 In today's era, job seekers keep looking for an efficient way to
 explore the career opportunities and if the question is about
 government jobs then this matter becomes even more concerned.
 Because Government sector in India is always being the very first
 choice for employment and career. The reason is the luxury,
 reputation, job security and high salary of these jobs. This book is
 a complete developed package for job seekers who look their

career in the stable government services of India. This book will
 allow them to explore all the public sector opportunities
 announced by Government of India and will help to learn how to
 navigate the appropriate process for different government job
 applications. Each chapter in this book pinpoint the complete
 guidelines for the government jobs in a particular public sector. It
 is not only a path guide for the job seekers to explore the
 government jobs but it is also a smart tool that will help them to
 enhance their career in a broadened way. Time to time
 Government of India announces different public sector jobs at
 central and state level including Civil Services, Central and States'
 Public Sector Companies, Banks Autonomous Bodies, Defence
 Services, Indian Civil Services, Public administration services and
 other organisations. So it becomes very difficult for an individual
 to be aware of about all the jobs and get information about how
 to explore all those jobs. But with the help of this book it will be
 very easy for him to be informed about all the jobs possibilities in
 a single bundle. So in this book the reader will learn to find
 meaningful government jobs in different public sectors that fit to
 them, and how to best get there. This book has been prepared in
 such a way that it will be helpful for both the students and faculty.
