After eleven years of observing the Cypriot people, (of which I am one), I have written this book as a humorous, very much 'tongue in cheek' guide on Cyprus living. It is not meant to offend in any way, but what I have written is absolutely true. Once you learn to go with the flow Cyprus is a paradise. Please read with the humour it was intentionally written in.

What Everyone Needs to Know Oxford University Press on Demand

The Great Cyprus Think Tank is narrated by Bart Beasley, a dejected Canadian author of cultural memoirs who yearns to return to Cyprus, where he spent his youth and where he might shake off his ennui. He forms a think tank of renowned but flawed experts to tackle crises still besetting the fabled island in 2024. The birthplace of Aphrodite is parched, its famed sea turtles face extinction, its songbirds are swallowed whole by native epicures, and Greek Cypriots and Turkish Cypriots, if no longer dispatching one another, rarely send over a bottle of wine. A string of felicitous adventures and seeming successes follows, while romantic liaisons spring up within the think tank's ranks. Where else but in Cyprus could the Fellows hope to unearth Pygmalion's ancient showgirl sculpture of Aphrodite in time for Kataklysmós, an annual celebration of Noah's flood when Cypriots take to the sea and flirtatiously splash one another? Unknown to all but alert readers is a counterplot to waylay the think tank's best designs. *Lonely Planet Accessible Melbourne* Lonely Planet

Cyprus is not only famous for its cultural heritage and 9000 year old past - "Aphrodite's Island" is one of the most popular hiking

destinations in the eastern Mediterranean. The centre of the island is dominated by the Troodos mountain measuring some 2000 m in height, which despite its considerable altitude is more reminiscent of European low mountains, due to its softly rounded and forested peak. This Rother hiking guide proposes 50 routes mostly ranging from easy to medium level. Next to mountain tours, it also includes a selection of coastal paths along bizarre cliffs and adventurous ravine tours. Forest paths and nature trails lead through aromatic cedar woods, silent valleys and to remote Byzantine churches and monasteries. Classic spring tours are those which take visitors across the peninsula of Akamas, when colourful carpets of flowers and orchids blossoming by the wayside unveil their typical Mediterranean charm.
