Shortlisted for the 2021 Booker Prize Longlisted for the 2021 National Book Award for Fiction A heartrending new novel from the Pulitzer Prize-winning and #1 New York Times best-selling author of *The Overstory*. Named one of the Most Anticipated Books of 2021 by Newsweek, Los Angeles Times, New York Magazine, Chicago Tribune, BuzzFeed, BookPage, Goodreads, Literary Hub, The

Millions, New Statesman, and Times of London The astrobiologist Theo Byrne searches for life throughout the cosmos while single-handedly raising his unusual nine-year-old, Robin, following the death of his wife. Robin is a warm, kind boy who spends hours painting elaborate pictures of endangered animals. He's also about to be expelled from third grade for smashing his friend in the face. As his son grows more troubled, Theo hopes to keep him off psychoactive drugs. He learns of an experimental neurofeedback treatment to bolster Robin's emotional control, one that involves training the boy on the recorded patterns of his mother's brain... With its soaring descriptions of the natural world, its tantalizing vision of life beyond, and its account of a father and son's ferocious love, Bewilderment marks Richard Powers's most intimate and moving novel. At its heart lies the question: How can we tell our children the truth about this beautiful, imperiled planet? [The Music of Bobby Vee](#) 37 Ink

INSTANT NEW YORK TIMES BESTSELLER A Good Morning America and Read with Marie Claire Book Club Pick and a People Best Book of Summer Named a Most Anticipated Book of 2021 by Time, The Washington Post, Harper's Bazaar, Entertainment Weekly, Marie Claire, Bustle, BuzzFeed, Parade, Goodreads, Fortune, and BBC Named a Best Book of 2021 by Time, The Washington Post, Esquire, Vogue, Entertainment Weekly, The Boston Globe, Harper's Bazaar, and NPR Urgent, propulsive, and sharp as a knife, *The Other Black Girl* is an electric debut about the tension that unfurls when two young Black women meet against the starkly white backdrop of New York City book publishing. Twenty-six-year-old editorial assistant Nella Rogers is tired of being the only Black employee at Wagner Books. Fed up with the isolation and microaggressions, she's thrilled when Harlem-born and bred Hazel starts working in the cubicle beside hers. They've only just started comparing natural hair care regimens, though, when a string of uncomfortable events elevates Hazel to Office Darling, and Nella is left in the dust. Then the notes begin to appear on Nella's desk: LEAVE WAGNER. NOW. It's hard to believe Hazel is behind these hostile messages. But as Nella starts to spiral and obsess over the sinister forces at play, she soon realizes that there's a lot more at stake

than just her career. A whip-smart and dynamic thriller and sly social commentary that is perfect for anyone who has ever felt manipulated, threatened, or overlooked in the workplace, *The Other Black Girl* will keep you on the edge of your seat until the very last twist.

NATIONAL BOOK CRITICS CIRCLE NOMINEE • A NEW YORK TIMES NOTABLE BOOK OF THE YEAR • NEW YORK TIMES BEST SELLER • A grand, devastating portrait of three generations of the Sackler family, famed for their philanthropy, whose fortune was built by Valium and whose reputation was destroyed by OxyContin. From the prize-winning and bestselling author of *Say Nothing* The history of the Sackler dynasty is rife with drama—baroque personal lives; bitter disputes over estates; fistfights in boardrooms; glittering art collections; Machiavellian courtroom maneuvers; and the calculated use of money to burnish reputations and crush the less powerful. The Sackler name has adorned the walls of many storied institutions—Harvard, the Metropolitan Museum of Art, Oxford, the Louvre. They are one of the richest families in the world, known for their lavish donations to the arts and the sciences. The source of the family fortune was vague, however, until it emerged that the Sacklers were responsible for making and marketing a blockbuster painkiller that was the catalyst for the opioid crisis. *Empire of Pain* begins with the story of three doctor brothers, Raymond, Mortimer and the incalculably energetic Arthur, who weathered the poverty of the Great Depression and appalling anti-Semitism. Working at a barbaric mental institution, Arthur saw a better way and conducted groundbreaking research into drug treatments. He also had a genius for marketing, especially for pharmaceuticals, and bought a small ad firm. Arthur devised the marketing for Valium, and built the first great Sackler fortune. He purchased a drug manufacturer, Purdue Frederick, which would be run by Raymond and Mortimer. The brothers began collecting art, and wives, and grand residences in exotic locales. Their children and grandchildren grew up in luxury. Forty years later, Raymond’s son Richard ran the family-owned Purdue. The template Arthur Sackler created to sell Valium—co-opting doctors, influencing the FDA, downplaying the drug’s addictiveness—was employed to launch a far more potent product: OxyContin. The drug went on to generate some thirty-five billion dollars in revenue, and to launch a public health crisis in which hundreds of thousands would die. This is the saga of three generations of a single family and the mark they would leave on the world, a tale that moves from the bustling streets of early twentieth-century Brooklyn to the seaside palaces of Greenwich, Connecticut, and Cap d’Antibes to the corridors of power in Washington, D.C. *Empire of Pain* chronicles the multiple investigations of the Sacklers and their company, and the scorched-earth legal tactics that the family has used to evade accountability. *Empire of Pain* is a masterpiece of narrative reporting and writing, exhaustively documented and ferociously compelling. It is a portrait of the excesses of America’s second Gilded Age, a study of impunity among the super elite and a relentless investigation of the naked greed and indifference to human suffering that built one of the world’s great fortunes.

The Beatles in Canada: The Origins of Beatlemania! Doubleday

'Before Cliff Richard and the Shadows, there was nothing worth listening to in British music.' - John Lennon. Cliff Richard tells his story, in his own words, in his highly anticipated new autobiography. Achieving a hit in every decade since the 1950s, Cliff Richard stands alone in pop history. Coming of age in 1950s London, he began his music career at Soho's legendary 21's Cafe, and now he's approaching his 80th birthday with record sales of over 250m and counting. Cliff Richard was a pioneer, forging the way for British rock 'n' roll with his unique sound. The original British teen idol, his incredible story takes us into the studio of TV's first pop show *Oh Boy!*, through 40 years of *Top of the Pops*, and playing live up and down the country and across the world, with a constant

backdrop of screaming fans. Cliff looks back on his humble upbringing, and how he went on to fulfil his wildest dreams by becoming a pop star and even a film star. He talks about finding Christianity, reflects on the ups and downs of life in the public eye, and reveals how the false allegations against him changed his life forever. He's seen era-defining pop stars come and go, and he's still making new music, with a new project to be released this year. As a teenage Elvis-fan in Cheshunt, this may have seem a distant dream. Here's his story of how he made it all happen.

Winner of the Pulitzer Prize in Fiction Shortlisted for the Man Booker Prize New York Times Bestseller A New York Times Notable Book and a Washington Post, Time, Oprah Magazine, Newsweek, Chicago Tribune, and Kirkus Reviews Best Book of 2018 "The best novel ever written about trees, and really just one of the best novels, period." —Ann Patchett *The Overstory*, winner of the 2019 Pulitzer Prize in Fiction, is a sweeping, impassioned work of activism and resistance that is also a stunning evocation of—and paean to—the natural world. From the roots to the crown and back to the seeds, Richard Powers’s twelfth novel unfolds in concentric rings of interlocking fables that range from antebellum New York to the late twentieth-century Timber Wars of the Pacific Northwest and beyond. There is a world alongside ours—vast, slow, interconnected, resourceful, magnificently inventive, and almost invisible to us. This is the story of a handful of people who learn how to see that world and who are drawn up into its unfolding catastrophe.

A First Nations former hockey star looks back on his life as he undergoes treatment for alcoholism in this novel from the author of *Dream Wheels*. Saul Indian Horse is a child when his family retreats into the woods. Among the lakes and the cedars, they attempt to reconnect with half-forgotten traditions and hide from the authorities who have been kidnapping Ojibway youth. But when winter approaches, Saul loses everything: his brother, his parents, his beloved grandmother—and then his home itself. Alone in the world and placed in a horrific boarding school, Saul is surrounded by violence and cruelty. At the urging of a priest, he finds a tentative salvation in hockey. Rising at dawn to practice alone, Saul proves determined and undeniably gifted. His intuition and vision are unmatched. His speed is remarkable. Together they open doors for him: away from the school, into an all-Ojibway amateur circuit, and finally within grasp of a professional career. Yet as Saul’s victories mount, so do the indignities and the taunts, the racism and the hatred—the harshness of a world that will never welcome him, tied inexorably to the sport he loves. Spare and compact yet undeniably rich, *Indian Horse* is at once a heartbreaking account of a dark chapter in our history and a moving coming-of-age story. “Shocking and alien, valuable and true... A master of empathy.”—Jane Smiley, Pulitzer Prize-winning author of *Golden Age* “A severe yet beautiful novel.... *Indian Horse* finds the granite solidity of Wagamese’s prose polished to a lustrous sheen; brisk, brief, sharp chapters propel the reader forward.”—Donna Bailey Nurse, *National Post* (Toronto)

An instant New York Times bestseller! Alan Gratz, bestselling author of *Refugee*, weaves a stunning array of voices and stories into an epic tale of teamwork in the face of tyranny -- and how just one day can change the world. June 6, 1944: The Nazis are terrorizing Europe, on their evil quest to conquer the world. The only way to stop them? The biggest, most top-secret operation ever, with the Allied nations coming together to storm German-occupied France. Welcome to D-Day. Dee, a young U.S. soldier, is on a boat racing toward the French coast. And Dee -- along with his brothers-in-arms -- is terrified. He feels the weight of World War II on his shoulders. But Dee is not alone. Behind enemy lines in France, a girl named Samira works as a spy, trying to sabotage the German army. Meanwhile, paratrooper James leaps from his plane to join a daring midnight raid. And in the thick of battle, Henry, a medic, searches for lives to save. In a breathtaking race against time, they all must fight to complete their high-stakes missions. But with betrayals and deadly risks at every turn, can the Allies do what it takes to win?
