A master of the comedic genre, Mr. Martin manages without pretentiousness to imbue the story of a slightly imbalanced shoppirl, Mirabelle, a veritable everyday girl with little to do of anything, with a mirth and understanding that undercuts all of his celebrity and stand-up. Shoppirl (novella) - Wikipedia "Shoppirl" is a tender and perceptive film that argues these truths. It is about an older man named Ray Porter, a millionaire, who sees a young woman named Mirabelle Buttersfield standing behind the glove counter at Saks, and desires her. He goes through the motions of buying some gloves. Steve Martin is a man and a mind of many facets. It is entirely wrong to consider this his first writing,  
as some of the other reviewers have, since he has been writing in many media for many years and is  
highly skilled.
