In answer to the crisis in girls' mental health, the UK's best selling parenting author Steve Biddulph brings an interactive learning guide rich in content and interactive elements to help parents be prepared and self-aware in providing for their daughters. In his ground-breaking new book, Steve Biddulph, million copy best-selling author of *Raising Girls*, psychologist and parent educator offers an interactive experience for parents to explore the relationship with their girls from the cradle to the teenager. It is a guided journey of exercises, conversations, reflections and self-rating questionnaires that builds the inner capacities in a parent, targeted at each stage of their daughters growing up. Every aspect - love and security in babyhood, mindfulness, setting boundaries, emotional well-being and emotional literacy, education and learning in primary and secondary school, friendship, puberty and adolescence, sexuality and sexualization, choosing partners and negotiating equality and respect.; in fact

everything a father or mother needs to think about to be prepared and self-aware in providing for their growing girl. Complemented by real -life case studies and full colour photographs throughout.

Biddulph tackles two critical social issues: creating a healthy masculinity, and how men can free themselves from crippling and outdated roles. *The New Manhood* touches the heart of almost everyone who reads it and provides a clear and practical roadmap of what to do. Women find it a revelation and profoundly moving; men gain recognition and a sense of hope that life can be different.

What is the men's movement? Hundreds of thousands of men all across North America are forming councils, lodges, and participating in "wild man weekends," inspired by the mythopoetic writings and personal testimonies of such authors as Robert Bly, Sam Keen, and John Lee. What do you need to be part of it? Robert Bly's practical advice to his gatherings of men is to go home and form small groups. This book, fifteen years in the making and written by one of the prominent forces in the men's

movement, is the original handbook for forming and guiding these small support circles. Here's what this book gives you: This step-by-step manual grows out of Bill Kauth's two decades of experience with over 125 support groups. It will help the organizer or leader to start a group, find new members, solve group problems, and create rituals and activities that promote honesty, self-disclosure, and fun.

*Changing Men* assembles some of the most innovative and exciting research on men and masculinity. As such, it contributes to the demarcation of the new field of men's studies and to the examination of masculinity within traditional academic disciplines. The contributors deal with broad topical and methodological issues such as reformulating the male role, men in domestic settings, male/female relationships, sexuality, race and gender, and future directions for men's studies.

This guidebook, packed with wisdom, practical advice, resources, and encouragement, explores how moms can equip their sons with what they most need to succeed in life. Monica Swanson knew she'd tapped a heartfelt concern when nearly two million readers shared her blog post "What a Teenage Boy Needs Most from His Mom." In this helpful book, she takes mothers deeper into the insights they need for the boy-raising journey, covering topics from dealing with the daily influences of friends and technology to helping a boy grow to be physically, spiritually, and emotionally healthy. She also addresses learning and finding passions, perspectives on relationships and dating, and work ethics and money management. Each chapter features relatable stories, handy checklists, and practical advice based on a combination of research, experience, and biblical truth to guide and equip a mom in helping her son achieve his God-given potential. Praise for *Boy Mom* "In *Boy Mom* Monica Swanson offers readers practical advice and resounding hope that parenting our sons well through all seasons is not only possible but also enjoyable. This book is like an essential trail guide that I'll refer to again and again in the beautiful and challenging adventure of motherhood."—Becky Keife, author of *No Better Mom for the Job* and mom of three spirited boys "Monica Swanson is the friend we all need in our lives: humble, straightforward, warm, full of wisdom, and short on nonsense—and she knows her stuff like no one else. In *Boy Mom* she holds the bar high yet is forthcoming about her own struggles and imperfections. Inside these pages you'll find deeply rooted biblical and practical advice along with calls to action when you don't know where to start. The *Boy Mom Manifesto* at the end will not only inspire you but also make your heart swell."—Kate Merrick, author of *Here, Now: Unearthing Peace and Presence in an Overconnected World* "Monica Swanson is the ultimate *Boy Mom* mentor. While her perspective on parenting is grounded in biblical wisdom, each chapter holds excellent practical tools for how to work out that wisdom on a daily basis in our homes. Of course, we know there aren't formulas that will ensure we get it all right, but we also know that gleaning wisdom from women who have gone before us (and are still in the trenches with us) is invaluable in the wonderful adventure of helping boys become all God created them to be."—Jeannie Cunnion, author of *Mom Set Free*

One of Australia's favourite boy experts on how to help teen boys to develop into good men. For boys, adolescence can be a confusing minefield and parents are often bewildered as to how to best guide their precious sons. Many parents wake one day to find that their beautiful little boys have grown into silent, withdrawn, sometimes angry and often unmotivated tweens and

teens. Well-known Australian author, parenting and resilience educator, and one of Australia's favourite boy experts Maggie Dent, offers parents and guardians a compassionate and practical guidebook, packed with advice and ground-breaking techniques on how to stay calm and: - Communicate effectively to defuse conflict - 'Unstick' an unmotivated son - Teach them to cope with loss and failure, and how to recover - Help them foster healthy friendships and intimate relationships - Navigate technology and the digital world. *From Boys to Men* empowers parents with insights, tips and a common-sense approach to help all boys - and their families - thrive as they progress through adolescence, offering hope for a future of adventure, stability, engagement and connection. Featuring a Foreword by Michael Gurian

Amy Bloom has won a devoted readership and wide critical acclaim for fiction of rare humor, insight, grace, and eloquence, and the same qualities distinguish *Normal*, a provocative, intimate journey into the lives of "people who reveal, or announce, that their gender is variegated rather than monochromatic"—female-to-male transsexuals, heterosexual crossdressers, and the intersexed. We meet Lyle Monelle and his mother, Jessie, who recognized early on that her little girl was in fact a boy and used her life savings to help Lyle make the transition. On a Carnival cruise with a group of crossdressers and their spouses, we meet Peggy Rudd and her husband, "Melanie," who devote themselves to the cause of "ordinary heterosexual men with an additional feminine dimension." And we meet Hale Hawbecker, "a regular, middle-of-the-road, white-bread guy" with a wife, kids, and a medical condition, the standard treatment for which would have changed his life and his gender. Casting light into the dusty corners of our assumptions about sex, gender and identity, Bloom reveals new facets to the ideas of happiness, personality and character, even as she brilliantly illuminates the very concept of "normal."

Boys pose special challenges for today's stressed parents. In *Raising A Son*, the Eliums embrace the challenges—and the joys—of raising boys with compassion, commitment, experience, patience, and humor. This fully updated and expanded edition follows the psychological development of boys from infancy to young adulthood. Look for new sections on: • media and violence • the "boy code" • age-appropriate morality • the out-of-control son • triggers for aggression • when and how to get help • coping with guilt • the highly sensitive son • triggers for withdrawal • why he gets overwhelmed • hypersensitivity and ADD • the right role models

These days it seems everyone has a youth sports horror story—whether it's about a tyrant coach obsessed with his team record that only plays the best kids on the team, or a parent who publicly berates his kid for not making a goal. But should it really only be all about winning? What about having fun, learning a sport, and developing athletic skills? *Beyond Winning with Whole Child Sports* offers an alternative approach to teaching sports to kids. It deemphasizes short-term goals like winning and youth championships and discourages the introduction of adult-oriented, league-structured competition. Instead it emphasizes training techniques and coaching strategies aimed at improving core strength, balance, and creativity in aspiring athletes, using an age-appropriate four-stage timeline, based on a child's physical, psychological, and neurological development. *Beyond Winning with Whole Child Sports* provides frustrated parents with help in the form of advice and concrete solutions to common questions, and step-by-step instructions for helping young children develop athletic ability in an environment that's less

structured while encouraging athletic and personal growth. It also reveals how to avoid bullying, trash talk, and elitism.

The New Manhood HarperCollins

'Love starts out as a blessing, even a fluke, but it continues as an achievement!' Steve and Shaaron Biddulph Steve and Shaaron Biddulph's classic book on how to find and grow the love between a man and a woman has been credited with saving the marriages of couples across the globe. Written in their earthy, honest and warm style, and revised and updated for the twenty-first century, it includes: How to recognise and balance the levels of connection – loving, lusty and liking – in your relationship How commitment can be built up in small, safe steps How having children helps you grow up! Getting through the crises that every couple has The changes that children bring, and how to make these a plus A long-term loving relationship is an achievement – a craft – and it can take years to develop. The Making of Love is unique in that it explores the issues that couples face from both the male and female point of view, and illustrates these through moving stories from people's lives.

Families: Mine, Yours, Ours is a companion to the Families Course. It is packed with personal stories, as the author describes experiences throughout her life and her decades of living with and working with families. The material from the Families Course is woven through these stories, which make an engaging and educational read. Readers will pick up tips and advice on building strong, loving and healthy family relationships. The book will not only be of interest to parents, but to grandparents, carers, teachers and leaders, in fact anyone who is interested in improving their family life.

**Boy Mom** HarperCollins UK

The landmark text aimed at conquering toxic masculinity and paving the way for a fairer world, updated for a new generation. For twenty years, Steve Biddulph's groundbreaking book *Manhood* and the revised edition, *The New Manhood*, have had a remarkable impact around the world. Thousands of men have reconciled with their fathers, become more involved with their children, rejuvenated their marriages and made sweeping changes to their lives. In this revised and updated edition, Steve explores every aspect of a man's life in an honest and uplifting way: love, friendship, sex, marriage, raising children, spirituality and finding your true work – all in plain language and illuminated with powerful stories, real-life stories. This is a handbook for men of all ages, and for the women who love them. 'This landmark work is for those who truly want to understand and nurture the men and boys in their lives, and for men who want to understand themselves better' Maggie Hamilton, author of *What Men Don't Talk About*

*How To Raise A Boy* WaterBrook

"Maggie is earthy and real, full of love and knowledge, especially on raising sons." - Steve Biddulph "Maggie's perspective on raising boys is spot on. She writes with humor and depth, providing insight and strategies for many of the most important issues facing moms. There is a lovely ease to her writing and a powerful honesty. I hope every mother of a son (and everyone else!) will read this book. The future of the world, to a great extent, depends on how we raise our boys." - Michael Gurian, New York Times Bestselling Author of *The Wonder of Boys* and *Saving Our Sons* If we can see the world through boys' eyes a little better, we will make different choices in the way we mother them... and we will find them less confusing, and love them more deeply. Mothers of sons are worried about raising their boys in a

world where negative images of masculinity are front and centre of our media, almost every day. Not only that, but statistically our boys are still struggling in many ways. Even though we live in a time where we recognise that nothing in gender is fixed, it remains a fact that the influence of a mother on her son is massive. A mother of four sons herself, Maggie Dent draws on her personal experience – and over four decades work as a teacher, counsellor and now author and speaker – to help build understanding, empathy and compassion for our boys. Maggie shares her five key secrets that every mum needs to know and uses the voices of men she has worked with and surveyed to reveal what really matters in a boy's relationship with his mother and other mother figures. Maggie is one of Australia's most popular parenting authors and educators, and her seminars about boys have sold out all across Australia and in the UK. She is finally sharing her insights, her reflections, and (as always) her humour around mothering boys to help you be the mum your son needs you to be.

Raising Boys Pan Macmillan

A guide for parents and teachers to work with the powerful emotions that are triggered in them through their interactions with children. This handbook is based on leading-edge neuropsychological principles and research, as well as the author's 30 years of clinical experience. The Inner Child Process outlined in this book benefits the reader by turning even the most difficult challenges of parenting and teaching into profound personal healing and growth opportunities. Using this Process additionally assists the reader to access deeper intuitive understandings about the needs of the children they are raising or working with. Finally, there are instructions for using this Inner Child Process in a group setting, as a community-building exercise.

**Normal** Macmillan Publishers Aus.

Based on William Pollack's groundbreaking research at Harvard Medical School over two decades, *Real Boys* explores this generation's "silent crisis": why many boys are sad, lonely, and confused although they may appear tough, cheerful, and confident. Pollack challenges conventional expectations about manhood and masculinity that encourage parents to treat boys as little men, raising them through a toughening process that drives their true emotions underground. Only when we understand what boys are really like, says Pollack, can we help them develop more self-confidence and the emotional savvy they need to deal with issues such as depression, love and sexuality, drugs and alcohol, divorce, and violence. "Just as *Reviving Ophelia* opened our eyes to the challenges faced by adolescent girls, *Real Boys* helps us hear and respond to the needs of growing boys." —Judith Jordan, Ph.D., Harvard Medical School Featuring a new preface by the author on how parents can make a difference.

**The New Manhood** DK Publishing (Dorling Kindersley)

Steve Biddulph's *Raising Boys* was a global phenomenon. The first book in a generation to look at boys' specific needs, parents loved its clarity and warm insights into their sons' inner world. But today, things have changed. It's girls that are in trouble.

**Raising a Son** Allen & Unwin

With *Tomorrow, When the War Began*, John Marsden wrote the most powerful novel for teenagers ever published in this country. Now he has written the most powerful non-fiction work ever made available to young men. Where Steve Biddulph's bestselling *Raising Boys* talks to parents and teachers, *Secret Men's Business* talks to young men themselves, in the way that only John Marsden can. It sets out, in direct, honest language, the things every young man needs to know... And the things young men aren't being told. Young men who read this book will learn

how to be strong, how to be honest, how to confront their fears. They'll understand how to deal with men and women, parents and teachers, male friends and female friends. They'll get a sense of the integrity that every true man needs. They'll find ways to resolve problems without being destructive or self-destructive. They'll have their questions about sex answered... In clear, straightforward language. As John Marsden says: "In one way all you have to do to become a man is to stay alive. Physically you'll grow into a man. But to become a man who is mature, independent, responsible and wise, you'll need to do more than just have birthdays."

*The Making Of Love* Hawthorn Press

'Most men are not fully alive' is the dramatic opening to Steve Biddulph's bestseller, *Manhood*, which has now been fully revised and updated in this 2015 edition. Exploring two critical social

issues: how to establish a healthy masculinity and how men can release themselves from suffocating and outdated social moulds, Biddulph addresses the problems and possibilities confronting men in their daily lives. Women have found the book to be a profoundly moving and revealing read, while men acquire recognition and a sense of hope that life can be different. Topics include: - Your relationship with your father - Getting sex right - Being a true dad - Real male friends - Finding a job with heart This edition has been revised and updated to meet the needs of younger men, who are struggling with these issues in the twenty-first century.
