage--featuring over 40 original photographs--we hear from those whose stories are never told: from children playing a cricket match in no-man's-land, to an elderly man living in complete darkness after sealing off his home from the floodlit border; from a woman who fought to keep a military bunker off of her land, to those living abroad who can no longer find their family history in India. With profound empathy and a novelistic eye for detail, Vijayan brings us face to face with the brutal legacy of colonialism, state violence, and government corruption. The result is a gripping, urgent dispatch from a modern India in crisis, and the full and vivid portrait of the country we've long been missing.
