Her good father suddenly had a heart attack and became a vegetable. Her boyfriend went into a car accident during the wedding banquet and was unconscious, and she told him that the culprit in her life would kill the person closest to her. In one night, she became a jinx that everyone avoided, became the topic of gossip, and she was annulled by her grandmother. "Mr. Xin, why did you marry a jinx and go home? You're not afraid that I'll kill you." "What a coincidence, I was fated to die as well. It just so happens that we both have to bear the consequences."

What will it take for her to Just Say Yes?

Scott Taylor has the perfect life. He gets to fulfill his dream playing professional hockey, has a loving family, and a tight group of friends. But the one thing missing in his life is a partner to come home to. He knows exactly who he wants to fill that position- the only woman he has ever loved. The one who got away, who constantly consumes his every thought. What it would take to get her to Just Say Yes to a second chance? Becca Phillips is an independent woman who has made her career as an ER nurse a priority in her life. She has a loving family and a best friend by her side, but she can't seem to get over her first love, Scott. Insecurities led her to break up with him years ago when he started climbing the ranks in professional hockey and, for eight years, Becca has avoided Scott when he returns home each summer. Can she overcome her fears and allow love back into her life? All she has to do is Just Say Yes to the one and only man she has ever loved.

Sadie Greer just turned nineteen when her father arranged her marriage to a Crypto developer Cenric Wollf over a business deal. As soon as she finished college, she

finally met him, marrying the evil wrapped in a pretty thousand-dollar suit the same day. Unknown to Sadie, her husband has his own motives. Cenric Wolff has been sleeping with his enemy for years just to help take down the man behind his brothers' death, even if it means sacrificing his own freedom. He married the daughter of his enemy. Sadie is only a part of his plan, his subject, the weak link. He's supposed to charm her, seduce her in his bed, use her as his pawn. When he gets to know her, she's nothing like her father. Cenric starts to feel something afraid he's losing control over. He falls deeper. Contrary to what Sadie's brother has fed her over the years, she doesn't sense danger in the air. Cenric likes to take control to keep her safe, but nothing dark and deadly, just thrills and crazy chemistry. When she starts to get to know him, something else resurfaces. They both fall into their own trap. Cenric's true intentions and her family secrets prevail. But nothing Cenric wouldn't do to prove that there's more to it than their arranged marriage, even if it means befriending the man who hurts his wife.

In *Panic Attacks: Why They Were Worth Experiencing*, author Paul Ianni talks about his life and what has led to his panic attacks, which began at age fifty. He hopes that by sharing his experiences, others might be able to better understand their own issues. He believes that many people don't acknowledge the fact that they have panic attacks; they just put on a brave face and ignore them. At the height of his panic attacks, he was desperate for a miracle cure but he soon discovered that there was no such thing. A year after the first panic attack, his life was back to normal and it was then that he realized his normal life had always been full of anxiety and fear. Using techniques that had previously helped him overcome academic difficulties, Paul was able to transform his life from panic and anxiety to peace and love. He conquered a lifetime of self-doubt and self-defeating negativity, learning to use his brain in a positive way to defeat his panic attacks. These techniques are simple to use and achievable by anyone. Combining them with what he has learned about new age thinking, *Panic Attacks* share what enabled Paul to turn his life

around and offers hope to those suffering under the same troubles.

How long can you sit in the closet and rock yourself away? Eventually, I would have to come out and face the truth about what was happening to me. No one had a clue that I was just contemplating suicide, but that's what makeup is for. I was a great actress and hid the dark circles underneath my tired eyes. I had to find ways to outrun him, but he kept coming. *Year of Yes* Piper Rayne, Inc.

He's just what she needs... Single mom Jade Moran isn't ready for any big changes in either her horrible '70s kitchen or her romantic life. Her ex did a number on her, and she isn't interested in getting hurt again. But when she meets a super-hot contractor, she wonders if avocado appliances are on the way out and romance is on the way in. Max Gianopoulos

doesn't have a clue why he's so enchanted by Jade. She's almost as big a mess as her kitchen, and he's a guy who likes to keep things simple. But Jade has turned up the flirty heat - and he can't keep his hands off her. With everything moving too fast and coming too easy, Jade's insecurities kick into high gear. She's not sure she can trust another man again - and she definitely doesn't believe in happily ever afters...

When Cassidy Montgomery was asked about her dreams for the future, she'd always said she wanted to write the next "Dirt Road Anthem". She wanted that feeling of hearing celebs sing her music. When she won a songwriting contest, she thought she had it made. There was only one problem - she'd be on the same label as the infamous womanizer Gunnar Houston. She figured she could grin and bear it, but she never expected what happened next. Jax Mitchell was one of the top country artists at that time and had a loyal female following. Nobody knew whether he was married or not, but every woman around wanted a piece of him to themselves. When he got a chance to meet Cassidy and work with her, he

started falling and falling hard for the blond hair beauty. Only problem was that he had to find a way to get her to agree to one date. That was gonna be a lot harder than he thought. When you are face to face with a man and you don't know whether he's married or not, it's FORBIDDEN. A story of playing by the rules and breaking them.

Want to get kids to say "Yes" ... instead of begging, negotiating, and pleading? Turn discipline and frustration into instant cooperation. Kids love to say "yes" when they hear their own color-coded language. What color personality are your children? Quickly identify their color personality and then talk to them using the words they understand. Instant communication that works. Instead of our words bouncing off their foreheads and scattering to the floor, we can use secret words that help them listen and understand. We don't have to be a psychologist, psychic, or super-parent. We just have to meet kids "where they are." Once we see the world the way they do, communicating is easy. No more stress, arguing, and frustration. Now that

is a win-win! It is up to us to meet our kids where they are. After all, they are just learning about their world. We can do this and have great fun while we get our kids to say "Yes" ... instead of "No." Make talking to kids an awesome experience. Order your copy now!
