Artists have always been recyclers. This gallery of work made from repurposed materials is both a visual delight and "a source of ideas for crafters" (Library Journal).

Artists and crafters have always been recyclers at heart, but in recent decades, it's become not

only a thrifty choice but a moral imperative for many. 1000 Ideas for Creative Reuse contains a cutting-edge collection of the most inventive work being made with reused, upcycled, and already existing materials. Exciting and inspiring, the work in this book ranges from clever and humble personal accessories to unique and important large-scale works of art, including

paper art, fashion, jewelry, housewares, interiors, and installations. **Annual Survey of Establishments: Manufacturing** Popular Mechanics inspires, instructs and influences readers to help them master the modern world.
